February 2023 Circulating in Patea, Waverley, Waitotara and surrounding districts

Te Mahana Trust Chairman's Report 2022

Yet another year has rolled by. I'm sure these trips around the sun are going faster. It has been a fairly uneventful year for the Trust, just the usual outbreaks of covid and the occasional ageing infrastructure breakdown.

Maybe it seems uneventful to me because of the work our Trust committee members continue to do. All our efforts have been outstanding and I'm sure that our community appreciate all that we do in the governance space to keep these fine facilities that we have here running as we do.

We continue to have a good relationship with our lease holders Inez and Robyn, and I know they work extremely hard and are dedicated to making the lives of our residents as comfortable and as fulfilling as they can be. I thank them for their efforts.

The three flats are now modern and comfortable units, and we continue to improve them as time and budgets allow. They are fully tenanted, and I think are very desirable places to live.

Our finances are in good health and will remain so into the foreseeable future due in no small part to the prudency of the current committee.

It is with sadness that long term Trust member Toni Phillips has decided to resign from the Trust. Toni has been an extremely valued member and has put many years of dedication to Te Mahana and the community of Patea. We wish her well and hope she enjoys a well-earned rest but is welcome to check up on us any time.

I would like to thank the Trust members for all the hard work and effort you have put in over the last year; without the likes of you our town wouldn't be the same. I wish you all a very Merry Christmas and a safe and prosperous New Year.

We continue to struggle for Trust members. If you are interested in serving your community, please contact any of the Trust members below. It won't take up too much time and feels good to be able to help your community and the town we live in.

Chairman: Robert Northcott
Vice Chairperson: Nicky Gray
Treasurer: Margaret Kiff
Secretary: Patsy Hooper
Trust members: Kay Wallace, David Collins

Patea Waverley Garden Club

Hello Garden Lovers! What unpredictable weather we have had – period of wet and now the big dry spell and some of us want rain once more!

I have spoken with Damian and Jane Roper whose property is at 59 Petch Road, Alton and they are looking forward to us visiting their property in February (two years after we had originally planned the visit before COVID struck). That being the case, please put THURSDAY 16th FEBRUARY 2023 in your diaries!!

For Waverley people interested I suggest we meet outside the GAS Service Station at 6pm. For Patea people I suggest you meet opposite the Canoe at 6.15pm. Once we have gathered at each location we can car pool. Anyone wanting to travel up to Alton but not wanting to take their vehicle, can hop in with one of us who is.

Damian and Jane have suggested we have a cuppa whilst there so if each of us could bring a small plate of goodies to eat for supper, the rest will be provided. Please each bring $2 to cover any expenses incurred.

Don't wear your stiletto's ladies, I suggest we all wear walking shoes as we will be looking through their nursery and walking over their board walk area.

If you are keen to join us or have questions about our next adventure, please contact any of the people below and we will assist.

Margaret Prince (Waverley) 027 681 9991 or 06 346 6008
Cheryl Rook (Waiinu Beach - Waitotara) 027 537 5560
Trish Southcombe (Patea) 021 144 7905 or 06 273 8437

The time has come

The Patea & Waverley Press has existed, in various forms, for longer than any of us has been around. When Tony and I took over from Howard Anderson in the mid-1990s, none of us could have imagined the changes that were coming.

There have been technical changes, which mean we now put the paper together in digital form instead of the newspaper production staff doing it. There have been changes in society, which mean there are fewer and fewer local clubs, and consequently less local news. We're faced with increasing production and delivery costs at a time when businesses are stretched, so I don't feel it's reasonable to pass those costs on, which puts the paper at risk of losing money.

Of course there's been a lot of change for Tony and me, so instead of the paper being something we do, it's now something I do – which means fitting it around work, visiting Tony at Trinity and my art. I've always been passionate about the paper, loved the connection with people and reading their stories. Increasingly, it has become something I worry about.

I've considered looking for someone to take it over but, in the end, realised I was delaying the inevitable and possibly setting someone else up to fail, which would not be fair.

What am I saying? All good things come to an end and the time has come. The April 2023 Patea & Waverley Press will be the last issue; I hope local businesses, schools and clubs will continue to support the paper for the final two issues.

Cath Sheard, Editor

Award winning flying skills

Waverley's Ryan Morrison started flying shortly before his 13th birthday, joining the Wanganui Aero Club. Ryan has taken part in club competitions over the past year and represented the club at the regional competition in Masterton where he came 2nd. He received a number of awards at the recent Club prize giving.

Ryan's Grandfather Milton was a keen flyer but, unfortunately, he passed away days after Ryan was born, so it was extra special that one of the trophies Ryan received was first awarded in 1951 to his grandfather.

Ryan, now 14, hopes to become a qualified pilot in the future.

A Christian Word

With all the happenings around the world, like the Ukraine war, by Russia, plus the rattling of sabers with Israel & Iran, China v Taiwan, Korea. It's somewhat difficult to get our heads around it all, mostly because we are so far away from it! Perhaps a good thing, because I think a lot of people are really against another world war & would rather have peace, naturally of course! I notice also that it's not a war based on protecting their own countries, it looks like greed, what someone else has and they want it, technically it's not theirs to take, but because their military muscle is bigger…. Who is going to stop them? Man has got an unsatiable appetite for being better than others by whatever means it takes.

When Jesus was here upon this Earth, a conquering nation had yet again over-run Israel's sovereignty, as also had Iraq & Assyria, all those countries had invaded Israel & taken its inhabitants away captive for hundreds of years. Israel has probably been the most targeted country on Earth continuously for decades. But here is the greatest happening, even though God Almighty had allowed these wars against His people, the Jews, there was a purpose & victory that God was about to do, had done it before & will do it again. People are saying the end of this world is near & it certainly is heading that way, swiftly!!

Jesus told His disciples that there would be wars, rumors of wars, earthquakes, famine. These have never been uncommon to man. Jesus emphasized the need to keep our focus on Him & not what is going on about us, very hard for some, but for those of us who totally trust God to look after us, it is easier! The promises of God Almighty to protect us is far stronger than any nuclear weapon. How is that you may well think? Easy, a nuclear war or any common war will kill Christian, Jew, non-Jew/atheist, anyone! But here is where the protection kicks in, so to speak, we, we who totally trust God, will be kept safe for all eternity, our physical body will die, how? irrelevant, but God alone, only He, can save all who claim Jesus Christ as their Lord & Savior. We are all destined to die once & then the judgement, best to sort it all out today, take a moment to ask Jesus to forgive you of your sins & sincerely choose to follow & obey Him, after all, He is the way, the truth & the life!! Simple but true!! Just come as you are to Him today, you will never be "right" before God on your own understanding! But you will be protected through Jesus Christ as your personal Savior, for all Eternity!!

As a point of interest, Israel will never be beaten! & neither will you if Jesus Christ is your Lord & Saviour.

Come Lord Jesus - Ted Reeves, Patea

Jesus Christ said, "I am the Way, the Truth and the Life." There is Salvation in NO other name.

Local News

Bereavements

Sympathy is extended to the family and friends of Paul John Rebay, Wendy Elsie McGarva, Wilson Rangi Bernard Wirihana, Piki Parker and Lyall Charles Mayes.

Thank You

Cath, Sandra, and Tony's children would like to thank the staff at Te Mahana for the care and compassion they have shown Tony over the last 18 months. We'd also like to thank the Te Mahana Trust for providing such a great facility in our town. We are fortunate you choose to spend your personal time ensuring the home remains viable and in good condition. Tony needs a different level of care now and has settled well into Trinity in Hawera, but we will always remember Te Mahana fondly.

Cath and family

LibraryPlus Summer Blast

Congratulations to the children who participated in the annual Summer Blast programme at Patea and Waverley LibraryPlus. Staff loved seeing all your creations and hearing about the books you have been reading. Well done!

Patea Golf Club December 2022

Business House Golf

Eighteen teams have entered this competition. It is good to see some new players participating and a number of juniors are playing in the teams. So far we have had 3 nights and the players enjoy the freshly made burgers after the golf. Thanks to the firms for the sponsored nightly prizes. Business house golf restarts Thursday 26th January 2023.

Closed Xmas Hamper

Our closed Xmas hamper was played on the 17th December and light rain fell most of the day and the long rough made scoring difficult.

A delicious afternoon tea was enjoyed by all players but with the continuous rain the skinners competition was cancelled. An evening barbeque was served with many delicious salads and deserts. Thanks to Clayton for cooking the steaks. The annual presentation of trophies followed the evening barbeque.

Shootout number 2

The second shootout was scheduled for Sunday 18th but was postponed until Tuesday evening at 5.30pm. On the first hole a putt off was required between Neil Edgcombe and Nick Williams and after a close measure Nick was eliminated.Neil had the worst net score on the second hole and was eliminated. On the third hole a chip was required between Ray Finlay and Roger Edgecombe and Roger was eliminated. On the forth hole a putt off was required between Ray Cyril Faiers abd Dillon Pullen but this time Ray was eliminated.On the 5th hole a putt of was required between Dillon Steve Honeyfield and Robert Bourke and after a close measure Robert was eliminated. On the 6th hole a chip off was required between Steve and Cyril and Steve was eliminated. On the seventh hole Cyril missed his par saving putt and was eliminated. On the eight hole the final three players were Dillon Gerald Rutten and Jamie Close Adams. Dillon made par but was eliminated when Gerald scored a birdie and Jamie had a net birdie. On the final hole Jamie after a good drive put his second in the drain for a penalty shot and after a poor chip he conceded the win to Gerald. Well done Gerald on your first shootout victory.

Men's handicap pennant competition starts on 12th February and if you wish to play please put your names on the sheet provided

The summer matchplay competition will begin in Janaury with the first round to be played on or before 15th January.

Flying Nine will restart on Wednesday 4th January 2023 and the mystery hole will start at $152-00. Visitors and non golfers are welcome. Tee off from 4.30pm.

Patea Country & Variety Music

The Club has been operating for the last six months with great crowds attending each month. People travel from as far away as New Plymouth, Levin and Palmerston North. Sue and Boss Te Rangi are doing a great job running the Club. The Club is lucky to have a lovely venue, the Patea Maori Club Hall.

Some performers went to Hamilton in November for the Veteran's Awards and came home with trophies. Sue Te Rangi and Delia Carter were runner up in the duet. Michael Roycroft won a trophy for the highest points by a non-qualifier in the Western section and Kay Wallace the trophy for highest points non-qualifier overall.

The band was a guest as the Marton Country Music Festival, playing for two hours on the Friday night. The band will be playing at PaePae in the Park. We're hoping this year will be as good as last year.

Come along on the 4th Saturday of the month and join the entertainment and enjoy a lovely afternoon tea.

FREE Driver Training

Are you on your learner or restricted license? Do you need to build your confidence as a driver?

Book a 2-hour time slot (3 spots every 15 minutes) at our interactive event which includes 2 practical driving sessions (emergency braking and cornering). Cars will be supplied.

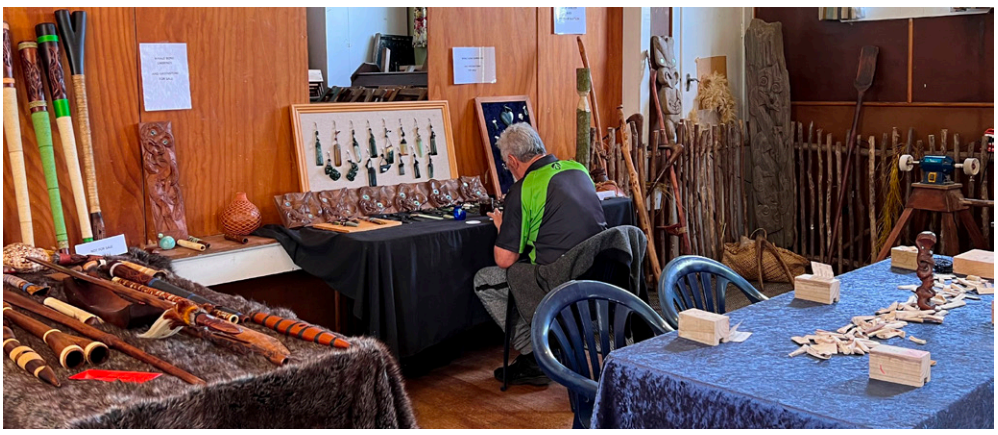
St George's Patea

In late 2022 an event was held at St George's church in Patea. The art exhibition in the church included paintings by Chester Borrows, a carving display and bone necklace carving workshop. Saturday evening showcased the Church acoustics hosting the Mason Brothers '50 years of nature' tour.



KEEP OUR WATERWAYS PEST FREE

WITH YOUR HELP WE CAN STOP FRESHWATER PESTS FROM SPREADING.

Follow these steps for everything that's been wet when you move between any waterway in New Zealand.

✓ CHECK

Check anything that has been in contact with the water. Remove any debris or plant matter.

✓ CLEAN

Soak or scrub your equipment, including both boat and trailer, with 10% detergent solution. Leave each item wet for 10 minutes.

✓ DRY

Completely dry items to the touch, both inside and out, and then leave for a further 48 hours minimum, ideally 7 days.

For more information, visit thisisus.nz/check-clean-dry or talk to Taranaki Regional Council.

Ko Tātou This Is Us

Taranaki Regional Council

Why do Patea and Waverley choose us?

Steven and Jared are setting the bench mark - They bring together experience in over 500 property transactions. It is a "two for one" deal with two salespeople working together to find you the best buyer, and always make time to meet you and discuss matters in a timely fashion. Steven and Jared both believe in next level marketing and service, which is why they get repeat business in this lovely part of Property Brokers country.

Philosophy - As "brothers in real estate", Steven and Jared believe the industry should have a culture of caring, beyond just that of selling. They know events can happen unexpectedly during the sales process, so believe in being available during all 24 hours of a day and seven days a week to address them. Being firm but fair in all actions, they will put more resources into your marketing campaign, backed with industry leading suppliers, to provide a level of service which is tailor-made for you.

Steven Schwamm, AREINZ, National Diploma in Real Estate (Agent), National Certificate in Real Estate (Branch Manager) - With over ten years experience in the real estate industry, Steven joined Property Brokers in 2011 as the company's youngest sales consultant and immediately made his mark – winning the Young Professionals in Real Estate NZ Rising Star award and Property Brokers coveted Residential Rookie of the Year 2012. Well qualified with his real estate Diploma and Branch Manager's Certificate, he is also the youngest licensee in Property Brokers country to hold an Agency license and is also an Associate of the Real Estate Institute NZ (AREINZ).

Jared Smith, BA, GradDip - Known around Waverley for the rugby and racing coverage when he was Sports Editor of the Whanganui Chronicle, Jared is a dedicated professional who has met and worked with locals and stakeholders alike of all backgrounds. Astute with meeting deadlines and listening to what you need, Jared values accuracy and clear understanding of the process of selling real estate, and the need to reassure clients that their best interests are paramount. Raised in Nelson and getting university qualifications in Christchurch and Wellington, Jared became a seasoned worker through his journalism and editing roles. Always more comfortable in the rural towns without the traffic jams and having opportunities to make his own mark, Jared loves the appeal of provincial living and getting into the community.

Track record - Together, Steven and Jared achieve outstanding results for their clients because they cover all the angles and are determined to reassure people that their interests are safeguarded. This is reflected in their market commentary, strategies, attention to detail, and tailormade communication based on the needs of each client. Steven and Jared continue to get the top market dollar for your property by finding the right buyer from any corner of the country, matched with service that doesn't stop once the sold sign goes up.

Steven and Jared continue to get local properties sold!

Waverley Primary School

Tena Koutou Katoa,

I hope you have all had a wonderful summer break. It has been really nice to get out and enjoy the sun. Many of you will now know that our amazing caretaker extraordinaire Kerry Rees passed away in the new year. It was a huge shock to our school and our community. Kerry was an amazing man and he will be sorely missed. The staff, students and Board of Trustees would like to extend our deepest sympathies to Jacqui and Sam and the rest of the Rees family.

We are really pleased to announce that we have two new staff joining our school for the 2023 school year. Megan Buchanan takes a permanent position teaching in our senior school and Bianca Mitchell joins us in a fixed term position in the Junior School. Just before Christmas one of our staff Hannah Barclay and her husband Matt welcomed the arrival of their son Billy. We would like to extend congratulations to them. Hannah, Billy and Matt are all doing well.

Our school term starts on Wednesday the 1st February. We are looking forward to seeing all of the smiling children back for a wonderful school year.

A final reminder to all people who have not registered for the Waverley Primary School Jubilee. We are celebrating our 150th year of Education and would love you all to join us. For registration information please see the school facebook page or school website.

SCHOOL CHOIR

Our school choir did an AMAZING job performing at Summer Jam, the Christmas church service and our end of year school prize giving. All the hard work paid off! They looked and sounded fantastic. A huge thanks to their super star coach Gemma Comrie for all the effort she has put in with them.

Year 8 Leavers Dinner

We had a wonderful night celebrating the achievements and growth of our year 8 leavers. We are very proud of all they have achieved during their time at our school. They will be sadly missed but we know they will continue to THRIVE throughout their next journey.

Tough Kids 2022

What a tremendous day our tamariki had at the Mitre10 Tough Kids Event! Congratulations to all of our competitors. Here are a few snaps from the day.

Road Patrollers Celebration

Our dedicated team of road patrollers enjoyed a fun day out meeting with all the other road patrollers from the Whanganui area and then marching down Victoria Ave to movies. They enjoyed a free movie and an ice cream as a thank you for their efforts.

Christmas Grotto

As a Christmas present from Waverley Primary School, we created a magical Christmas wonderland for our tamariki and community to enjoy this festive season. Thank you to all those who came to SEE it! A special mention to the amazingly talented Jenna Wakeling for dedicating her time, resources and assistance...we could not have done it without you!

Kakaramea School - 'Together We Achieve'

December roundup (held over as no January edition)

This month has seen a busy time in the wind up to Christmas. We've had our production, wacky hair day, community celebration, Year 6 Graduation dinner and this year's entry into the Patea Christmas Parade.

Christmas Elves

Kakaramea School students wrapped up and delivered the presents donated by our school community to people in Hāwera in need. The gifts were given to the Salvation Army.

Gifts of Papatuanuku Production

Our school took to the stage to present our production 'Gifts of Papatūānuku'. While on stage our students told the story of the separation of Ranginui (the sky father) and Papatūānuku (earth mother), shared the preciousness of our insects, and elaborated on how we can all help to make Papatūānuku a better place for everyone by reducing our rubbish. We ran a matinee and evening performance.

Libby Tate played the role of Papatūānuku (earth mother) in our production.

The children of Rimu Room presented the story of the separation of Papatūānuku and Ranginui.

Koru Room rocked the stage with their number about the importance of insects to our environment.

Manuka Room told the story of how we can help make Papatūānuku and the worms (pictured) healthier by caring for the environment.

Wacky Hair Day

On November 24 Kakaramea School students wore wacky hair to school and raised $75 for children in need at Starship Hospital.

Year 6 Graduation Dinner

On Monday December 5 our school held an end of year celebration for our Year 6 students who will be headed for intermediate next year. This dinner was held at Rough Habits in Hawera and was a nice way to acknowledge the student's journery.and transition with family and staff.

Friends of School morning tea

Kakaramea School Board Chairperson Kate Murdoch speaks at a morning tea held on December 5 for sponsors and supporters of the school. This was the first time we held this event after a two year absence due to COVID. This morning tea recognises everyone who contributes to the success of our school in various ways.

Christmas Float - home grown music

On Friday December 2 Kakaramea School participated in the Patea Christmas Parade with a celebration of home grown music and achievements. Our float won a spot prize and brought home the main message that we should never forget our roots.

A family day out with working machines of all types. Classic and vintage cars and machinery. Steam engine rides. Children's activities. Craft and food stalls. Military display. Trucks, tractors and much more.

March 4 and 5 2023 - 172 Turuturu Rd, Hawera

GET READY

Storms - Ngā āwhā

Storms can happen any time of the year. They can bring strong winds, heavy rain or snow, thunder, lightning, tornadoes and rough seas. Find out what to do before, during and after a storm.

Reduce the impacts of storms

Prepare your property for high winds. Strong winds can lift large, heavy objects and send them crashing into homes. Anything not secured may become a projectile.

Regularly inspect and trim trees and shrubbery. Strong winds frequently break weak tree limbs and throw them at great speed. They can cause damage and injury.

Review your insurance regularly. Having insurance cover for your home and contents is important to help you get back on your feet if you suffer damage in a disaster.

Get ready before a storm

Keep up to date with MetService weather forecasts.

Work out what supplies you might need and make a plan. Have materials and tools ready to repair windows, such as tarpaulins, boards and duct tape.

Identify a safe place in your home to gather during a thunderstorm. This should be a place where there are no windows, skylights, or glass doors. These could break in strong winds or hail and cause damage or injury.

Know which paddocks are safe if you have livestock. To prevent risks from lightning, move livestock away from:

- floodwaters
- landslides
- power lines, and
- isolated trees.

Be aware that storms can trigger floods and landslides. Make sure you know how to respond.

What to do during a storm

When a storm is forecast

Bring inside or tie down anything that strong winds could break or pick up. If you have a trampoline, turn it upside down to minimise the surface area exposed to wind.

Remove any debris or loose items from around your property. Branches and firewood can become missiles in strong winds.

Bring pets indoors. They can get unsettled by storms and it is more comforting and safer for them to be with you.

Check on your neighbours and anyone who might need your help.

During a storm

Stay inside. Don't walk around outside. Don't drive unless absolutely necessary.

Close exterior and interior doors and windows. Pull curtains and blinds over windows. This could prevent injury from flying glass if the window breaks.

Stay informed during an emergency. Listen to the radio or follow your Civil Defence Emergency Management Group online. Follow the instructions of civil defence and emergency services.

Avoid bathtubs, water taps, and sinks. Metal pipes and plumbing can conduct electricity if struck by lightning. Use your water from your emergency supplies.

Unplug small appliances that may be affected by electrical power surges. If you lose power, unplug major appliances. This will reduce the power surge and possible damage when power is restored.

Tornadoes

Tornadoes sometimes occur during thunderstorms in some parts of New Zealand. A tornado is a narrow, rotating column of air. It extends downwards to the ground from the base of a thunderstorm.

Know the warning signs for tornadoes:

- A long, continuous roar or rumble, or
- A fast approaching cloud of debris, which could be funnel shaped.

If you see a tornado funnel nearby, take shelter immediately. If you have one, shelter in a basement or an inside room with no windows or outside doors on the ground floor. Get under sturdy furniture and cover yourself with a mattress or blanket.

Alert others, if you can.

If caught outside, get away from trees if you can. Lie down flat in a nearby gully, ditch or low spot and protect your head.

If in a car, get out immediately and look for a safe place to shelter. Do not try to outrun a tornado or get under your vehicle for shelter.

What to do after a storm

Keep listening to the radio or following your Civil Defence Emergency Management Group online. They will give you information and instructions.

Check for injuries and get first aid if necessary.

Help others if you can, especially people who may need extra help.

Contact your local council if your house or building has been severely damaged. Ask your council for advice on how to clean up debris safely.

Stay alert for extended rainfall, flooding, landslides and debris hazards, especially when driving.

If your property is damaged

Do not do anything that puts your safety at risk or causes more damage to your property.

Contact your insurance company as soon as possible.

If you rent your property, contact your landlord and your contents insurance company.

Take photos of any damage. It will help speed up assessments of your claims.

Whenuakura School
'Growing Personal Excellence'

Kia ora koutou,

2022 was a huge year of learning, activities and fun at Whenuakura School. As we often say, we are so lucky to have such a fantastic group of learners and an amazing, supportive community. School staff and the school board would like to take this opportunity to thank all of our families and members of the district for your ongoing support throughout last year and look forward to this continuing throughout 2023.

Tough Kids

As always this was an event thoroughly enjoyed by our students, parents and teachers alike.

After a huge week away at Camp, students managed to push through tired minds and bodies and complete the course with heads held high. Quentin, Leah, Ata and Aidan all come in the top 20 placings in their age group (each with 300-400 participants) and our Y3-4 girls came 3rd from 21 finishers with their combined finishing times.

Patea Christmas Parade

Our music themed float at the Patea Christmas Parade looked amazing and that is credit to the team of parents who worked behind the scenes to get it looking just right. We were proud to come away with first place (and $250), and the smiles on our students faces reflected this.

Years 0-3 Big Day Out 2022

Our Y0-3 students had a great day out in Wanganui and the end of term 4. The visit to Whanganui Boys and Girls Gym was thoroughly enjoyed by all, particularly learning the 'motorbike landing' and jumping into the pit. Students returned to school with some special Christmas tree decorations they created at Sarjeant Gallery that they were excited to be able to take home. Thanks again to those that provided transport on the day.

Senior Camp - Wellington 2022

Our senior students had an amazing time while away at camp in Wellington. Highlights included ice skating, Weta Studios, rock climbing and rollerblading, riding on the train, the cable car, a digital experience at Te Papa, a sleepover at Wellington Zoo and a tour through the Beehive. We were so lucky to have a great group of parents join us for the duration of the camp.

Fright Nights 2023

Our famous Fright Night fundraiser will be going ahead this summer! This is a major fundraiser for our school with funds raised going towards extra support within the classroom and learning resources. Our school families and their friends always put so much time and effort into this event to ensure a great night is had by all. We recommend making a booking prior to the event to prevent wait times on the day. Bookings can be made by messaging 027 244 7811. See the flyer on the following page for further information or check out the event on Facebook - you can find it on our school facebook page.

Prizegiving

Congratulations to all of our students on another successful year at Whenuakura School Awards went to the following students:

Scott and Katrina Ponting Memorial Sports Trophy - Wesley Smith
Charlotte and Jonathan White – Senior Sports Cup - Comien Honeyfield / Aidan Honeyfield
Obadiah Painters and Decorators Ltd Visual Art Trophy - Atareti Taylor
Wills and Meyer Cup – Music and Art - Sofia Mitchell
Past Pupils Achievement in Maths Cup - Millie Harrison
Principal's Cup for Literacy - Aidan Honeyfield
Mitchell Family Cup - Core Values - Pippa Honeyfield
Judge Coe Trophy - Pikirangi Phillips
Mr and Mrs A Wilson Citizenship Cup and Rotary Award - Comien Honeyfield

Kiihfuss Family – Dux Cup - Millie Harrison
Mainfreight Avid Reader Award - Honor Williams

	Diligence in Consistent Effort & Attitude	Angus Newland

Hawera High School Collection added to Aotea Utanganui Museum Archives

In December Aotea Utanganui Museum received the last of the Hāwera High School collection from Maree Horner (ex HHS Art Co-ordinator) and Heather Moore who was the Principal's PA for 33 years and in charge of the school archive. A huge amount of work has gone into collecting, packaging and in some cases, digitising the school archive by them and others.

The collection consists of photographs, school records, info and material from school groups, sports memorabilia, records of special occasions, school books, medals and much more.

Having this collection in our archive will ensure it is protected, preserved and is available for the community for decades to come. This very large collection will now be catalogued, rehoused and have some preservation work done to it which will keep us busy for some time to come!

Hāwera High School closed at the end of 2022 and will be combined with Hāwera Intermediate to create a new school called Te Paepae o Aotea.

Anne Robertson 021 400 801 **Kelly Baldwin** 022 186 4539

Licensed under REAA 2008

Pātea Community Board Meeting

Notes from the meeting on Tuesday 24 January 2023. 4pm, provided by the Board Members.

The first meeting for 2023 was held at the Hunter Shaw Building, Pātea. Present were: Pātea Community Board members; Jacq, Cheryl, Owen, Rob Northcott (Deputy Mayor), Phil Nixon (Mayor), Liam Dagg (Group Manager Environmental Services), Samantha Greenhill (PA), Eileen Kolai-Tuala (Community Development Officer). 20 members of the public. Meeting opened with a karakia from Eileen.

Open forum: There was a large amount of public in attendance to show solidarity for the recent vandalism and unruly behaviour that has been occurring in Pātea. The open forum began Linda MacIvor reported on her on-going concern at the speed of the traffic travelling along Egmont Street toward and from the beach. She, along with many other residents are concerned that this will result in a fatality. The road to the beach is always busy with people walking with dogs and children. A speed indicator strip was installed across the road recently and speeds of up to 140km per hour were recorded. NZTA are reluctant to install a speed camera, as no one has been killed there. Phil & Rob will talk about this at their next meeting with Police. Other options to slow down the traffic will be discussed too. Lynn Kent also spoke of the dangerous speed of vehicles driving around Pātea, especially after hours, and the lack of a police presence.

Vinod Kumar, owner of Pātea Four Square spoke about the disturbing experience of having the front doors of his shop smashed in two weeks in a row. This was recorded on security cameras and it can be seen that the offenders were aged between 13 – 16 years of age. No one has been charged for the crime at this stage, but police have been notified about both break-ins. Recently shoplifters have been trespassed from 4 Square, and the retaliation from this has been difficult for Vinod. Vinod and his family have always tried to do their best for all customers, keeping prices as low as possible and opening long hours, 7 days a week, including all through the covid lockdowns. These destructive incidents have made him consider closing the business and leaving town. A lot of support from other members of the public at the meeting came after Vinod finished speaking.

John Hughes voiced his frustration at the lack of police presence in town, and the other crimes that are happening on a daily basis, cars and homes being broken into, graffiti on buildings etc. Hennie from the Camp Ground spoke of similar issues he has had, including an assault. Waimarie Cassidy spoke on behalf of people of the town who were bewildered by the bad behaviour of a few, ruining it for many. She cannot understand why the parents and whanau of those doing the crimes are not standing up to stop it. She was very sad and disappointed to hear of abuse Vinod and his family have had. Laurie Mildenhall asked for the support of more Kaumatua.

James Davidson, Principal of Pātea Area School was also in attendance, and wants to be a part of a solution to help these youths change their ways. John Nuku came especially to his old hometown Pātea, from Hawera for this meeting, and spoke of his wish to see a 'community meeting' called to unite people that can help sort out this current situation. He is proud of Patea and doesn't want to see the town 'loose its flavour, beauty, flavour'. Cheryl Rook spoke as someone who grew up in Pātea, and said it is distressing to see good people, that do so much for Pātea, tormented in this way. Phil Nixon listened to all discussion and called for a community meeting, with Police, Community Board, Councillors, members of Public to attend. This meeting will be on Wednesday 15 February at 4.30pm at the Hunter Shaw Building, all welcome.

Trish Adams spoke of several things that need attention at Pātea Beach: the slumping that is occurring to part of the road to the Pātea Beach, between the two lookouts. She pointed it out to the Council before, but to date nothing has been done. The constant stream of heavy vehicles – campervans, boats, caravans will be compromising this already fragile piece of road. The culverts under this section of road are not cleaned out on a regular basis, so the sand build up is not helping. John Hughes pointed out that this section of road was built up with fill from the cutting made for the entrance to the green waste area 20+ years ago, to allow for the road to be widened, therefore it is not as compact as the rest, and needs to be upgraded before it becomes a big job.

Last year Trish approached the Council to get entrance to the Seaview Lookout sealed to eliminate stones ending up on the footpath, causing a hazard to bikes, scooters, prams etc. She was told this was happening before summer 2022. - Sand has built up around a gazebo next to the playground at the beach and another picnic table nearby, making them unable to be used now. Trish has requested the sand be dug away before they are completely covered. These picnic gazebos were paid for by the Council over 15 years ago and are in such good condition still, but 2 of them will be destroyed if the sand is not dug away soon. Clearing of sand from this area and around the toilets needs to be part of a regular maintenance plan.

Kikuyu grass needs to be cut back from edges of the footpath from Egmont St down to the Beach. In some places a 3rd of the footpath is covered in grass, making it difficult for prams or mobility scooters. This should be part of the regular maintenance plan, especially just before summer.

Trish Edgecombe asked that the Pohutakawa trees on each side of Scotland Street be cut back. They haven't been pruned for many years and are encroaching over the road and people's sections. Large branches are hanging over the site where a new car shed will soon be built and they will do damage if not cut back. A house is due to be relocated to Gibson Place, but this can't be done due to the overhanging branches. Liam is looking into this and will get back to Trish.

Alison Gifkins and Kylie Bridson spoke about the BMX track in Waverley. It was constructed on Council owned land behind the old Town Hall in Waverley about 20 years ago by the Lions Club. In recent years it hasn't been used and is now covered in grass and weeds. It is leased out and used for grazing stock from time to time. Alison and several other community members want to spray and restore it for use as a BMX track for local children. They have a group of children now that will use it and benefit from 'rough and tumble' type of adventure activity, and parents that are willing to do the work to get it back to a good state. Liam is going to look at the lease agreement and see what can be done and report back to Alison.

Jenni Clarkson (swimming instructor) spoke of the lack of accessibility at the Waverley Pools. There are 9 steps up to the changing rooms, and no way for someone with a mobility impairment to get into the pool. The interior of the changing rooms are also in a poor state and need to be painted. Jenni has people that are willing to do the painting if this is allowed. Rob said that pools should, where possible be accessible to all, and this is something that can hopefully be remedied. Liam will report back when he has more details about what is to be done.

End of Open Forum

Cheryl updated us on the situation of grass not being mowed at Waitōtara since the death of Dave Welsh in September 2022, who tirelessly mowed grass areas and verges in the township for many years. The lawn mower he used was paid for by STDC. Since September the grass has not been cut and had grown to a great height around the Church, Hall, Memorial Gates etc. Brian Rook was approached about this and called upon local farmer Tom Andrews to mow it with his tractor mower. It's now at a manageable height and will be mowed with the ride on mower. Brian and Tom are hoping to arrange a roster system to keep them mowed. The running of the Waitōtara Hall has also gone into recess since Dave's death, a community meeting will be held soon to resurrect this. Cheryl also pointed out that the roadside gardens at each end of Waverley are a mess. There are daffodils in the gardens at the north end of town, so a spray of the weeds is needed so they can reappear in spring.

Community Development Report from Ella Borrows: Pātea Revitalization committee has been formed and will meet in February to see plans and share ideas. Waverley Revitalization committee started meeting last year and had their first meeting for the year today. The shelter at Aotea Park, Waverley is finished. A very big thank you to builder Cam and his team from Waverley Lions. The Pool Mural is also finished on the front of the Waverley Pool, looks so vibrant, congratulations to Noklair Milton for designing it, and Dam Mills for painting it.

LibraryPlus report from Cath Sheard: Summer Blast reading programme went well over the school holidays, children enjoyed the Libraries all colourfully decorated in the theme of 'Around the World', each Library choosing a different country. Waverley Library staff attend the Waverley A&P Show and promoted how to join the Library and services etc available. Taiaroa Neho, designed and ran a te reo program for 100 children from the Kura Kaupapa.

Environmental Services report from Liam Dagg: showed the current situation of building consents, subdivisions and roaming dogs/stock across the district. There were numerous roaming dogs, especially in Hawera, over Christmas.

Full minutes of this and all Council meetings can be found on the South Taranaki District Council Website, under the heading 'Our Council' then go to 'Mayor & Elected members' then 'Community Board - Pātea' or view them at Pātea or Waverley LibraryPlus

Your Community Board Members are: Jacq Dwyer (Chair) Cheryl Rook (Deputy Chair), Owen Savage, Robert Northcott (Pātea Councillor)

The meeting times & venues for this year are:

Monday 6 March, 4pm, Pariroa Pa, Kakaramea

Monday 17 April, 4pm, Wai o Turi Marae, Whenuakura

Monday 29 May, 4pm, Waverley Community Centre

Monday 10 July, 4pm, Hunter Shaw Building, Pātea

Monday 21 August, 4pm, Waitōtara Hall, 12 Kaipo Street, Waitōtara

Monday 13 November, 4pm, Hunter Shaw Building, Pātea
