150 YEARS OF SCHOOLING CELEBRATION SUCCESS

Being able to say “that went well” does not happen as often as one would like. In the case of the Jubilee Weekend 10th/11th/12th March 2023, we can say “that went fantastically well”.

Mid 2021, a group of people got together to plan the Waverley and Districts 150 Years of Schooling. With Covid out and about it was tricky even having our meetings. We started with setting the date then picking a number to book for. That was difficult as financially a lot of people were not as well off as before Covid, and of course they were wary of going anywhere in case they caught Covid. We decided to go with less than half of the previous number that attended the 125 celebration and June penciled in the marquee, caterer, lighting and music.

Early 2022 fundraising was the main topic. With the help of Jacqui and John Boon and the Waverley Golf Club we had a big golf day/dinner/auction and golf ball drop planned. Then Covid arrived in Waverley so the golf day was postponed until late 2022, however we were still able to have the golf ball drop at the golf course. Our thanks went out to the ticket sellers and buyers, and of course Nick Tallott for providing his time to fly the helicopter up and drop the golf balls. Mid 2022 was spent hoping the registrations would hurry up and come in faster as we could not make any final decisions without some idea of a number attending the event.

We planned for things like insurance, security, the cake, advertising, decorations and booking the Community Centre to name most of them. The first Saturday of daylight savings was our golf day. An awful day weatherwise but an amazing fundraising result. It was a huge thank you to the Waverley Golf Club for helping us get our bank balance up.

A Christian Word

I realise that a great majority of people are not in the slightest bit concerned about God, & His Son Jesus Christ, why? Back in the day, last century to be exact, God was somebody most folk were aware of, they may not have gone to church, but my parents, not church go-ers, nevertheless, had a respectful awareness of God & His Son Jesus. We had lessons at school. Whenever I used the Lord's name in vain, sometimes my mouth was cleansed with good ole sunlight soap!

I went to Sunday school, only because I was given a very shiny & small coin to put in the offering, somehow, I forgot to do that, but I did enjoy the ice cream & lollies on the way home! But God was a reality within our home & we learnt to respect that. Today, well I'm seeing a different picture, almost total denial of the glory of God. Kind of slipping away, but, let me ask you this, we are born, schooled & leave home, find a career that makes getting out of bed enjoyable, we marry, have children, we get old & die. Then our children having got a job & are raising their own children, they too will get old & die, & so on & so on…. So, if that's what life is all about then were not a lot better than the cows in the paddocks! They eat, they produce offspring & they to die, & so on… surely that's not why we exist for 60 – 90 years or so is it? Everything we have achieved is given to others, there has to be a more powerful reason than that, don't you think? Even though we are spoiling all that has been made, who or how come, how did all this awesome planet come into being?, the weather, sun that hasn't burnt up or exploded, colours, smells, vegetables & fruits, seasons, animals, day & night, then there's us, what marvels we are, take just our minds for example, this moist tissue with nerves & blood, yet it can do so much for us, remember things, faces, noises, smells, memorize books, capable of doing amazing things or inventing, & all this from living tissue? Hello! God alone has established all that we see, think & feel.

Genesis 1:1&2 says "In the beginning God created the Heavens & the Earth. Now the earth was formless & empty, darkness was over the surface of the deep, & the Spirit of God was hovering over the waters. The creator was beginning to create. Now nothing has changed, God still reigns, His laws are written on our hearts, we know right from wrong, we have a conscience that pricks us when we do wrong & over time as we continually ignore it, it will become less obvious & doing wrong has no consequences! We go from bad to worse, now, things have gotten real bad, nothing like this happened 50 years ago!! What's the next 25 years got for you? One thing is for sure - God lets you make your own mind up & be accountable for it, one way or another!

Now all has been heard; here is the conclusion of the matter: Fear God & keep His commandments, for this is the whole duty of man. For God will bring every deed into judgement, including every hidden thing, whether it is good or evil.

Fond Farewell to Sarah Kennedy

Branch Librarian Kathy Taylor, Sarah Kennedy and Acting Group Manager Community Services Cath Sheard

Staff and members of the public gathered in early March to farewell Sarah Kennedy, who had worked at Waverley LibraryPlus for the last 15 years.

Cath said Sarah will be remembered for her skill in matching people with just the right book, her warm relationship with local youth, and knack for interesting props for the annual summer reading programme - with hay bales, a tent and a row boat being particularly memorable.

Carlyle Women's Institute

Our March meeting was attended by 7 members, minutes were read financial report presented we discussed Carlyle WI 84th birthday outing at Patea Golf Club, 17th March . This day in 1939 Carlyle WI was formed, it was really neat to actually celebrate it on the day. Red Rock Catering had a St Patricks Day menu.

Bernie Christian from Ostomy Support group was our guest speaker. Bernie gave an informative talk on how she herself didn't feel well and after doctor and specialist visit discovered she needed to wear a urostomy bag. She said don't be scared to ask questions speak up be firm and things will start to happen. You can always take a support person with you to appointments. Bernie says stay positive and laugh. Life can still carry on you can swim with the bag play sport and still have a sex life.

Ostomy Support Taranaki is like a buddy system they do not give medical advice. They are there to talk to and support you. Bernie stayed to have afternoon tea with us and we had an early birthday afternoon tea party for Marj Pryor who turned 94 on 21st March.

We attended our Federation AGM at Kapuni Hall on Monday 20th March. During the year Institutes are given the National Competitions and if you wish can enter them to be judged and if you have a first placing it then is taken to the National Conference. This year it is in Timaru. Carlyle did well we got a first for 2022 program, and Rose Cowley had 4 entries on the day and she did well. 1st for her toiletries wash bag, 1st for a jam jar label and 3rd for tea cosy, not so good in the cooking entry, Apricot Coconut Crumble Bar Bridget Dwyer also entered in the cooking competition. Bridget also won the $100 grocery voucher. A good day was had by all.

If you are interested in joining us come and see what we are all about, first Thursday of each month, 1.30pm at Patea Old Folk

Looking at the world around us today, we cannot but see a world in total confusion and conflicted chaos. We daily see a world that is spiralling fast out of control, with rampant crime, social unrest, economic uncertainty, natural disasters, nations at war with each other and because of this, many people have lost hope that things will ever get better. This is seen in a huge escalation in depression, fear and anxiety amongst all people across the world. People are wanting hope and the assurance that there will be a better, brighter future. Well, this hope can be found in the bible alone. The bible is replete with hopeful promises, of which one of the most powerful is the truth of the Second Coming of Jesus. The bible presents this truth as the 'blessed hope' that brings much comfort to our weary and worn hearts.

Titus 2:11-13 "For the grace of God that brings salvation has appeared to all men, 12 teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and godly in the present age, 13 looking for the blessed hope and glorious appearing of our great God and Saviour Jesus Christ."

The fact that Jesus is coming again should impact the way we live our lives today. This truth of Jesus' return should buoy our spirits and strengthen our hearts to endure whatever trials and tribulations we face today, knowing that this world is not our final home. The truth that Jesus will come again soon, is a most blessed revelation of the grace and mercy of God. The very last words of Jesus found in the bible, is in Revelation 22:20 "Surely I am coming quickly. Amen." John's heartfelt prayer and earnest desire was expressed so vividly in the verse, when he says in the same verse "Even so, come Lord Jesus come." Jesus comes for two primary reasons. Firstly, to end the reign of sin and suffering in this world and at the same time to redeem His people forever and take them to their celestial home in heaven forever. What a joyous hope this is!

Notice another powerful promise in Revelation 21:4 "And God will wipe away every tear from their eyes, there shall be no more death, nor sorrow, nor crying. There shall be no more pain, for the former things have passed away." There is coming a time when our tears of sorrow and sadness and suffering will be replaced with shouts of joy and inward peace forever and ever.

May our hearts be animated today with the blessed hope that Jesus will come again soon. It certainly is near, as we see the signs of the times escalate in intensity and frequency all around us. All these signs tell us that Jesus is coming very soon! We have this hope that burns within our hearts, hope in the coming of our Lord and Saviour Jesus Christ.

Peace be upon you all!

Change of guard for the Pātea Waverley Press

After 28 years as editor of the Pātea Waverley Press, Cath Sheard has stepped down and Janene Pope of Waverley is the new Editor. A big congratulations to Janene and gratitude from all of us that you have taken on this important role in our community. I know we will all support Janene with articles and advertising to keep the paper successful in the years ahead.

I spoke to Cath recently to get an insight into what the ups and downs of running a free newspaper with a circulation of 2,600 that covers households from Manutahi to Ngamatapouri. When Cath took over from Howard Anderson in 1995 little did she know she would be doing this job for almost 3 decades and that technology would change beyond recognition in that time. When she started producing the paper it was done by typing and printing the stories, waxing the paper then cutting it up and sticking it to layout sheets– known in the industry as 'lick n stick'. The sheets of stuck down pages were taken to Wanganui News to photograph before making print files. Today the paper is sent via a secure website to Beacon Print on the East Coast.

Until the last few years her husband Tony helped with the editing and set up work, but since his health has deteriorated it has all be up to Cath. They both had full time jobs, Tony was an Ambulance Officer and Cath was employed at South Taranaki District Council, starting as a Librarian in Patea, now Libraries and Cultural Services Manager. She will mark 30 years of service to STDC later this year.

From the beginning they wanted the paper to be a 'good news' paper, so loved it when they had stories about local young people doing amazing things. People love seeing photos of family or friends, or themselves in the paper. Interesting and historical events are recorded in so many editions, both happy and sad. Pātea Māori Club tours, a front page obituary for Sam Prime, The Freezing Works fire, Pae Pae in the Park photos. It is always local news content and that's what people want, but as Cath said "there were a couple of times in those 28 years where we struggled with covering something - the Christchurch mosque attacks for instance, which did have an impact locally. Usually we'd end up acknowledging events like that in a low key way".

In the year 2000 the name was changed from 'The Pātea Mail' to 'Pātea Waverley Press', although Cath can't recall what prompted the change, but the fact the Waverley paper had long since ceased and this paper did cover that area would have been good reason to. And in 2014 the Māori translation 'Te Karere o Pātea me Te Wairoaiti' was added to the mast head. The real highlight for Cath over almost 3 decades has been 'the time and effort so many people have put in to providing stories and photos to promote clubs, events and schools. This is a great place to live and it's been amazing to showcase that through the paper'. There has always been a list on the back page of the paper of all the clubs and organisations in Pātea, Waverley, Waitotara and surrounding districts. It has fluctuated over the years, but still shows a good number of groups that provide activities, fellowship and guidance for people in our urban and rural areas. The mainstay of the paper is the advertising, without it the paper would not exist, and the paper is well supported by the regular advertisers. Every one of them are contributing to the continuation of our valuable monthly newspaper, so please support them and tell them you saw their advert in the Pātea Waverley Press!!

Cath recalls 'in all those years there were two times we didn't produce a paper, despite a lot of big life events, from bereavements to emergency surgeries". One of those occasions was when community newspapers couldn't print due to central government covid regulations. The other was January 2023, when Cath decided to take New Year's off for the first time ever. As the paper always went to print at the end of the month, content had to be sent in by 26th of the month. This was often a tight deadline, with stories coming in at the last minute. Cath is now looking forward to doing whatever she wants for the weekend, without worrying about getting the paper done. Thanks a million Cath for the 1450+ editions of the Paper you put out in the last 28 years.

TARANAKI — WEDNESDAY, AUGUST 9TH, 1995 — NO 245

PUBLIC MEETING TO DISCUSS FUTURE OF THE PATEA MAIL

A public meeting will be held in the Meeting Room at the Museum next Monday, August 14th at 7.30pm to discuss the future of the Patea Mail and to try and find a number of people to deal with the various jobs.

We are currently trying to arrange for all the production stages of the paper to be done commercially, but we still need a number of local people to ensure the smooth running of the paper.

Originally we had an editorial committee of three. One person became the editor and the two assistants covered sport and the schools, kindergarten and play centres. There were no Kohanga Reo twenty years ago.

Unless these people had a personal involvement in an activity they did not actually write the articles themselves. They mainly ensured that the various sporting bodies and schools etc provided regular contributions and reported on special activities.

With the editor they checked all contribution for spelling and grammar as well as legibility.

There were also two reporters who wrote the comings and goings page as well as any items of general interest. They also reported on public meetings.

Perhaps the most important person is the one collecting the advertising, as it is the income from this source that makes the paper possible. At times this has been a shared position.

We also need someone to prepare and send out the accounts for the advertising. At various times this has been done by the same person who collects the advertising, or a separate person. For many years a third person actually delivered many of the accounts by hand which saved hundreds of dollars a year.

The present editor has also acted as general manager and accountant, responsible for GST and paying all accounts due. This could easily become a separate position.

As can be seen there is a wide variety of positions available, none of which require a high degree of skill. Even the GST return only requires fifteen to twenty minutes twice a year!

At the moment all the positions are being filled by the editor, who also prepares the copy for the typesetter and then makes up the advertisements and pastes up the pages ready for the printer.

After twenty-one years he is definitely retiring at the end of the year.

The Patea Mail was established because the local advertisers, community groups and readers, felt that other papers were not providing an acceptable service to the district, at an affordable price.

We do not believe the situation has changed. Not only does a group of local people help keep costs down, but no out-of-town paper can capture the local scene like a locally produced publication.

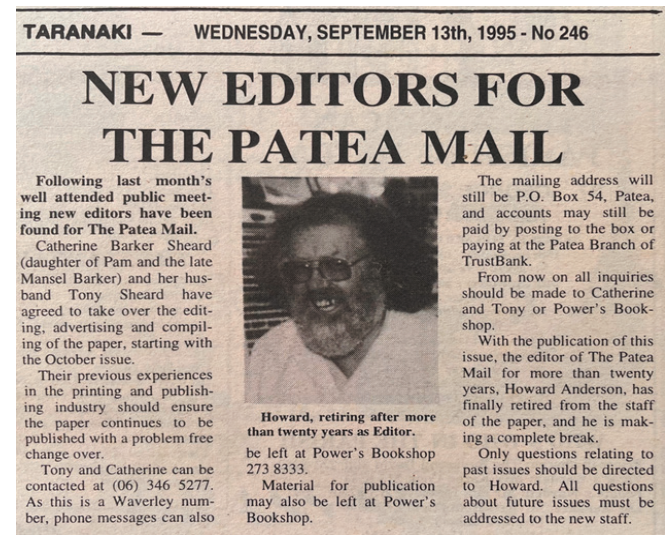
If you are an advertiser, a contributor, or a reader, please attend the meeting.

There must be a way to keep the paper going. Between us we should be able to find a way.

RSA TREE PLANTING

It is now 50 years since the cessation of hostilities in World War II, to mark this occasion, the RSA has decided to plant a native tree behind the memorial, at 2pm on the 16th August, 1995. A small dedication service will be held and the RSA cordially invites the public to participate on this anniversary day. Afterwards we will adjourn to the Old Folks Hall for afternoon tea. A small plate towards afternoon tea would be greatly appreciated.

A call for help in the August 1995 Patea Mail – it also shows how many people were involved in the Paper in the early days – now its just one.



TARANAKI — WEDNESDAY, SEPTEMBER 13th, 1995 - No 246

NEW EDITORS FOR THE PATEA MAIL

Following last month's well attended public meeting new editors have been found for The Patea Mail.

Catherine Barker Sheard (daughter of Pam and the late Mansel Barker) and her husband Tony Sheard have agreed to take over the editing, advertising and compiling of the paper, starting with the October issue.

Their previous experiences in the printing and publishing industry should ensure the paper continues to be published with a problem free change over.

Tony and Catherine can be contacted at (06) 346 5277. As this is a Waverley number, phone messages can also be left at Power's Bookshop 273 8333.

Material for publication may also be left at Power's Bookshop.

Howard, retiring after more than twenty years as Editor.

The mailing address will still be P.O. Box 54, Patea, and accounts may still be paid by posting to the box or paying at the Patea Branch of TrustBank.

From now on all inquiries should be made to Catherine and Tony or Power's Bookshop.

With the publication of this issue, the editor of The Patea Mail for more than twenty years, Howard Anderson, has finally retired from the staff of the paper, and he is making a complete break.

Only questions relating to past issues should be directed to Howard. All questions about future issues must be addressed to the new staff.

Article from The Patea Mail September 1995, when Cath and Tony Sheard took over as Editor.

From the new Editor...

Thank you so much for all of the wonderful feedback and support I have received since announcing that Cath & Tony have generously entrusted me with the Patea & Waverley Press.

You will see a few changes, some pages have moved, new contact details and some different bits and pieces but I hope to be able to continue bringing you all of the local news and events as they come to hand.

With the continued support of the businesses who advertise with us, the Press will remain so I trust you are able to support them in return.

Enjoy this very full first issue and forgive me any hiccups.

Happy Easter to you all.

Janene

Signs and seats restored at Pātea

Over the summer Don Adams has been working hard around the town repainting old signs at the Pātea Beach and oiling the timber benches along the main street. After doing a bit of reseach we realised the signs are over 30 years old. They were made from Totara donated by Noel McColl in 1991, so have stood up to the harsh coastal elements incredibly well. They were constructed by Ken Bentley when he was managing the Pātea Beach Camp Ground at that time. Ken did all the work carving and painting them as a volunteer, just as Don has done 30 years later. Back then the Harbour Endowment fund provided the money needed for materials. This time the Pātea Community Board Chairmans fund has provided the funds for paint, paint stripper and oil. We soon extinguished that fund, but fortunately Taranaki Veterinary Services paid for the last 10 litres of oil we needed (A big thank you to them).

Six of the eight beach signs made by Ken Bentley remain, and considering one of them was completely covered and had to be dug out of the sand, they are all now back in top condition. One sign that has disappeared in the intervening years is 'Bourkes Lookout'. Named after Kevin Bourke of Kakaramea Hotel, when he was on the Pātea Borough Council. It is currently being remade by Colin Schrader. The other sign 'Toilets' for the Beach toilets, shown in the old newspaper clipping below, has unfortunatley been removed at some stage. The 'Bouys' and 'Gulls' label for the toliets was quite a quirky touch.

Don scrubbed down, stripped off graffiti and patches of paint on the seven seats around town before he put two coats of resene exterior timber oil on them. The long timber slatted seat in front of the Waka and the timber slatted seat by Four Square took a lot of work, but have come up so well. The other hand-made macrocarpa bench seats are at least 20 years old, made and installed by Mike Cole. One of the bench seats is beside the footpath on the road half way down to the Beach. Jim Baker tells me it was requested by his mother Ena Baker when she was at Te Mahana Resthome. She would walk to the beach and needed somewhere to sit half way there and half way back. Mike did a lot of work around town at that time with John Hughes on the Pātea Community Board. They built the six wooden gazebo's at the Beach, with the help of PD men and women. The Gazebo's still stand strong today and are well used, although one is getting covered in a sand drift, and after many requests it is now on the Council list to dig out.

Don and Trish Adams have recently moved back to their hometown of Pātea after living in Wellington for many years. Don is the great grandson of the third Mayor of Pātea - Mr RA Adams, elected in 1883, and the son of Bob Adams, who many of you will remember for his years of civic service in Pātea. Don spent a big part of his youth surfing at the beach, so was more than happy to spend days down there over the summer painting the signage. Thanks so much Don for enhancing special features of our town. His wife Trish (nee Ansley) is part of our volunteer garden group in Pātea. We always need more help doing that, so please contact Trish Adams or Jacq Dwyer if you want to help out.

Jacq Dwyer
Chair of Pātea Community Board

Ken Bentley putting the finishing touches to one of eight new signs he has helped erect, mainly at the beach. Kevin Meyer and Teaka Manapori installed the poles, and constructed the rockeries and mowing strips. Totara timber was donated by Noel McColl, the Harbour Endowment Committee provided the other materials and Ken donated his time to carve and paint the signs.

150 YEARS OF SCHOOLING CELEBRATION SUCCESS

After that we needed to get onto the Street Parade. They had one 25 years ago so we felt the same should happen in 2023. Letters went out to the clubs and businesses and community and although it was getting close to Christmas we still chased them up,

By January they were all on board. Even though we were not permitted to go along the main street, Blair from Traffic Management organised the streets to give maximum impact.

So the Jubilee was nearly here, numbers were finalized, jobs assigned and away we went. The marquee went up and Leonard's caravan was parked nearby for the security. The Friday was registrations with Chris, Margaret and Brenda to help. Nan Pirikahu-Smith organised the Powhiri by Nga Rauru at the Marae across from the school, that was well attended. Barb and her helpers put on a wonderful Mediterranean looking spread for the wine and cheese. Friday came and went and everyone thoroughly enjoyed themselves.

Saturday morning saw a hive of activity at Dallison Park with the floats getting put together. The Pipe Band led the parade and it was awesome. Nothing can beat the sound of bagpipes. The school entry won the rosette for BEST ON PARADE then the Waverley Racing Club was awarded JUDGES CHOICE, the Plunket float won BEST THEME. Tony S enjoyed giving out the rosettes. A well organised parade by Charlie, Grant, Leonard and Tony W.

On the school field were a selection of coffee and food sites and stalls organised by Merle and Lynda. Once the parade lined up around the field it was the most wonderful sight and sound. Formalities followed with speeches including 3 ex pupils, all with something to tell, including Narandra Patel whose late father, Boxer Patel, had the vegetable shop in Waverley. While we were at the Jubilee celebrations, a bench seat was put at Rotary Park in memory of Boxer at the request of his family. This was carried out by Tony Sisson.

*The Plunket Float - winner of **BEST THEME***

The eldest registered ex pupil and the youngest current pupil cut the cake after a wreath was placed on the memorial, followed by decade photos. A lot of fun and headaches for the photographer trying to organise all of those people.

Saturday night was dinner and dance. The marquee looked very `schoolclass-ish' with placemats of old news articles and paintings from schoolchildren laminated, books, jars of dried flowers and an apple on each table. Wonderfully effective, along with good old agapanthus, reinvented, and balloons put together by Nat, Sue, Megan and with the help of Jenna. Tim worked in with the Rugby Club to run the bar. The whole evening was wonderful.

Sunday we had a service at the Church of the Good Shepherd as the smaller hall attached to the church was originally on the school grounds. It was used as a classroom when needed; such as when the fire burnt one block. The service was thoroughly enjoyed by all. The South Taranaki District Council need a thank you for getting last minute things organised including parking for motorhomes/caravans of which there a number.

So now it is time to pay the bills and leave Brenda to do the financials, along with collecting all the information Laraine Sole needs to put our book together.

Until next time.

KAKARAMEA SCHOOL
‘E tipu, e rea…grow and keep growing’
MARCH ROUND UP

This month has been extremely busy at our wee school with multiple events including our school swimming sports, the tryathlon, election of school leaders, and lastly our annual school camp. Here’s a few highlights:

SCHOOL LEADERSHIP 2023

We are proud to announce our Kakaramea School Leadership team for 2023 consisting of our Student Council. eLearning Leaders and School Librarians. A huge congratulations to all those who were elected.

Our Student Council members are, from left, Wilson Manson, Boyd Watson, Charlie Werder, Mason Knight, Libby Tate, Rylee England, Charlotte Tate, Zola Gibbs, Estelle Croot, Elijah Lasike and William McColl.

Our School Librarians are, from left, Matilda Skipper, Kevarnah-Lee Nichol (Head Librarian) and Frankie Werder. Dulcibella Swanson has taken on the role as a reserve librarian.

Our eLearning Leaders are, from left, Ivan Durage, Cooper Knight, Wilfred Swanson, Jimmy Gibbs, Taine Murdoch, Richie Reid and Julian Laracy-Talbot.

SENIOR CLUSTER SWIMMING SPORTS

We were pleased to see the return of both the Junior and Senior Cluster Swimming Sports in 2023 following a couple of years of Covid disruption to the events.

On Monday 7th March the Senior Cluster Swimming Sports took place hosted by Waverley Primary School. A huge congratulations to all the Kakaramea School participants who gave it their all and showed their personal best.

The inter school relay saw us take out a thrilling win over our local school Whenuakura School, Waverley Primary School, Patea Area School and Mokoia School. A huge congratulations to our school relay team pictured below consisting of Taine Murdoch, Charlie Werder, Mason Knight and Libby Tate.

SCHOOL TRYATHLON 2023

Kakaramea School held its Tryathlon on Tuesday 28th February and pupils were encouraged to participate in the swimming, cycling and running legs of the race. The focus was on participation and doing their personal best rather than it being a race.

Adab Sidhu, Jackson Wall, Sayul Alankara-Dewage and Mariah Baxter are preparing for their Tryathlon Race at the start line.

From the left, Henry Buhler, Wills McColl and Xavier England are up for the challenge as they prepare to take on the school Tryathlon.

PATEA DAM CAMP 2023

On 9th and 10th of March Kakaramea School held its annual camp held at Patea Dam. During our overnight stay the children enjoyed many activities including archery, kayaking, abseiling, the water slide, a raft race, low rope course, boat and biscuit rides. A brilliant time was had by all!

Everybody posed for a group shot on day one of our school camp. It was great to have our school community together.

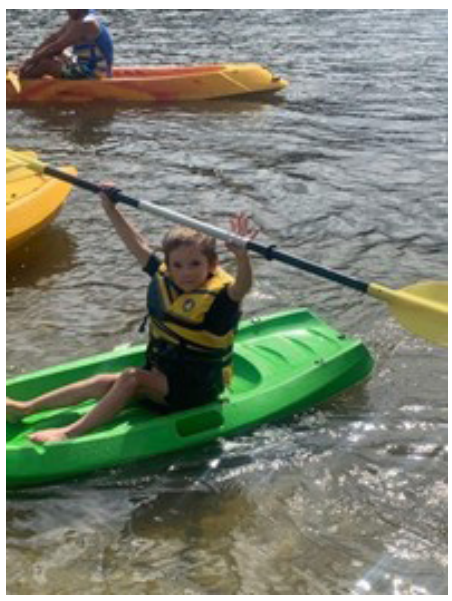
Chloe Dickson from Swimming New Zealand is pictured here instructing one of the groups on Water Safety.



Pictured here is Hayden White, he has mastered his kayak.

ALTON TOUCH TOURNAMENT 2023

On Friday 17th February we took part in the Alton and Districts Touch Tournament playing against Whenuakura School and Patea Area School. Both of our teams played extremely well with our Kak Krusaders coming away with a mighty win over Whenuakura School following an intercept try from Charlie Werder.

Pictured here is the Kak Krusaders Winning Team 2023. Back row, from left Tessa Tate (Coach), Boston Symes, Kobi Napflin, Charlie Werder, Frankie Werder, Charlotte Tate, Daniel McColl (Coach). Front row, from the left Sophie Tate, Oscar Werder, Adab Sidhu, William McColl and Louis McColl.

Pictured here is the Kak Kids Team 2023. From the left James Bosworth, Izayah Haira-Fenton, Riley Bosworth, Kevarnah-Lee Nichol, Matilda Skipper, Henry Buhler, Ardie Reid, Richie Reid, Keyahn Tipu-Taylor and Caleal Tipu-Taylor. Absent: Shannon O'Brien (Coach).

TUG O WAR TOURNAMENT 2023

On Friday 3rd March our school Events Committee held the welcome return of our Tug O War Event. It was a beautiful night and well supported by our local community. A huge congratulations to our winning men's team Kak Contracting featured below. Thank you to everyone who came along to support this fundraiser. A great night was had by all.

Egmont A&P Show

Like many things affected by Covid in 2021, Egmont A&P Association didn't hold its annual show, so when the planning for 2022 got underway, the executive committee looked at how it could revamp the show and decided on splitting the show dates. By doing this, both events could and were bigger and better, neither having to worry about taking up space the other would traditionally use.

This meant in November 2022, (the traditional Egmont A&P Show date), an Equestrian Event was held at the Egmont Showgrounds. Held over four days including Dressage, three Show Jumping rings, Show Hunter and RAS Showing classes. While the weather wasn't pleasant this weekend, alterations to schedules and location of rings meant the show could proceed.

So February 2023 was the new and exciting date set for the balance of the show, surely February would provide great weather! While the weather wasn't great, the showgrounds were a buzz with entertainment, home industries, crafts, trade sites, kids zone, food stalls, small animal tent, Alpaca showing, amusement rides and also saw the return of Pig showing to Egmont A&P.

The entertainment highlight of the show was Franklin Farms Freestyle Moto X display in the Oval, this drew the crowd into the grandstand for the three displays, followed by Kids Carts trotting races. Other entertainment on Saturday included Zeal entertainers from New Plymouth, the Hawera Brass Band and Ohawe Ukelele group. The Small Animal Tent is always a highlight for children young and old, there was a shearing display, poultry and chicks, kittens, working dogs, eels, piglets, goats, bees, turtles, an alpaca, rabbits, guinea pigs, miniature horses.

A huge thank you needs to go out to all our volunteers, sponsors, supporters and members, who without each and everyone playing their part, the show would not be able to go ahead.

Looking forward our AGM is in June and we look forward to current and new members joining us, there is always room at show meetings for more attendees. If you'd like to learn more about Egmont A&P Association or the Egmont Showgrounds, you can visit our website **www.egmontshowgrounds.org.nz** check our **Facebook page Egmont Showgrounds** or give the office a ring **06 278-8613.**

Waverley Primary School

What an amazing weekend we had with the school's 150th Jubilee. It was great to see so many people gathering and sharing stories. We had almost 400 registrations in the end. The event started with a Powhiri at the Te Wairoa Iti Marae and then a Wine and Cheese gathering on the school grounds. On Saturday we had a magnificent parade and gala day on the field with some photographs of each of the decades and on Saturday night we had a wonderful dinner and dance at the rugby club. On Sunday morning the Jubilee closed with a church service. An event of this magnitude does not happen by chance. We had an amazing committee who put in countless hours of work in preparations for the event. I want to thank each and every one of the committee members for their efforts.

I would also like to thank the schools' who entered swimmers in the Cluster Swimming Championships on the 7th March. It was great to see the swimming prowess of so many South Taranaki Swimmers. Congratulations to all who competed and a special congratulations to our Waverley Primary School swimmers.

On Friday 19th March we held our Annual Trail Ride. It was an amazing event. Thanks to Chris Koubaridis for all of his hard work getting the event set up and running.

Trail Ride

Waverley Primary School recently held another extremely successful trail ride as a fundraiser for our school. A huge thanks must go to the Murphy, Carrick, Symes, Milne and Aiken families for the use of their properties, Chris Koubaridis and his team for the set up and organisation of the event, Rob Camel for doing all the advertising and our PFA team (along with Sherree Parsons) who provided the delicious food on the day.

Jubilee Parade

Waverley Primary School had a fabulous time participating in the parade, showcasing the different ways that students have gotten to school throughout the decades. The judges awarded us with the Best on Parade ribbon for our efforts.

Jubilee guests and current school students alike loved looking around our old fashioned classroom that had been set up at school. Thank you to the many people who contributed items and helped in the setting up of this space.

Why do Patea and Waverley choose us?

Steven and Jared are setting the bench mark - They bring together experience in over 500 property transactions. It is a "two for one" deal with two salespeople working together to find you the best buyer, and always make time to meet you and discuss matters in a timely fashion. Steven and Jared both believe in next level marketing and service, which is why they get repeat business in this lovely part of Property Brokers country.

Philosophy - As "brothers in real estate", Steven and Jared believe the industry should have a culture of caring, beyond just that of selling. They know events can happen unexpectedly during the sales process, so believe in being available during all 24 hours of a day and seven days a week to address them. Being firm but fair in all actions, they will put more resources into your marketing campaign, backed with industry leading suppliers, to provide a level of service which is tailor-made for you.

Steven Schwamm, AREINZ, National Diploma in Real Estate (Agent), National Certificate in Real Estate (Branch Manager) - With over ten years experience in the real estate industry, Steven joined Property Brokers in 2011 as the company's youngest sales consultant and immediately made his mark – winning the Young Professionals in Real Estate NZ Rising Star award and Property Brokers coveted Residential Rookie of the Year 2012. Well qualified with his real estate Diploma and Branch Manager's Certificate, he is also the youngest licensee in Property Brokers country to hold an Agency license and is also an Associate of the Real Estate Institute NZ (AREINZ).

Jared Smith, BA, GradDip - Known around Waverley for the rugby and racing coverage when he was Sports Editor of the Whanganui Chronicle, Jared is a dedicated professional who has met and worked with locals and stakeholders alike of all backgrounds. Astute with meeting deadlines and listening to what you need, Jared values accuracy and clear understanding of the process of selling real estate, and the need to reassure clients that their best interests are paramount. Raised in Nelson and getting university qualifications in Christchurch and Wellington, Jared became a seasoned worker through his journalism and editing roles. Always more comfortable in the rural towns without the traffic jams and having opportunities to make his own mark, Jared loves the appeal of provincial living and getting into the community.

Track record - Together, Steven and Jared achieve outstanding results for their clients because they cover all the angles and are determined to reassure people that their interests are safeguarded. This is reflected in their market commentary, strategies, attention to detail, and tailormade communication based on the needs of each client. Steven and Jared continue to get the top market dollar for your property by finding the right buyer from any corner of the country, matched with service that doesn't stop once the sold sign goes up.

Steven and Jared continue to secure the top dollar for your property by finding the best buyers in any corner of the country!

Whenuakura School ‘Growing Personal Excellence’

Kia ora koutou,

We have had an action-packed term full of events. We had another very successful Fright Night fundraiser. We would like to extend our thanks to the school board who undertook the organisation of this event. Further thanks is extended to all of the parents, extended family, community members, past pupils, friends of friends, sponsors, and Māori wardens that volunteered their time to help out as well. The feedback on the event has been amazing! We will be hosting a BBQ on Thursday 6th April to thank everyone involved for their support.

In March we hosted the Junior Cluster Swimming Sports event, after having a two-year hiatus. Swimmers had a great time participating in both competitive and non-competitive races. We were also lucky to have Tere Mathews and his team from Te Oranganui provide Ngā Taonga Tākaro (Māori play games) on the day while swimmers waited for their events.

Next up was our school TRYathlon. For the 5 and 6 year olds it was a swim, bike and run within our school grounds. For ages 7 and up, the distances increased and the bike leg was moved to the road where they biked to Whenuakura Playgroup and back. It was great to see so many students step out of their comfort zone and give the event their best efforts. A huge thanks must go out to the Māori Wardens and our School Community Constable Phillipa Joblin for taking care of the road safety aspect of the event. As always we are also grateful to the parent help that we get at these events.

Our seniors participated in the Senior Cluster Swimming Sports, hosted by Waverley Primary School.

An extremely enjoyable day was had by all. Success was shown in many ways - winning races, completing races confidently, first time participation by our younger students, and all of our students made us very proud by displaying our CORE values throughout the day.

We had more 5 year olds beginning their learning journey at Whenuakura School. A warm welcome to Ellalaine and Jonty. We hope you have lots of fun here at Whenuakura School.

WAITOTARA SCHOOL
'Achieving Together'

Kia Ora Koutou,

We've packed a lot into the last five weeks including tennis lessons, water skills for life, technology, cooking and when the weather has been right we've also enjoyed swimming in the pool.

Thanks for joining us for our learning conversations. Teachers enjoy the day re-connecting with parents and sharing the learning that your child has been doing. Please remember to contact your child's teacher if you have any concerns.

We have been enjoying our weekly sessions with Esther from Enviroschools- making potato rosti, relish, pesto and pasta. If you would like to join us for any of these sessions on a Friday we'd love your help!

Seniors have had great success in their letter writing to local garden businesses with seedling and plant donations rolling in. The students also have written to Pakowhai School in Hawkes Bay to show empathy for their loss during last week's floods. It was interesting looking at the mail that was sent to our own school after the 2004 floods at Waitotara. We also showed support for Hawkes Bay Schools by holding a mufti day during the week.

We farewell two long standing Board members, Maria Ferris and Kirsty Parsons. Their knowledge and input into our School has been invaluable. Welcome our new Board members- Holly Murdoch and Don Parkes. We have a great team behind our amazing little school.

Polly Devane
Principal

Our little school raised $92.00 for Hawkes bay schools today. Amazing!

Esther from Enviro Schools is back with us making apple crumble with our class and with the seniors They took turns in groups to peel apples, cook the apples and make the crumble topping. Children then enjoyed apple crumble and ice cream . The following week it was pizza time!!!!!!!!

Maxwell & Districts Kindergarten

Maxwell & District KINDERGARTEN

This month the tamariki at Maxwell and Districts Kindergarten enjoyed a visit from the Whanganui Fire Brigade. They enjoyed learning about the role of a firefighter, having a sit in the fire truck and getting to squirt the fire hose.

The tamariki have also been busily building creations with Connectix tiles and creating marble runs. This open ended toy supports and fosters the children's imagination, social skills and a fun way to explore magnetism, gravity and motion.

Pātea Community Board Meeting

Notes from the meeting on Monday 6 March 2023. 4pm, provided by the Board Members.

The second meeting for 2023 was held at Pariroa Pā, Kakaramea. Present were: Pātea Community Board members; Jacq, Bronwyn, Owen, Rob Northcott (Deputy Mayor), Phil Nixon (Mayor), Liam Dagg (Group Manager Environmental Services), Samantha Greenhill (PA), Eileen Kolai-Tuala (Community Development Officer). 12 members of the public. Apologies from Cheryl Rook & Eileen Kolai-Tuala. The meeting opened with a karakia.

Before the Meeting commenced we were welcomed to Pariroa Pā by Hemi, Syd, Wai, Cass, Ngapari and many other members of the Pā. We congregated in the main wharenui and Hemi gave us a brief history of Pariroa and explained some of the stories behind the photos of passed people on the walls. Established as a marae in 1894 by Tutange Waionui, who is also the crouching warrior with taiaha on the one shilling coin. We then adjourned for a cup of tea and scrumptious afternoon tea provided by the Pariroa Pā Ladies Committee. In the smaller, newly restored wharenui Bronwyn Wattruss was officially signed in as the 4th Community Board member for Pātea, after winning the recent by-election.

Open forum: Began with Anne Sattler from STDC explaining the slowing down of speeds around schools. As a Road Controlling Authority, the Council must follow the Government's Land Transport Rule which requires a safe and acceptable speed on all roads, that we develop a Speed Management Plan and that the speeds around 40% of our schools must be reduced before 1 July 2024. The Council has developed a Proposed Interim Speed Management Plan that focuses on reducing speeds around all South Taranaki schools. Over the coming weeks they will be out and about in our communities advertising and discussing the consultation document. The consultation period closes on Friday 31 March 2023.

Jason Ansley (Fire Chief Pātea) and Clive Lennox (Group Manager of Taranaki Fire Brigade) spoke about the need for more fire brigade volunteers in Pātea. They are actively looking for new recruits. Clive told us how it turns lives around to be involved in the Fire Brigade, he has seen people progress into amazing opportunities after joining the Brigade. Rob suggested talking to coach of Pātea Warriors League team for possible recruits. It was pointed out that Patea currently has no designated Civil Defence centre. In 2018 Civil Defence NZ reviewed centres they have all over the country and decided many of them were not suitable, mostly due to their age. Without consulting anyone in Pātea they decided the Pātea Old Folks Hall was too old and not earthquake checked, so took it off their books. It was only when we were getting ready for Cyclone Gabrielle we were told that we had no Civil Defence Centre. If the Cyclone had hit this area, we would have used the Old Folks building regardless, as it is the best place in town at this stage for people to congregate. The importance local marae in weather events has been proven to be invaluable, with fully equipped kitchens and sleeping areas. But in Pātea we still need something in town. This issue is being followed up with Civil Defence NZ.

Nikora Davis of Pātea has set up a Landscaping business and is employing local people. His vison is to give our youth jobs as well as making our town a more attractive place to live. He implored the South Taranaki District Council to employ him and his team to do any landscaping, gardening, small construction work in the district, instead of bringing in outside companies.

Laurie Mildenhall reported that the gutters, drains and culverts in Pātea should be cleaned out before and after a storm or heavy rainfall. Downers aren't doing this, and it will cause damage later if this isn't on the regular maintenance plan.

Raewyn Tucker asked for assistance with disposing of cuttings from trees that overhang the footpath near her home on Gloucester St. She often cuts them back so the footpath is accessible as the Council don't, and would like the Council to dispose of the cuttings for her.

Jacq spoke of the need for Pariroa Pā Road to be widened and resealed. It is slumping in places where it is low to the nearby stream and when there are events on at the Pā numerous vehicles have to navigate the narrow road. There also needs to be signage warning people to beware of children and elderly at the start of the road and nearer to the Pā.

Mayor Phil apologised for the failure at this stage to organise a meeting for Pātea about the bad behaviour and vandalism. The Police have been unable to confirm a date, but at this stage we are looking at 4pm Friday 31 March at the Hunter Shaw building. Waverley is also wanting to have a community meeting about the roaming and attacking dogs. We are hoping to organise this with STDC Dog Control Officers in the next few days. (update – Waverley meeting is now 4.30pm, Thursday 23 March at the Waverley Community Centre)

Liam reported back on matters arising from the last meeting. The speed of traffic heading down to the Pātea Beach, condition of Beach Road and footpath, trees on Scotland Street, BMX Track at Waverley, accessibility of Waverley swimming pool. These matters are all being processed and hopefully will soon be resolved.

End of Open Forum.

Community Development Report from Ella Borrows: The Roadsafe young drivers weekend in New Plymouth went well. Two Pou are being designed and carved for the entraces to Waverley. Troughs from the Main Street will hopefully be gone in time for the Waverley School Jubilee on Taranaki Anniversary weekend (update – they went on Friday 10 March). A meeting was held at the Pātea Salt Marsh to plan for the restoration of the area a few weeks ago with Taranaki Regional Council, STDC, iwi. Rob and Jacq have asked to be told of the next meeting.

Libraryplus report from Cath Sheard: Radio Frequency Identification tags are being put on books in all libraries. Sarah Kennedy is leaving Waverley Library after 15 years there as a Librarian. Thank you for your service Sarah. Coffee, knitting groups are starting again after the long summer break in most Libraries, call in to find out more info if you want to join. Membership of our libraries stands at 43% of population.

Environmental Services report from Liam Dagg: showed the current situation of building consents, subdivisions, and roaming dogs/stock across the district. Two letters were sent to suspect offenders for illegal dumping of rubbish – something the Council is constantly cleaning up. There were 10 abandoned cars in January that the Council had to remove. Dog attack in Pātea on young boy in February 2022 is still going through the courts. Two dogs involved.

Full minutes of this and all Council meetings can be found on the South Taranaki District Council Website, under the heading 'Our Council' then go to 'Mayor & Elected members' then 'Community Board - Pātea'. Or view them at Pātea or Waverley Library Plus

Your Community Board Members are: Jacq Dwyer (Chair) Cheryl Rook (Deputy Chair), Owen Savage, Bronwyn Wattruss, Robert Northcott (Pātea Councillor)

The meeting times & venues for this year are :
Monday 17 April, 4pm, Waverley Community Centre
Monday 29 May, 4pm, Wai o Turi Marae, Whenuakura
Monday 10 July, 4pm, Hunter Shaw Building, Pātea
Monday 21 August, 4pm, Waitōtara Hall, 12 Kaipo Street, Waitōtara
Monday 13 November, 4pm, Hunter Shaw Building, Pātea

Bronwyn Wattruss at Pariroa Pā on the day she was sworn on to the Pātea Community Board, with Mayor Phil Nixon and Deputy Mayor Robert Northcott.

South Taranaki Neighbourhood Support Community Family Fun Day

In February 2023 South Taranaki Neighbourhood Support held their annual Community Family Fun Day at the Hub in Hawera.

This day was an occasion for the residents of South Taranaki to gather, enjoy fun activities, upskill themselves with safety (fire, security and first aid). With over thirty stalls there was a huge selection of crafts to buy for the home, garden, or personal use; food stalls to satisfy hunger and displays performed by Neighbourhood Support's partner organisations - St John, Fire and Emergency NZ and the NZ Police with a police dog and handler.

A children's Scavenger Hunt was held, and a feature of the day was the Adult Team Challenge which involved teams of 6 competing against each other, performing tasks to earn points. Prizes were awarded to correct Scavenger Hunt entries and the adult team with the highest points, Hawera Police team this year.

We are grateful to Universal Motors of Patea whose generous donation to Neighbourhood Support helped purchase prizes.

Thank you, Joe and Debra.

Patea Masters Rugby League

On March 12th 2023 over the Taranaki Anniversary weekend the Patea Masters Rugby League conducted a team bonding fundraising campaign.

The event was to support the game in the local community to allow the opportunity for non-competitive local players aged 35 and over to continue their involvement in a safe and enjoyable way.

The Masters Games are played under modified rules to ensure players can compete in a safe environment and showcase their skills and abilities on the field without the risk of serious injury.

The object is to enjoy the game but still be able to get out of bed the next morning and go to work.

The event was in support of the Patea Masters Rugby League team who will be taking part in two rugby league masters tournaments based in the Wellington Region.

One event in May 2023 at Otaki Domain, the other event is in Porirua/Petone in July 2023.

Special guest musicians, TJ Stevens-Kameta and Huri Paraha, who are two well known Māori musicians, both descended from the Bay of Plenty Region have harken their sounds back to the old school.

With their trademark harmonies, Huri's stellar vocals and TJ's lead guitar skills and production chops, these two had everyone singing at the top of their lungs with their covers.

They have plans to release their own original music sometime in the near future.

Overall, the reviews from those that attended the concert were absolutely fantastic, the management witnessed people getting up to dance and really got the party going. It was lovely to see the Kakaramea dance floor raging throughout.

A lot of the guests commented how much they enjoyed the boys who played a wide range of music, from modern to classic hits. They made sure our guests had a great night.

Big thanks also to Marcia Broughton for doing a last minute T-shirt design for TJ and Huri and the ringawera (cooks).

Thank you for your mahi (work) in the kitchen.

BUSINESSES THE PATEA MASTERS WOULD LIKE TO THANK

Waverley Croquet Club

Not too much has been happening during March as most Club competitions have been played, we are still getting through a few singles games with most members a good way through their games. At the end of January, the RSA Doubles were held. Results were: 1st Alan Macdonald and Helen Fairweather, 2nd Gabrielle McCullum and Trish Adams, 3rd Chris How and Christine Robertson. Well done and congratulations. Many thanks to the RSA Club for their sponsorship for this event. Easter is rapidly approaching and the Club is running an Easter Raffle again this year, it is a chocolate lover's delight. Tickets are available now from any Club member or from one of the contacts below. This will be drawn close to Easter or once full.

On Tuesday the 21st of March we were to visit Tasman Club in New Plymouth but this was postponed for the second time due to bad weather, hopefully it will be third time lucky when it is rescheduled. On the 29th Inglewood Club is to visit us. This will be a fun day but more on this next month. There are no up and coming events for April just the Easter Raffle so watch out for that. Results will be in next month's newsletter.

On behalf of the Waverley Croquet Club I would like to thank Cath and Tony for their many years of dedication to the Patea and Waverley Press. It has always been a pleasure to read and to keep our members and the community up to date with what has been happening. We wish you both all the best for your future endeavours. Thank you very much.

We would also like to wish Janene all the very best as she steps into a new adventure.

Waverley-Waitotara Sheep Dog Trial Club

The Waverley-Waitotara Sheep Dog Trial Club held its 107th annual trial at 270 Kohi Road, Waverley on Friday 24th & Saturday 25th February 2023. There were 81 dog trialists with 185 dogs competing and 321 runs over the four classes.

Our Club gives many thanks to the property owners Danny McGee and Sutton Waugh, Leith and Margaret Harrop. Also, to Willie and Simone Symes who supplied the sheep for the three days, which were trucked in by Payne Transport.

A big thanks also goes to Can-Am Marine Services for providing the side-by-side for the weekend. It was invaluable for getting lunches and smokos out to liberators and judges.

We thank the ladies in the kitchen for their superb catering. Also, thanks to Silver Fern Farms and ANZCO for donating and supplying the meat.

Dog Trials are so dependent on the many volunteer workers, often not even competing trialists, who pitch in and give their time unstintingly to set up courses, work sheep, liberate sheep and organise sponsors. The land and sheep owners are at the top of the list allowing people, dogs, bikes, and all manner of things on their properties for three or four days a year. Our sport can never even acknowledge them enough.

2023 TRIAL RESULTS

CLASS ONE – Long Head (78 runs)
Judge: Paul Martin from Stratford

	COMPETITOR/DOG		POINTS
OPEN			
1st	Brian Burke, Wanganui	Stone	96.5
2nd	Graeme Ryder, Hawkes Bay	Jaco	96

1st	Rachel Law, Taumarunui	Jerry	94
2nd	Gavin Martin, Hunterville	Chief	91
3rd	Brian Burke, Wanganui	Nero	89

For the uninitiated the Longhead, or class one, is a head over 300 meters and a pull down to a ring where three sheep must be held stationary until the judge is satisfied.

CLASS TWO – Short Head and Yard
Judge: Donald Fannin (81 runs)

	COMPETITOR/DOG		POINTS
OPEN			
1st	Bernard Arends, Dannevirke	Birch	95

1st	Bernard Arends, Dannevirke	Birch	95
2nd	Ken Lobb, Whangamomona	Lizzy	92.5
3rd	Paul Martin, Stratford	Sweep	90

The Shorthead, or class two, is a bit more complicated with a head and pull down to a marked out quad area, drive to a hurdle, drive to a pen, which the sheep must be put in to complete the run.

All competitors must operate within set guidelines or rules, so every section is under penalty.

The time allowed on longheads can vary depending on length of course (12 to 15 minutes. Generally, shortheads are 15 minutes).

CLASS THREE – Zig Zag Hunt
Judge: Leighton Bellringer, Stratford (84 runs)

	COMPETITOR/DOG		POINTS

Taranaki Carriage Drivers

Taranaki Carriage Drivers held a very enjoyable weekend on 18/19th March, with a Graded Dressage competition on Saturday and a One Hour Challenge on Sunday.

This involves competitors driving a dressage test, followed immediately by a 6km cross country drive which includes six Marathon Obstacles which are driven as fast as possible without hitting anything.

After this is a drive through a Cone Course, which has a set time with penalties for going too slow and for knocking balls off the cones. This is all done within one hour, hence the name.

An event like this involves a lot of helpers and our group are very grateful to all the people who came from near and far to help and then join us for an extended lunch.

As there are three events, in April, held by other groups we are taking a break until our Winter Series, in July, August and September.

Turi Indoor Bowls

Friends and family

I am a member or the Turi Indoor Bowling Club. Our club nights are on Tuesday nights playing at the Patea Area School and we start our 2023 season with a roll up night on 7th March at 7.30 pm.

Give me a call/message if you want to come along.
Win Finlay 027 441 9835.Talk to me about indoor bowls.

It is easy to learn, hard to master and you'll find friends for life.

Want to give it a go?

It's one of the cheapest sports in New Zealand to play with all equipment provided so get the bowl rolling and join up today.

Our first three roll up nights have been played with very low playing numbers.

We want to keep our club in Patea going so we need some past players to re join the club or some brand new members to come along and join up. It is only three hours of your weekly time so come along get some exercise and join up on Tuesday night.

NZEPS Horse & Pony Show

As a goodly number of horse loving/riding people live in this area I would like to take the time to tell you about the NZ Equestrian Pleasure Society, which for those who are unaware is administrated by many amazing ladies who work wonders behind the scenes, one of which is your very own Lee-anne Morrison.

The NZEPS is all about getting people who would love to show a horse or pony at shows, but their horse does not meet the standards required, i.e. broken colour, wonky confirmation etc, so the NZEPS was formed.

The Society is presently organising a show to be held at the Wanganui Racecourse on Saturday 15th April to replace the Land Rover Horse of the Year which did not happen this year due to the devastating floods in the Hawkes Bay. This show will be the highlight of our showing year with not only ribbons for placings, champion and reserve champions but also rugs and garlands for the best of the best, it's going to be a big deal.

This is also running alongside of the Wanganui A&P's Tri Series of shows which start in March and continue through til the end of April, with their second show the day after on Sunday the 16th , including special prizes for those Pleasure riders that compete at both shows over the two days.

If you don't already know about the NZEPS come along to the Wanganui Racecourse on either the 15th or 16th and have a look, or better still enter one of the many rings that will be available on both days, these include showing, pleasure and a ring for leisure riders also.

Happy riding everyone.
