A Christian Word

I realise that my thoughts have been strongly focused on the inevitable end of this world and on the day that Jesus returns and return he will.

However, that day will be a terrible day for a lot of people who have decided they do not need to listen to God, let alone obey what He asks of us!

So, my thought is this, why wait for the inevitable when it is within your right to act today? Why experience something you need not? It is God's will that no man should perish but all come to repentance. Repentance is the key that will unlock the door for your eternal entry into Heaven. Unfortunately, we are all born sinners. Some may think "I have never wronged anyone" but have you told a "white" lie? Have you ever taken something that is not yours, like a pen?

We need to understand that God does not categorise sin. It all comes under one word – sin! So we're kinda hobbled if you like, right from birth – we don't have a leg to stand on. Not fair? Well actually there is no 'fairness' but only sins passed on down from generation to generation. Sin has got to be dealt with now, if not then it's like passing the torch onto others!

God has made a way for us all through the crucifixion of Jesus Christ. Jesus has paid completely for your pardon and redemption; you need only ask Jesus to forgive you of all those sins, it is that easy!

But behind all this if you like is the one very powerful God who loves you, not your sin, because they can be separated through forgiveness. God, who is, love has proven His love for you alone by allowing His only begotten Son to die for your sins. Your choice now is to move forward in faith and talk to Jesus. He waits expectantly for this moment form you. Take this time and ask God the hard questions and because He loves you, and you are sincere, God will answer you. That's a guarantee.

Come Lord Jesus

Kakaramea School ‘Together We Achieve’

Meet the Kakaramea 2022 Team

We would like to officially welcome our new look teaching team in 2022.

Our wonderful fresh faced teaching team consists of Mrs Carissa Laracy-Talbot (Mrs L-T), Miss Yvette Batten (Miss Batten) and Mrs Marinda van Dyk (Mrs van Dyk). Rounding out our superb full time teaching team is returning teacher Natalie Tai (Mrs Tai).

This year we have been extremely lucky to have two very experienced release teachers come onboard in 2022. We warmly welcome Jess Dunlop who joins our team and our wonderfully experienced returning classroom teacher Kylee Manson back to our school in the new roles as release teachers. We look forward to seeing these two lovely ladies working across all of our classrooms throughout the year.

After a week at school it has been great to see the new staff and students have settled in so well to the Kakaramea way and have all made a brilliant start to the year especially under the Red Setting restrictions. They have especially really enjoyed getting to know each other, developing new relationships and rekindling old ones. The new staff especially enjoyed meeting their students and their whanau at our well supported recent ‘Meet the Teacher’ afternoon.

Our superb teaching team!

Mamma Mia the Musical

Hawera Repertory's June 2022 production of Mamma Mia the Musical is now in rehearsal. The Hawera Memorial Theatre Stage is set to ring out with the classic hits of ABBA. This guaranteed good-time show has played to over 65 million people worldwide. The allure and strength of this show is evident when you look at the regional coverage of the cast. The cast truly does cover Taranaki from North to South, including people from New Plymouth, Opunake, Hawera, Stratford, and Patea, and all towns in-between. When asked about why they wanted to do the show, knowing the travel commitment to do it, the following cast members had this to say:

Mel Henshilwood (New Plymouth) said ABBA was her first album and she loves this musical. Mel has watched a lot of Hawera Repertory's productions and knows that they produce quality shows. Jenny Bennett and Stacy Manktelow, both from New Plymouth, have both been in a production of Mamma Mia before. Jenny said, "this show is such a buzz to be in". Its worth the effort to travel to. Stratford resident Karla Kimi who works in Hawera wanted to do a local production. She has been a professional singer and has always loved the music of ABBA. The forty-strong cast will have a connection with every part of Taranaki and they are all very excited to get to work and make this show come alive. Clive Cullen is directing the show, with Charles Pittams as Musical Director and Greer Anderson as Choreographer. The Cast has some incredible talent, which we will showcase in future articles. Ticket details, with a very generous early bird discount, will be out soon. Be sure to mark your calendar - you now have something fun and outrageously positive to look forward to mid-year.

Summer Cup

The Summer Cup was the best two net scores from 3 playing days. The course was very dry and the ladies participating in this competition made the most of the dry conditions and plenty of run to come out top in this event. The competition was close but the winner on 138 was Kath Honeyfield. 2nd was Gareth Hughes on 139 and 3rd equal were Jeff Bright and Nick Williams on 141.

Business House golf

This competition has been well supported with 16 teams participating. Each night there is cash prizes for the first 3 teams off each tee. There are also sponsors prizes each night so thank you to all the sponsors who have provided the giveaway prizes. Below average, Hoopers Engineering, and Honeyfields will be the teams to beat for the aggregate prizes. Players also have a chance to win 8 prizes in the nightly raffle.

Flying Nine will be played after Business Golf is completed until the end of daylight saving. Non Golfers and Visitors are welcome to come along from 4.30pm

Handicap pennants

The Patea mens team had to play hosts Fitzroy in the first round of this competition. Patea won the fourball matches 2 to 1 but lost the singles 5 to 1 to go down 6 to 3 overall. Hopefully the team will perform better at Waitara when we take on Opunake.

The Patea Club will host the mens and ladies pennants on the 20th and 21st March so hopefully something is done by the South Taranaki District Council to drain the water which is still laying on our 1st fairway from the recent heavy rains.

New Members

The golf club welcomes new members. New members have discounted subs for the first and 2nd years. Join now and you pay only $120-00 for your first year sub

Green fees

Green fees are now $15-00 for a full or part round so why pay green fees when you you can be a member for only $120-00.

Events Patea is hosting later on in the year include the Taranaki 5000 on Sunday 29th May and the 50th 4 way interclub event which will be played Queens Birthday weekend. Keep these weekends free.

WAITOTARA SCHOOL
'Achieving Together'

Kia Ora Koutou,

Welcome to the 2022 school year. I hope you all had a restful holiday and enjoyed the sunshine!

Our School Wide topic for Term One is 'Respectful Relationships'. We will be exploring our local community, practising mindfulness and acknowledging worries and working on strategies. The teachers have lots of engaging activities planned.

Our Monday Momentum will continue to focus on our DRIVE values of Determination, Respect,Initiative, Virtue and Empathy and awards will be given out weekly for those showing our DRIVE values around the school.

Technology at Whanganui Girls College starts on 14th February for our Year 7 & 8 students; they will be learning Food Tech, Science, Computer Programming and Hard Materials.This will run on Mondays in Terms One and Three. We will continue to attend with Kai Iwi and Ngamatapouri Schools.

Our free school lunches have changed this year. Our kitchen manager every Monday to Wednesday has planned a delicious, nutritious menu for our children to enjoy. This has not been an easy task as menus need to meet strict nutritional guidelines and the staff kitchen has had a big change around.

We will start the year again with our "Achieving Together, Learning Conversations". These will take place in week 4. Last year this proved to be a fantastic opportunity to learn more about the children and where they want to go on their learning journey. Goals will also have a DRIVE focus as our values underpin the Waitotara Way.

I hope you have a great term.

This month our tamariki have been showing some amazing mahi tahi – teamwork! Group games have been invented by the children and the rules of their games discussed and tested out, with great communication and negotiation skills being learned by everyone. Listening to each other and sharing the points of view of others are not always easy for young children; playing group games is a great way to strengthen these skills. Children also develop their sense of fairness and empathy as they work together to solve problems and find the best way for everyone. The best thing about playing games with friends is that it is so much fun!

Our woodwork table has also been an area where children can practice mahi tahi. Safety is an important part of learning how to do woodwork, so sharing tools and space around the table are a big part of team work here. Tamariki are learning to take turns, as well as how to use the tools and materials correctly and safely. The woodwork table is also a fantastic place for tamariki to share their knowledge – once they have mastered a skill, they can show other children what they have learned, taking on a leadership role as the expert. Being able to explore the woodwork materials in different ways teaches children to be creative, think critically and solve problems. Amazing learning is happening through mahi tahi!

Relay Your Way

A red traffic light doesn't mean stop when it comes to the covid traffic light settings and fundraising opportunities, says Lisa Grigg.

Lisa is the fundraising and events coordinator for the Taranaki branch of the Cancer Society, and until a few weeks ago she was busy planning the annual Relay For Life event in the region. That work came to a standstill earlier this month however, when the decision was made to redesign Relay for Life events across Aotearoa New Zealand this year in the midst of the omicron outbreak. The cancellation of the event doesn't mean fundraising is also cancelled however, says Lisa. "While Relay for Life itself is unable to safely go ahead under the current national red light setting, an alternative "Relay your Way" event means people can still fundraise for the society and it comes with the added bonus participants can do it when they want, with whom they want, and where they want." Lisa says despite the change, she and her team haven't reduced their fundraising target of $150,000. "We love a challenge, and the need for those funds is still there, and we believe people will still get involved and do everything they can to help us reach that target this year."

In fact, the Taranaki Relay Committee are optimistic the adapted event will bring more positives than negatives. "It actually opens up fundraising opportunities rather than takes them away, as this year participants don't have to walk or run a set course, but rather can choose to do just about anything in the name of fundraising, and they aren't tied to a location or a set date either." People can choose to read, play an instrument, rollerskate, cycle, run, walk, swim or just about anything they can think of for Relay your Way, and Lisa is looking forward to hearing about some of the quirkier ways people decide to do their bit for the fundraiser this year she says.

"People can enter as teams or individuals so schools could do spelling bees, readathons or singalongs if they wanted, or they could have pupil versus teacher relay races or basketball games, rest homes could consider holding a movie marathon or card and board game ones, it really is a case of anything goes." While participants can hold their 12-hour event any day of March, there are plenty of great reasons to tune into the Taranaki Cancer Society's social media on March 26. "That was the date this year's Relay for Life event was going to take place, and our team is doing plenty of work to make sure that date is memorable this year.

We will have lots of the traditional parts of the Taranaki Relay for Life event taking place online this year, from the various ceremonies through to the fun competitions that always get lots of entries such as the dance-off and Relay Idol events." The dance-off and idol winners will be decided and announced on the day, selected from videos participants will send in beforehand.

The popular Garden of Remembrance will still go ahead this year, with people invited to send in photos of their loved ones to be displayed in the garden at the Cancer Society office in New Plymouth, and a video tour of the garden playing on Facebook on March 26. "We know how important it is for people to be able to take part and feel connected with the event, so we have also worked hard to make sure other parts of the traditional relay event still take place in some way.

The survivor flag will be travelling around the maunga over the next few weeks, so cancer survivors can go and place their handprint on it just as they normally would on the day itself. The same will happen with the caregiver banner for caregivers to place their footprint on it in advance of the day."

A range of merchandise will also be available for sale over the next few weeks.

While the team are looking forward to seeing the wide variety of ways people decide to fundraise this year, they won't be sitting back themselves on the day just watching. "We have a rowing machine and a treadmill set up in the office and our personal challenge is to keep the two machines moving all day, so we will all be doing shifts on them, and doing Facebook lives from them, to show people we are doing this together, even though the red light setting means we are doing it apart."
