Patea Historical Society host a tour of the town

The Whanganui Summer programme came to Patea on Monday 17 January for an action-packed day in the sunshine. We started with a slide show 'A walk through Egmont St through the years' at the Hunter Shaw building, then actually walked Egmont St as it is today, stopping to talk to locals as we did.

We had lunch at the Patea Old Folks Hall, looked through Aotea Utanganui Museum, then down to the beach, through Mana Bay and over to the wreck of the SS Waitangi. We finished by doing the Patea River Walk. Another trip full of discovery and historical information from our area.

A Christian Word

Psalm 103 v 8-14. The lord is compassionate and gracious, long-suffering and forever constant; He will not always be our accuser or nurse His anger for all time. He has not treated us as our sins deserve or requited us for our misdeeds. For as the Heaven stands high above the earth, so His strong love stands high over all who fear Him.

For as east is from the West, so far has He put our offences away from us. As a father has compassion on his children, so has the Lord compassion on all who fear Him. For He knows how we were made, He knows full well we are dust.

This Psalm is wonderful! It not only shows how gracious God is toward us, He has not treated us as our sins deserve!! Praise God for that alone. His love for all He created; you, me and all the rest of the world – everybody – regardless.

That is God's shining glory, His love for you, even as a sinner! This is the gracious character of God Almighty, He loves you. Yes, you have sinned, but God is showing you here that it can all be wiped away – forgiven, as far as the west is from the west! But you need to read and understand the "small pint" if you like – His compassion towards you extends to those who fear Him. He cannot forgive you for your sins unless you repent, turn away from them and mean business! No game playing here, this is too serious for you to even mock God. Time is definitely running out for all mankind and the urgency of the hour us upon us all. Don't be like the people in Noah's day, partying and carousing and deliberately ignoring the hour swiftly coming and all but 8 people were saved! God is going to judge the world through His Son Jesus Christ, everyone will be there. If you have not received God's forgiveness for your sins then you will realise, be it late, that you should have taken God much more seriously. You have to be certain that Jesus Christ is your personal Lord and Savior, don't treat this as nonsense, because God is giving you this short time to understand and respond.

Come Lord Jesus
Ted Reeves, Patea

Waverley Summer Jam

It is with extreme regret that we announce the cancellation of the 2022 Waverley Summer Jam due to the nationwide change in traffic light status to Red. Under new government safety protocols announced last month, the Waverley Summer Jam could only be held under an Orange or Green traffic light status for the region.

We're deeply disappointed that the Summer Jam can no longer go ahead as planned, but our number one priority is for the safety and wellbeing of our attendees, musicians, and volunteers. So much work has gone into the planning of what we had hoped would be a great community event and we'd like to thank all our sponsors and supporters who have helped create this special event. We hope to be back bigger and better than ever in December for Christmas 2022. We will keep everyone posted.

Waverley Croquet Club

The second half of the season kicked off on the 6th January with a good attendance considering it was still the festive season. All were happy to be back on the greens. Despite January being really hot we have managed to cope, but for once the breeze has always been extremely welcome.

The Club has had a couple of working bees during December and January, many thanks to those who had turned up equipped with rakes and shovels. With a good turn out of helpers it makes the job much easier and quicker. December had a few events with Inglewood Club joining us for a really fun day. Everyone enjoyed the company and the scrumptious morning and afternoon tea as well as lunch provided by Club members.

Our Club Doubles were played with the results being, winners: Jacqui Boon and Sally Newland and runners-up: Alan MacDonald and Colleen Hayman. Well done.

During January there were 8 Jumpshots and 13 Hole in Ones. It is always a delight to anyone who has accomplished one or on some days two.

Upcoming Events:

Sat 29th January: RSA Doubles 9.30 for 10am start bring your own lunch.

Weds 2nd & Sat 5th February: Club Singles, we have alot to get through so are setting these Club dates to achieve this.

Weds 16th February: Wanganui Club will be joining us, 1pm start could members bring a plate for afternoon tea.

Sat 19th and Weds 23rd February: Club Singles to continue, but games can be fitted in whenever possible.

Weds 9th March: Tasman Club are to join us, members will be notified about this closer to time.

Club contacts: Chris How 346 5420, Alan Macdonald 027 677 9761, Colleen Hayman 346 5799, Jacqui Davidson 021 764 373.

21st Roger Rei Memorial Tournament

Can we all stand please for a silent minute of respect for Joseph Gerard Bourke, Joe, Doc, who passed away on the 14.01.2022. Doc has been a generous sponsor of the Patea Golf Club for 37 years.

Welcome - Patron, Janice Huston, Rei Family, Life Members, Eagles.

Thank you to the Green Keeper Warren Sanson and Course Convenor Gerald Rutton. Nick Williams for manicuring the course, even with his own lawn mower. Barbara Hill for mowing all the tee blocks, green surrounds and car park. (Hours and hours of work) Not bad for a 70+ young women.

Kath Honeyfield for the gardens and keeping the course toilet hygienic. Robert and Bruno Bourke and grandsons for tidying the golf course of all rubbish. Stephen Honeyfield for the bar and all the refreshments. Gareth Hughes and Kath Honeyfield for organising the food for today.

To all the ladies who have made the salads today, most are donated. We had beetroot, pasta, lettuce, carrot, potato and cauliflower. We are well known for our lovely home cooked food. Gerald Davidson for water blasting the club house. Someone will do all the recycling tomorrow.

Jeff Bright for all the financials. Ray Finlay for all his work on organising the tournament, the prizes and the many phone calls. To the starters Ata Nui and Laurie Hackett. Collecting the entries and vaccine passes Elise Bright and Barb Hill. Gareth Hughes and Ev Gibbs for entering all the cards.

Jimmy Fairweather for the raffles. Alex Hermand, Dunna Mauera and Jimmy Fairweather for the barbequing, great steaks.

As President, I'd like to acknowledge the effort and commitment of the members who work tireless to run a well organised tournament. Thank you for all your efforts they are much appreciated. All this work is volunteered.

Congratulations to Sam Jones who beat the course record with a Gross 62, 11 under, sponsored by Hawera Auto Court, Sue Goble, $250.

Patea's Greatest Golfer; Roger Rei. Born in New Plymouth 1st June 1934, one of 14 children. Roger and his wife Pauline raised a family of eight children, all of whom excelled at sport. Roger turned to golf in 1963, aged 29. Reduced to a scratch handicap in 1971, aged 37.

As an uncle to Michael Campbell, Roger started Michael's interest in golf. Roger won the Patea Senior Men's Club Championship title 24 times from 1966 to 2000 the last time at 66.

Won the Waimate Plains Championship in 1970, 1974, 1982, and 1995. Won the South Taranaki Match Play Championship in 1969, 1971 and 1973. Selected in Taranaki Masters team from 1986 to 1995, a nine-year period.

Made a life member of Patea Golf Club in 1995 at 61 years old. Elected a member of the Taranaki Eagles Society in 1995.

Won the masters section at the New Zealand Maori Golf Tournament held at the North Shore in 1997 at 63. Roger won a Silver Medal at the World Masters Games in Portland, Oregan, USA in 1998 at 64. For the last 18 years of his golfing career Roger played off a 4 handicap.

Roger Rei died at his home in Whenuakura on the 28th March 2001 at 67 years old.

The sponsors of the Roger Rei Memorial Tournament are the following

Joe 'Doc' Bourke
1961-2022

Joe left us on Friday 14 January. He was one of the longest serving businessmen in Patea and was so passionate about what he did to serve his community.

Son of the late Connie and Mick Bourke, brother of Robert, Michelle & Jim. Loved partner of 36 years to Deb.

From an early age Joe had a passion for all things mechanical. By the time he was a teenager, his friends and neighbours recognised his uncanny ability to fix all manner of things and would drop machinery etc off to be repaired. The nick name 'Doc' was soon coined. Around 1985 Joe bought Universal Motors on Dorset Street, Patea, and has run it like a well-oiled machine ever since.

In 1988 he joined the Patea Volunteer Fire Brigade and served for 17 years, rising to the rank of Deputy Chief Fire Officer. He was a driving force to restore the 1944 V8 Patea Fire Truck, which is now a treasured asset of the Patea Brigade. It took Joe on his 'last call' on the day of his funeral at the Bourke Family farm at Whenuakura on 18 January. In 2004 he was made a life member. His affiliation with the Brigade remained strong right to the end.

Joe, with the constant help of Deb was a big part of the Patea Bowling Club. He was a hard working and well respected President of the Club. Retaining and enhancing its current status as a well run, tidy green with a well stocked bar.

Patea Historical Society committee will also miss the company and knowledge of their dear friend and fellow committee member Joe. He had a strong understanding and pride of his family history and helped write the Bourke Family story for a book about Alton that will be available soon. His great grandfather Patrick Bourke arrived in Patea in the early 1870s from

Ireland, via the gold fields of Victoria and Central Otago. Settling on land at Whenuakura, bought with earnings from almost 20 years of goldmining. He later bought 300 acres at Alton.

Joe and Deb were at a film night at Jim Bakers just before Christmas. One of the films was of footage from when Harry Baker owned Universal Motors in the 1940's. It showed mechanics working on old cars and Joe was delighted to see that the garage today still looks a lot like it did back then. As the movie camera zoomed in on the car engines, Joe could tell us exactly what kind of motor it was and what years it was made!!

Joe kept a lot of vehicles going over the years, made lifelong friends with so many of us, and will leave a big gap in the landscape of our town. Rest in Peace Joe, you will not be forgotten.

Kakaramea School - 'Together We Achieve'

In Term 4 we had a wonderful end to the 2021 school year. We were fortunate enough to be able to hold many of our celebrations and see our Year 6 Leavers off in true Kakaramea style. Here are a few highlights of the last few days of the 2021 school year.

Our Year 6 Leavers, the Class of 2021. As Kakaramea School and Community we would like to wish our Year 6 Leavers all the very best for their next learning journey. We thank them for their outstanding contribution to our school during their time here. We look forward to hearing of their stories and tales of adventure and of course their many future successes in the near future. We are very proud of them all. Remember to fly that Kakaramea Flag high!

2021 End of Year Prize giving Family Cup Recipients

Werder Family Cup – Cultural and Arts Cup – Poppy Gibb and Hollie Fowler
Northcott Family Cup – Sportsperson Cup – Lexus Napflin
Huston Family Cup – Diligence Cup – Irene Zhang
Cole Family Cup – Dux – Zion Lawrence
Dwyer Family Cup for Leadership – Ruby Murdoch
Schrider Family Junior Citizenship Cup – Daisy Fowler and Amelia Gibb
Principal's Senior Citizenship Cup – Haelan Halatau

Congratulations to all recipients once again. Well done to you all.

Recently we held our Annual Year 6 Leavers Dinner to celebrate our amazing graduates at the Kakaramea Hotel. A wonderful night was had by all and very well supported by their close whanau. A very special time to reflect, celebrate and recognise all they have contributed to Kakaramea School. Thank you for making Kakaramea School such a special place to be!

In the last week of school we held our WAKA Way rewards day for the school. We had a brilliant day out starting with a visit to Ashley Park Reserve on the way and an afternoon in the pool at Splash Planet. Fun in the sun had by everyone!

Our Kakaramea School Elves spreading some Christmas cheer for those less fortunate at Christmas time. Thank you to the generous contribution of our school community we were able to gift these presents to children and their families supported by the Salvation Army. These gifts were well received. Kindness goes a long way!

Huge congratulations to all of our 2021 Learner Pathway 'Summit' Receipts. You worked so hard during a very challenging year both inside and outside the classroom and reflected the WAKA Way. Congratulations on achieving your 'Summit' badges. Well done to all of you!

Maxwell and Districts Kindergaten

Happy New Year everyone, we are looking forward to a fantastic year of learning! It has been lovely to welcome our tamariki and whānau back to kindergarten after the Christmas break; the children spent the first few weeks back reconnecting with friends and building relationships, as well as enjoying water and sand play in the shade during the hot days. We were happy to see that our vegetable garden had flourished over the break, and we have been picking cherry tomatoes, strawberries, spinach, and peas for the tamariki to enjoy. It is so rewarding for them to see (and taste!) the end product of the gardening process, from planting, watering and weeding to sharing healthy kai. Yum! Kaitiakitanga, taking care of our environment, is an important part of kindergarten life and gardening is one of the ways we encourage the children to take part in caring for our place.

This year we welcome Megan to our permanent teaching team, Megan has been a long-term reliever since July last year, so she knows the children and whānau well – we are excited to have her as a permanent part of the team! In March, Annie and Megan will be joined by Andrea, who will be the other permanent member of our team. We warmly welcome Andrea to the kindergarten and community.

Our kindergarten session runs each day Monday to Friday from 8.45-2.45. We offer 20 hours free to all children from two years of age. If you are looking for Early Childhood Education for your child, give us a call on 021 377 848 or email maxwell@wmkindergartens.org.nz

Roger Rei Memorial Prize List 2022

A good field of 124 players participated in the 21st Annual Roger Rei Memorial Open golf tournament played on a well-groomed Patea Golf links on Saturday 22nd January 2022. The recent dry weather had burnt off some fairways and areas of rough so there was plenty of run on the course. Players travelled to the tournament from as far north as Raglan and as far south as Wellington. Weather conditions were perfect and many very good scores were recorded.

Highlight of the day was the breaking of the old course record of 66 by Sam Jones the current New Zealand amateur champion. He scored a one over par on the first hole and then went on a birdie blitz scoring seven birdies in the next eight holes to record 30 for the first nine. The second nine he recorded three birdies and an eagle for a back nine of 32 so his round of 62 was eleven shots under par a great round of golf. Well done Sam. Celeste McLean scored a par round of 73 only one over the ladies course record of 72. Thanks to the generosity of sponsors the golf prize table was valued at over $5000-00 and players had 15 chances to draw a prize in the main raffle. Four accuracy prizes could also be won. Te Mahana Trust Chairman's Report 2021

It gives me great pleasure to present my report for 2021, as another Covid affected year rolls by. It is pleasing to note that so far Patea and South Taranaki remain Covid free, how long it stays that way is anyone's guess. It is reassuring to know management and staff of Te Mahana Ltd have protocols in place to keep our vulnerable people in the community safe.

On behalf of the Trust, I want to thank them all for their efforts; a special mention to Toni Phillips, we know it has been a trying year for you. There may be turbulent times ahead so it is important we all work together to ensure we keep everyone as safe as we can. Although it has been a topsy turvy year the Trust has certainly haven't been sitting on our hands. The refurbishment and new kitchen in Flats 1 and 3 look fantastic and bring a whole new functionality to the units. My heartfelt thanks goes out to all the Trust members who had a considerable hands on roll to see these projects to completion. Well done, you should all be chuffed with yourselves.

The Trust finances remain healthy thanks to the good decisions made by the Trust over the year. We've come kicking and screaming into the digital age, which leaves us in a good position moving forward.

I would sincerely like to thank all the Trust members for giving up their valuable time over the last year. Many of us have been around a year or two, and I am sure sometimes we all think it can be a bit of a drag but I can assure you we are doing a valuable service to the community which I am sure is appreciated, and you should all be proud of what we have achieved year in and year out. Merry Christmas and a prosperous New Year.

Robert Northcott, Chairman

TRUE TEAM PROMISE

South Taranaki

Why choose this team?

Steven and Jared are setting the bench mark - They bring together experience in over 500 property transactions. It is a "two for one" deal with two salespeople working together to find you the best buyer, and always make time to meet you and discuss matters in a timely fashion. Steven and Jared both believe in next level marketing and service, which is why they get repeat business in this lovely part of Property Brokers country.

Philosophy - As "brothers in real estate", Steven and Jared believe the industry should have a culture of caring, beyond just that of selling. They know events can happen unexpectedly during the sales process, so believe in being available during all 24 hours of a day and seven days a week to address them. Being firm but fair in all actions, they will put more resources into your marketing campaign, backed with industry leading suppliers, to provide a level of service which is tailor-made for you.

Steven Schwamm, AREINZ, National Diploma in Real Estate (Agent), National Certificate in Real Estate (Branch Manager) - With over ten years experience in the real estate industry, Steven joined Property Brokers in 2011 as the company's youngest sales consultant and immediately made his mark – winning the Young Professionals in Real Estate NZ Rising Star award and Property Brokers coveted Residential Rookie of the Year 2012. Well qualified with his real estate Diploma and Branch Manager's Certificate, he is also the youngest licensee in Property Brokers country to hold an Agency license and is also an Associate of the Real Estate Institute NZ (AREINZ).

Jared Smith, BA, GradDip - Known around Waverley for the rugby and racing coverage when he was Sports Editor of the Whanganui Chronicle, Jared is a dedicated professional who has met and worked with locals and stakeholders alike of all backgrounds. Astute with meeting deadlines and listening to what you need, Jared values accuracy and clear understanding of the process of selling real estate, and the need to reassure clients that their best interests are paramount. Raised in Nelson and getting university qualifications in Christchurch and Wellington, Jared became a seasoned worker through his journalism and editing roles. Always more comfortable in the rural towns without the traffic jams and having opportunities to make his own mark, Jared loves the appeal of provincial living and getting into the community.

Steven's and Jared's easy-going nature and positivity fits perfectly in the team environment, such as this new partnership for South Taranaki. Together they have achieved outstanding results for their clients because they cover all the angles and are determined to reassure people that their interests are safeguarded. This is reflected in their market commentary, strategies, attention to detail, and tailormade communication based on the needs of each client. Steven and Jared can get the top market dollar for your property by finding the right buyer from any corner of the country and beyond.

South Taranaki, do you think your new rateable value is accurate?

Contact the team that is ready to do the hard yards in your back yard for their opinion on market value!

Whenuakura School
'Growing Personal Excellence'

Welcome to the 2022 school year! We look forward to welcoming all students back on Tuesday 8th February and hearing about their summer holidays.

Renovations are well underway in the Teina Nest and it is looking fantastic. Teina Nest learners are going to have a wonderful learning space. They will begin the year learning in Waenganui Den until the renovations are complete. A small amount of work will be completed in Tuakana Hive once Teina Nest is complete so we will all be having a move of some sort throughout term one.

Please find below some important dates to remember. With the Government change to the Red Traffic Light setting we continue to face uncertainty around events such as swimming sports, cricket tournaments, touch tournaments and many more. We will keep you updated via our Facebook page, Seesaw and our newsletter as up to date information comes to hand.

1st Feb	Working bee and fundraising meeting, from 9am
3rd Feb	Teacher only day
4th Feb	Teacher only day
7th Feb	Waitangi Day observed - school closed
8th Feb	All students return to school
23rd Feb	Swimsafe Skills
24th Feb	Whenuakura Way learning conversations
14th March	Taranaki Anniversary
14 April	Last day of term

As well as planning for the new academic year teachers have been busy planning for our Whenuakura Way Learning Conversations. Home-school partnerships involve collaborative working relationships between families and schools. These conversations are an opportunity to build on this partnership by discussing student interests, goals, progress and next steps of the learning journey. More details to follow when all students return to school.

Pātea Community Board Meeting

Notes from the meeting on Wednesday 26 January 2022 4pm, provided by the Board members. The first meeting for the year was held at the Ngamatapouri Hall. Present were: Pātea Community Board members; Jacq, Jo, Maria (via video link), Rob Northcott (Pātea Ward Councillor), Phil Nixon (Mayor), Janine Maruera (Community Development Officer), Sara Dymond (PA), Liam Dagg (Group Manager Environmental Services). And three locals. Apologies from: Dianne Lance.

Open Forum:

David gave us an update on the Nukumaru Station Road, it is all progressing well. There are also a lot less roaming cattle on the Ngamatapouri roads. Scott gave us an update on what hasbeen happening in the Ngamatapouri area. Beehives are thick in the hills for the summer. Logging trucks are busy on the roads again. Pot holes are everywhere on the roads, Council staff were going to photograph some on the way home to report to engineering dept.

Robert spoke about the sewerage discharge that went into the Patea River with the heavy rain between Christmas and New Year. The camp ground and beach was full of visitors. Signs were put up warning of pollution. Council need to ensure this isn't repeated, the pump isn't able to keep up. He also reported that its been over 2 years since a Seismic survey was ordered on the Patea Break Water and this still hasn't happened. The walls are both in very bad condition now and need urgent attention. Motor bikes and 4 wheelers are using the Patea River Walkway, this can be dangerous if they drive too fast and come across someone walking.

Jacq asked if the Patea Pools will continue to remain open throughout the red traffic light system. The answer was yes. The pools have been very busy and keeping local kids well occupied. Dean Martin is doing a great job of teaching local kids to surf at the Patea Beach. Dean and Ricki Hapi (Surf Club treasurer) held an open evening at the Surf Club on 7 January. Rob and Jacq went along.

Michael Clarkson from Patea Community Patrol was unable to get a report in for this months meeting. But there have been incidents of graffiti on walls and one of Lutha Ashford's mural, and several cars have been broken into. The Patea Rugby Club storage rooms under the grandstand were also broken into and vandalised just before Christmas.

End of Open Forum

Liam's report outlined the large number of new housing consents sort – 25 for Dec/Jan. Sub-divisions are strong in the Hawera/Opunake district. There have been fewer dog attacks, but just as many roaming dogs. Streetside compost collections may soon become a reality in Hawera.

Full minutes of this and all Council meetings can be found on the South Taranaki District Council Website, under the heading 'Our Council' then go to 'Mayor & Elected members' then 'Community Board - Pātea'. Or view them at Pātea or Waverley Library Plus.

Your Community Board Members are: Jacq Dwyer (Chair) Dianne Lance (Deputy Chair), Jo Peacock, Maria Ferris, Robert Northcott (Pātea Councillor).

The meeting times & venues for this year are:

Wednesday 2 March, 4pm	Hunter Shaw Building, Pātea
Wednesday 26 January, 4pm	Ngamatapouri Hall, Waitōtara Valley Rd, Ngamatapouri
Wednesday 13 April, 4pm	Kakaramea Hall
Wednesday 25 May, 4pm	Waverley Community Centre
Wednesday 6 July, 4pm	Hunter Shaw Building, Pātea
Wednesday 17 August, 4pm	Waitōtara Hall, 12 Kaipo Street, Waitōtara
Wednesday 9 November, 4pm	Hunter Shaw Building, Pātea

Taranaki Maunga

TARANAKI VOLCANO

Introduction to our local volcano and answers to some important questions

Taranaki maunga

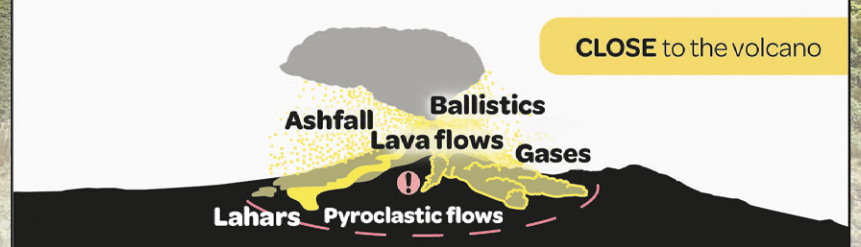
Taranaki maunga shapes our weather patterns, provides fertile soils, mineral deposits and supports rich animal and plant life.

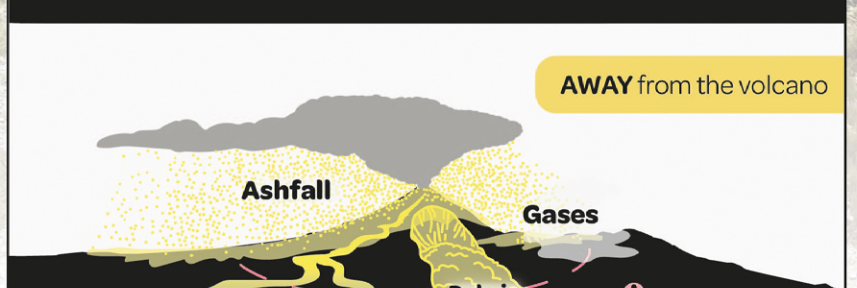
It is a source of language, culture and identity for all who live here.

For iwi of Taranaki, the maunga is a personified ancestor.

Volcanic processes

Different volcanic processes can affect areas **close to** and **far away** from Taranaki Maunga.





See the other pages in the series for more information on each process

Frequently asked questions

1 Is the volcano overdue for an eruption?

Taranaki Maunga last erupted in 1790 and will erupt again. Scientists have worked out there is a **50% chance** of an eruption within the **next 50 years**.

2 How will we know if an eruption is going to happen?

Earthquakes, **changing shape** and **gases** all help tell scientists if new magma is moving to the surface and if an eruption is possible.

3 Where can eruptions occur?

Past eruptions have come from both **Taranaki's summit** and **Panitahi/ Fanthams Peak**, and occur more often from the summit of Taranaki Maunga.

4 How will an eruption affect my family?

Impacts will be different depending on where you live and work. Future eruptions are expected to be of a scale and type that we can adapt to.

5 Will I need to evacuate?

Some people and animals may be required to evacuate. Evacuations could be caused by the threat of lahars, pyroclastic flows or due to the disruption to roads, water and power supplies.

6 Are earthquakes connected to eruptions?

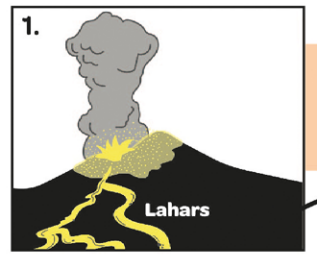
Not always. Taranaki experiences around 300 local earthquakes a year. However, if the volcano wakes up it may also generate some earthquake activity.

If an eruption occurs, risk is higher:

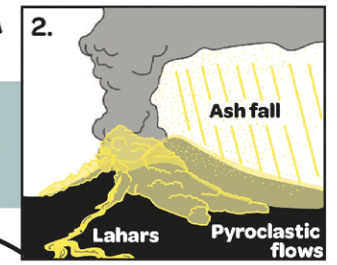
Taranaki Maunga has existed for over 140,000 years. It will continue to erupt, grow and collapse.

What could happen?

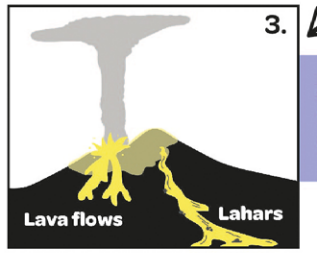
Here is **one scenario** that happened 2600 years ago, which could happen in the future:



1. After weeks of earthquakes, the first eruption happens sending ash into the sky and lahars down valleys.



2. Some time later, a larger eruption causing ashfall, pyroclastic flows and lahars occurs.



3. After a while, the eruptions have stopped, but lava flows and lahars will continue for weeks or months.

This scenario is based on a 0.3–0.5 km³ Panitahi/ Fanthams peak eruption (Cronin et al, 2021)

Impacts

These processes can damage and destroy buildings, roads, bridges, farmland, power and water supplies.

They can cause injuries, death and disrupt how we live and work.

During volcanic activity follow **official advice** provided by Taranaki Emergency Management, Department of Conservation and emergency services.
