New Chapter for McCarty & Hunger

After almost 50 years of working in the family business Johnny Hunger has handed over the reins. He is the 4th generation of the family to work at McCarty & Hunger. When he started in 1976 at the age of 16, there was a staff of at least seven in the workshop. McCarty & Hungers was established in 1878 by Johnny's great grandfather Rudolf Hunger and his friend John McCarty (John McCarty sold out his share by 1920). It began in a small timber building on the same site that it operates from today, as a Blacksmiths, Farriers, Coachbuilders, Wheelwrights. It had seven forges and never locked the doors.

Johnny's father John snr had served in WWII and was called back from the RNZAF by his father in November 1945 to work in the busy engineering business. He was on £18 a week in the Air Force and went to £7.1s.8d at his first week at work back home. Doug Meyenberg bought into the business in 1955, selling out to Harry Verney and Bill Hone in 1973. Harry left in 1981 and Bill in 1990. Johnny learnt the engineering trade on the job and completed his apprenticeship in 1981. He married Sue Milne that same year and she has been a big part of the operation, doing the bookwork for the last 36 years. Johnny became a shareholder in March 1982 at the age of 22. One of the first jobs he did as part owner of the business was to fabricate and install the beams for Willie Willemsen in the garage now owned by Robert Northcott. Johnny bought out his father's shares in 1997, becoming the sole shareholder of the business.

Until the Patea Council merged with Hawera in 1989, McCarty & Hungers did most of the engineering work for the Borough, and knew the issues that could arise, 'it all ran like a well oiled machine'. Fred Patterson was the Council Electrician, also looking after the Patea Power Station. Hungers looked after the compressors at York Street, as well as the big water tank on the hill at the north end of town. Things got done on a handshake and being local contractors, they took responsibility for every job they did.

Over the years McCarty & Hunger have done the pipework for numerous cowsheds. One of the furthest away jobs was for some very good friends Ivor and Sharon Plumstead at Reporoa. They had previously worked on a farm in Whenuakura before they moved to their new farm in the Waikato they asked Johnny if he would do all the engineering and pipework for the Alterations on their cowshed, which he did. Staying away during the weeks that it took to complete the job.

Johnny remembers the first Rotary cowshed he worked on was out on a Otautu Farm. Repairs on this Ardco Rotary took some good old Kiwi know-how when the drive system at the shed blew to pieces, he returned to the workshop, got an old Mark 111 Cortina driveshaft that he had just removed from his own car. Altered it to be able to put in place at the shed to do the job until the parts needed arrived to fix it properly.

McCarty & Hungers Staff in the 1978, 100 years in business: Darren Kelsen, Conrad Simons, Robin Hill, Johnny Hunger Jnr, John Hunger Snr, Bill Hone

Johnny has always lived by his father's favourite saying, "No such word as can't".

One of the downsides of owning the business is being on call, every day of the year. Johnny recalls getting a call out for a broken water pump out the back of Waverley one Christmas day. Sue and the three daughters: Sarah, Amy and Rachel had to wait till he got back near to lunchtime till they could open their presents.

In the early 2000's a highlight for Johnny was getting work on the The Last Samurai which was being filmed in the Uruti Valley. Well drillers working on the set recommended Johnny Hunger from Patea for the job of putting a water line through the area and putting in pumps and digging a pond to create rain for the movie. Unfortunately, Tom Cruise was too busy to stop and chat.

Johnny and Sue Hunger have sold the business to engineer Richard Milne, and electricians Matthew Graham & Todd Cowan from Summit Electrical, in Waverley. Johnny will continue to support Summit Pump and Engineering for the next couple of years at least in the same capacity and the McCarty and Hungers name will be retained by John and Sue.

Richard understands the importance of the historical loyalty this business has to the town of Patea, and is focused on retaining that. He has a long connection with McCarty and Hungers, starting work there at the age of 16, Richard brings 18 years engineering experience with his skills as a general engineer. Richard is the nephew of Sue Hunger and with Todd and Matt they are ready for the challenge of carrying this enduring business into the next chapter of its existence.

Johnny and Sue would like to "thank all the customers that have supported us over the last 40 years and would like to thank to all our staff members who have worked with us over this time".

A very early photo of McCarty & Hungers new Blacksmith shop in Patea taken a few years after it opened in 1878. Unknown who the six Blacksmiths are, but it looks like Rudolf Hunger on the left

A Christian Word

With all the happenings around the world, like the Ukraine war, by Russia, plus the rattling of sabers with Israel & Iran, China V Taiwan, Korea. It's somewhat difficult to get our heads around it all, mostly because we are so far away from it! Perhaps a good thing, because I think a lot of people are really against another world war & would rather have peace, naturally of course! I notice also that it's not a war based on protecting their own countries, its looks like greed, what someone else has and they want it, technically it's not theirs to take, but because their military muscle is bigger…. Who's going to stop them? Man has got an unsatiable appetite for being better than others by whatever means it takes.

When Jesus was here upon this Earth, a conquering nation had yet again over-run Israel's sovereignty, as also had Iraq & Assyria, all those countries had invaded Israel & taken its inhabitants away captive for hundreds of years. Israel has probably been the most targeted country on Earth continuously for decades. But here is the greatest happening, even though God Almighty had allowed these wars against His people, the Jews, there was a purpose & victory that God was about to do, had done it before & will do it again. People are saying the end of this world is near & it certainly is heading that way, swiftly!!

Jesus told His disciples that there would be wars, rumors of wars, earthquakes, famine. These have never been uncommon to man. Jesus emphasized the need to keep our focus on Him & not what is going on about us, very hard for some, but for those of us who totally trust God to look after us, it is easier! The promises of God Almighty to protect us is far stronger than any nuclear weapon. How is that you may well think? Easy, a nuclear war or any common war will kill Christian, Jew, non-Jew/atheist, anyone! But here is where the protection kicks in, so to speak, we, we who totally trust God, will be kept safe for all eternity, our physical body will die, how? irrelevant, but God alone, only He, can save all who claim Jesus Christ as their Lord & Savior. We are all destined to die once & then the judgement, best to sort it all out today, take a moment to ask Jesus to forgive you of your sins & sincerely choose to follow & obey Him, after all, He is the way, the truth & the life!! Simple but true!! Just come as you are to Him today, you will never be "right" before God on your own understanding! But you will be protected through Jesus Christ as your personal Savior, for all Eternity!!

As a point of interest, Israel will never be beaten! & neither will you if Jesus Christ is your Lord & Savior.

Come Lord Jesus
Ted Reeves

South Taranaki's New Youth Committee Paves the Way for Rangatahi Empowerment

Ebony Kalin, a passionate year 13 student from South Taranaki, is excited to announce the formation of EmpowerYouth, and is looking for young people across the district to join.

Working in collaboration with the South Taranaki District Council (STDC), Ebony says EmpowerYouth aims to create a platform for young people to express their opinions, collaborate on ideas, and actively contribute to the growth and development of their District.

“I’m passionate about providing youth with a means to make a meaningful impact and what better time to launch this committee than during Youth Week.”

“By engaging with the Council, EmpowerYouth seeks to empower young individuals to work together and effect positive change within their communities,” she says.

Under the guidance and support of STDC Community Services Group Manager Rob Haveswood and Councillor Racquel Cleaver-Pittams, Ebony has diligently worked towards establishing EmpowerYouth as a vehicle for youth engagement.

“EmpowerYouth is a testament to Ebony’s dedication and vision and her commitment to empowering South Taranaki youth,” Rob Haveswood said.

Comprising of 10-15 like-minded individuals, the committee aims to inspire and connect rangatahi throughout South Taranaki, encouraging them to speak up, voice their opinion, and contribute to the betterment of the district.

“The EmpowerYouth committee serves two primary purposes,” says Ebony. “Firstly, it acts as a youth voice for South Taranaki by establishing connections with secondary schools, sending submissions on council projects, surveys, and events, and advocating for the concerns and ideas raised by young people.”

“Secondly, EmpowerYouth strives to increase youth community engagement by organizing events, participating in community projects, supporting the South Taranaki District Council's community events, and working closely with schools,” she added.

Beyond benefiting the community and the district’s future, EmpowerYouth also offers numerous personal growth opportunities for its committee members. Serving as a leadership platform, the committee enables participants to enhance their skills, expand their horizons, and establish relationships with the Council, Community Boards, organizations, and other groups within the community.

“With the support of the South Taranaki District Council, EmpowerYouth will play a vital role in shaping a brighter future for the district, where young individuals are actively involved and contribute to their community’s growth. I am excited to see what we can achieve together.”

WAITOTARA SCHOOL

'Achieving Together'

Kia Ora Koutou,

We ended last term with our annual Grandparents Day, a highlight of the students and teachers’ year. The students had the morning to share their work and complete activities with their special visitor(s) and it finished with a shared morning tea of hot cross buns.

Our weekly sessions with Esther from Enviroschools will continue next term. We will be rotating between the kitchen and the garden, focusing on compost making, worm farms and planting.

Kiwi Kids Charity visited on Friday with treats for the children, awesome cars, and a lot of fun activities. We are very grateful for their donation of $500 towards our new playground and for them choosing Waitotara School.

Our quiz night was an absolute success, we had over 140 participants who have said they thoroughly enjoyed the night. So much so that some found it hard to leave! The success of the night can be attributed to Tiffany Parkes and Erin Nieuwenhuis. They tirelessly contacted businesses for auction items and raffle prizes and worked extremely hard to create a fun night out for our community. Please see our Facebook page for our sponsors, we are humbled by the support of Whanganui businesses towards our small school. We are over halfway to achieving our new playground!!

The Staff have been busy with Professional Learning this term- all staff continue with their Te Reo journey through until the end of next term, Garden to Table and Digital Fluency workshops and writing workshops. All of these opportunities are based around our 2023 strategic goals.

Polly Devane
Principal

Waitotara Stars

Principals Awards

* Noklair Milton-For always showing drive values and being a kind friend.
* Amber Ede-For always being a wonderful young lady who is always friendly, happy and willing to help others.

5 Generations of Ansleys

Rex with Great Great Granddaughter Ivory

Rex (Front Left), Robin (back Left), Jason (back right) and Liam/Ivory (front right)

Saturday 29th April 2023 saw a visit by extended family toTe Mahana Rest Home for a gathering of five generations of ANSLEYS.

Rex Ansley met his Great Great Granddaughter Ivory Ansley accompanied by Robin (Rex's son), Jason (Rex's Grandson), Liam (Great grandson) along with other family members .

Rex, Robin and Jason were all born and raised and remain living in Patea. Liam was also born and lived in Patea, however is now living in Bulls.

Waverley Lions Club

Another year is almost over for the Waverley Lions Club and we are approaching our annual CHANGE OVER. All executive officers are for a period of 12 months, we then elect whoever is willing to stand for one of the executive positions, President, Secretary and Treasurer. The club was fortunate to have Life Member John Wicks as Treasurer for 28 years and sadly we had to say goodbye to John after his passing recently. It is not necessary to have an election for new officers unless an officer wishes to stand down or there is a member wishing to stand against a sitting officer. (this has not happened in the past). As often being the case, we struggle to have members put their hand up at election time due to other commitments they have or for personal reasons.

This year we will be having a new Secretary with Leonard Zimmerman stepping in. He will be replacing Mike Eddington who has done four years having done a magnificent job and we thank him very much.

The President and Treasurer are remaining for another term, Brian Rook and Alan Hawken respectively.

During the past month, the club have assisted with a clean up behind and around the Waitotara Hall. The Waitotara and District Hall Society Inc have a new committee who are keen to improve the surrounding area and tidy the hall and grounds.

Members also assisted the Waverley Four Square with a start on furbishing the new building. This is very exciting for the owners and the town, which will enhance the proposed revitalisation the local council are working on at present.

If anyone has an idea/project that they think the Lions Club may be interested in, please let us know. Contact details are in the Patea/Waverley Press.

With changing weather patterns over the past couple of months, I think we can consider us to be very lucky we have not suffered as severely as other regions throughout the country.

Look after yourselves and your friends/neighbours as we get through this weather pattern.

Brian Rook - President

Coronation High Tea

Pātea and Waverley LibraryPlus celebrated the coronation of King Charles III in May with some activities fit for royalty.

The community morning tea was highjacked in both libraries and replaced with a High Tea, where patrons indulged in scones and sweet treats while discussing the coronation.

Adults and children were encouraged to come into the library and make their very own royal crowns as well.

These were great events, made even better by the support of our wonderful community and we can't wait to have more like this.

Waverley Primary School

Kia ora koutou,

It has been a tremendous month at Waverley Primary School with so many events happening for our students and community, many of which are featured in photos in this month's Patea Mail.

This month we had a Quiz Night Fundraiser. I want to thank each and every one of the people who assisted our PFA, everyone who attended the event and most of all the businesses in Waverley and our wider community who supported our event through their sponsorship. This was an incredible event and we managed to raise around $4700 to go toward new netball uniforms for our school teams.

On Tuesday 16th May our Year 5&6 Hockey team competed at the contributing school's hockey tournament in Whanganui. We had a rough start losing the first game in a two on two drop off match in extra time but managed to win the last 4 matches of the day with some amazing skill on attack and defence on display from our superstars.

On Thursday we had a visit from Taranaki Basketball who officially opened the new basketball hoops here at school. These were provided free for the students and the community here at Waverley Primary School. We are very grateful to Taranaki Basketball for their generous donation of the hoops and also the time they spent with the children promoting basketball in our area.

Tim Marriott
Principal
Waverley Primary School

Hockey Tournament

Perfect weather conditions dawned for the Contributing Schools Hockey tournament held at Laird Park in Whanganui. Our Year 5 & 6 team demonstrated some amazing hockey skills, along with their THRIVE values, throughout the action packed event and managed to win Division 3. Congratulations to all of those involved.

'Royal' School Disco

The Waverley Primary School Hall was decked out in all its 'Royal' Glory on the evening of May 4th to welcome the many Queens, Pirate Kings, Princesses, Knights and …a dragon??? (Or was it a dinosaur???!!!) A fabulous night of dancing, games and creative costume wearing was had by all! A big Thank You to the Waverley Primary PFA for organising such an auspicious event.

Pink Shirt Day

We put on our best pink outfits and got behind Pink Shirt Day, raising $138 to help stamp out bullying in our schools around Aotearoa.

Waverley Primary School

Quiz Night

The netball fundraiser ‘Take Your Best Shot’ quiz night was another excellent event organised by the Waverley Primary PFA. We had so much positive feedback throughout the night and everyone seemed to have a 'ball'. Huge thanks to everyone who attended and to Gemma Comrie and her team of helpers who did an absolutely outstanding job with the organisation and set up.

Basketball

We had representatives from Basketball New Zealand and Basketball Taranaki visit and deliver a super fun session with some of our seniors, as an official 'opening' of the brand new hoops we had funded by Basketball Taranaki. They have already had heaps of use and are a great asset to our school and community.

Matai Hub

Our Inquiry for this term is all about Our Marvellous Machine-The Human Body-To Matou Tinana.

We have been learning to research using nonfiction resources to find facts. Our ‘findings’ are helping us to understand how our minds and bodies work in all our learning areas.

Sports Shelter at Aotea Park, Waverley

A few months ago now a sturdy shelter was built at Aotea Park in Waverley. It has been a long time in the planning and is a welcome addition to the Park on wet or sunny days.

It was the idea of past community board member; Maria Ferris over 3 years ago, but with covid in the middle of it all, the idea has only recently become a reality. The money for the building materials came from the Pātea Community Board fund, and The Lions Club of Waverley undertook the job of building it – builder Cam Bradnock doing most of the work. A big thank you to Cam, as we know this was done by him over a couple of weekends, when he had many other things to be doing with his family.

We are hoping to get some timber seating installed in the shelter so people can sit and watch either the astroturf courts or the playground on the other side. Funding can be drawn from the Community Board fund again for this, and we will need someone to construct the seating for us. Hopefully this can be done in time for the summer.

A visit to Hurleyville

I visited Waverley and Alton on Anzac Day, and was welcomed by locals. But until last week, I hadn't ventured any further inland than Alton.

That changed with a meeting at the Hurleyville Hall. Despite rain and a bitterly cold southerly, the welcome was warm and the supper was plentiful! After introducing myself, I was questioned thoroughly. And that's exactly as it should be.

As a new candidate, I want to get to know the people from all corners of the Whanganui electorate, and people need to get to know me so they are making an informed choice on election day. And if someone asks me a question they deserve, and will get, an answer.

To that end, those people who gathered at Hurleyville Hall on a cold Thursday night are no-nonsense folk, predominantly farmers. They speak honestly, and they expect honesty in return.

Unfortunately, many people have become cynical about politics, and have disengaged. That's not healthy for our system of democracy. Making myself available to meet people wherever they are, be it in the TSB Hub in Hawera, a small country hall like the one at Hurleyville, a woolshed up the Parapara or after milking at Te Kiri will promote engagement.

That's my promise today as a candidate, and nothing will change if I am elected. I will be visible, and more importantly, I will be accountable to the people right across the electorate. And people in places like Hurleyville will expect nothing less.

Whenuakura School
‘Growing Personal Excellence’

NYLD - Palmerston North

Our Year 6 leaders Lachlan and Angus attended National Younger Leaders Day in Palmerston North. They heard from inspirational speakers such as Brad Smeele former pro wakeboarder / quadriplegic / communicator, professional hockey player Brooke Neal, Mental Wellness Communicator Julia Grace and musician, Georgia Lines.

Sanitarium Weet-Bix TRY Challenge

Our Year 5 students took on the Sanitarium Weetbix TRY Challenge hosted by Patea Area School. So much fun was had moving through the obstacle course. Thanks for hosting this brilliant event Patea Area School! We can’t wait to come back next year.

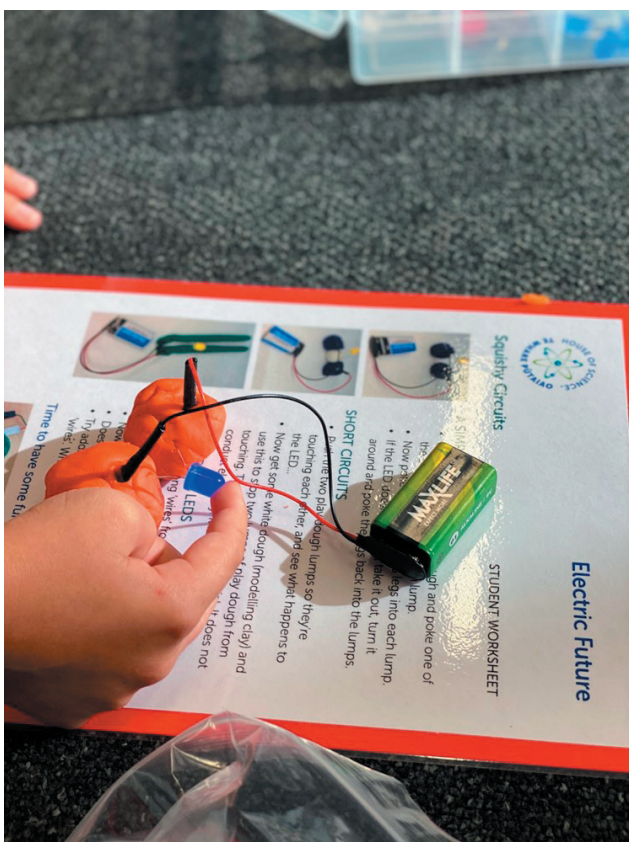
Graeme West League Tournament

Congratulations to Quentin and Eric who were part of the ‘South’ team that won the Graeme West League tournament in early May. It’s always great to be able to come together with our neighbouring schools Kakaramea and Pātea Area to form a formidable alliance. Special thanks to coaches Jay and Jaime!

Pink Shirt Day

On Friday 19th May Whenuakura School became a sea of pink as we joined other schools, workplaces and community groups join the Pink Day Shirt movement to support antibullying by celebrating diversity.

Science - We have moved from ‘Wonderful Wai’ to ‘Electric Future’ for science. We started with making simple circuits.



Lake Rotokare World Biodiversity Day

Bugs, fossils, water quality, endemic creatures and much more. So much fun was had at Lake Rotokare to celebrate World Biodiversity Day.

Duffy Theatre

Duffy Theatre put on an amazing performance once again. Students watched ‘Duffy’ and his alter ego get into all sorts of trouble in outer space, and how their love of books and reading helped them find their way home. These visits are always so well received by students with so much laughter!

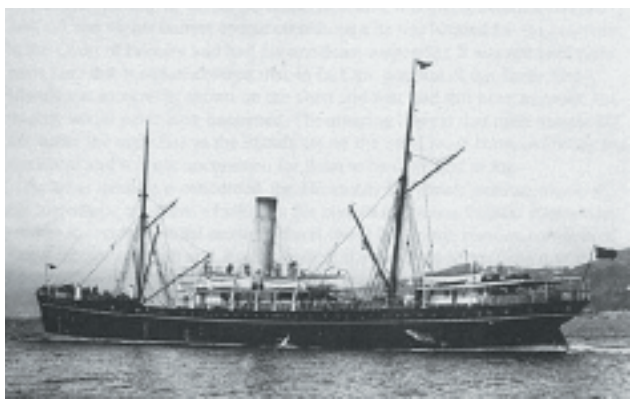
Since I first wrote the Waverley books the internet has exploded giving much more access to research material than could ever be imagined in 1983 when I wrote my first Waverley book. For this reason I intend to write a series of articles called "Waverley's Forgotten" which will update the information I previously gathered and inform newcomers to the district of aspects of Waverley's past. Laraine Sole

Waverley's Forgotten - Two Messages in Bottles

The SS Elingamite left Australia for New Zealand early on Sunday morning November 5th 1902 with 136 passengers and 58 crew. Included in its freight was a consignment of one and a half tones of silver coins and some 6,000 gold half-sovereigns being sent by an Australian bank to its branches in Lyttleton and Dunedin. The voyage was uneventful until mid-morning on November 9th when the ship suddenly encountered thick fog. Captain Ernest Atwood took necessary precautions, but the vessel struck one of the islands in the Three Kings group, about 65 km north of Cape Reinga.



The SS Elignamite. Photo: Wikipedia

The vessel foundered and sank within 20 minutes. Six lifeboats and two rafts were got away with great difficulty. Particularly noted in the confusion of passengers and staff preparing to abandon ship, was the courage of the fore-cabin stewardess Miss McGuirk. She was observed handing lifebelts to the steerage passengers despite not having one of her own, all the while speaking words of encouragement to the women as she moved around.

She was last seen on a raft carrying 19 people. She was the only woman aboard. Three of those aboard were subsequently transferred onto a boat. Miss McGuirk's raft drifted away to the north and was not found despite intensive search and rescue attempts. It was not until five days later that the raft was sighted, and of the original sixteen in it, half had died. The survivors were barely alive. One of those who had perished from exposure and starvation was Miss McGuirk, sadly just a few days before the raft was discovered. In a final tally, 28 passengers and 17 crew lost their lives in this event. And what, might you ask has this to do with Waverley?

Well as soon as Miss McGuirk realised help was not forthcoming, she wrote a message stating that the vessel had struck on the Three Kings and those on board had taken to boats. She placed it in bottle which had previously held paste and had come from the ship's pantry, and threw it in the water hoping it might alert someone to the fact that there were survivors.

Seven months later in June 1903, one of the Symes family who was down at the Waverley Beach found a bottle on the sand with a note in it – the very note that had been penned by Miss McGuirk. The Symes promptly notified the authorities. The find caused quite a sensation nationwide and the bottle with the message was sent on to Miss McGuirk's family who no doubt prized it as a reminder of her devotion to duty and the terrible ordeal she had suffered. The fact that it was the last thing she had ever written must have made this gift especially poignant.

Exactly fifty years later Waverley shoreline again had another connection with another well-known shipwreck – that of the TTS (twin-screw) Wahine chartered by the New Zealand Government in July 1951 to transport 557 troops to the Korean War. It left Wellington on August 2nd calling at Cairns, Queensland and Darwin, leaving the latter on August 14th. At 5:40 a.m. the following day she ran hard aground on the Marsela Island Reef east of Timor. There were no fatalities but the ship became a total loss.

Soldier Ross Alexander of Waverley (who later married Beverley Bremer) was one of the men aboard and as they were waiting to be transported to a rescue ship, to pass the time away he wrote "Wahine. Drvrs [Drivers] R. Alexander, Austin and Cox" on a piece of paper, put it in a wine bottle he had bought in Australia, tossed it overboard and forgot about it.

Ross Alexander
Image supplied by Beverley Alexander

The war ended in July 1953 and Ross returned home to his farm in Waverley. That year he was down on the beach at the edge of his farm with his brothers Alex and John and Jimmy Leo, splitting totara posts from driftwood. Ross needed a wooden wedge and started to look in the sand for something suitable to make one with. As he did so, he saw a bottle partly covered with sand so nudged it with his foot. The bottle had no label but he could see that there was a note in it. Curious, he opened it. Despite some water being in the bottle the note was still legible.

Ross said later that it didn't dawn on him that it was the note he had written until he read it. Over the past two years by some strange trick of the currents, the bottle had come back to the writer of the note on the beach beside his very own property. What are the odds of that happening? I believe they are incalculable. The incident became famous and the story was published in Ripley's Believe it or Not!

The practice of notes in a bottle seems to have diminished over the years but one should always expect the unexpected and keep an eye out when wandering along Waverley Beach – just in case!

Have you ever dreamt of flying?

You can make that dream come true.

How about booking a trial flight with Wanganui Aeroclub?

Flights priced from $180: this includes preflight briefing and 30mins of flight time.

Suitable for all ages.

2 and 4 seater planes are available.

Your team of friendly instructors will talk you through the basics and give you the opportunity to take over the controls yourself.

A great gift for that person who has everything.

But be warned…. flying is addictive and you will likely want more!

Wanganui Aeroclub can take you from student to beyond!

The sky's the limit.

You can become a member of the club and enjoy monthly club events: Movie nights, club quizzes, social club happy hour and club competitions.

The club is currently running a Young Eaglesprogram this is aimed at 15 to 18 yrs and gives them an introduction into flying. The aeroclub has 14 Young Eagles signed up for the current program.

They are taught about all aspects of flight including preflight safety and how you operate the aircraft.

They get opportunities to fly and take part in club events. All in a safe and inclusive environment. The program runs over a period of 9 months It is all about giving youth the opportunity to experience and enjoy aviation, and to provide that 'open door' to those who want to be involved in aviation as either a hobby or future career. At the end of the program there will be an open for the eagles to apply for a number of scholarships to use toward furthering their flying.

Pictured is that latest group of young eagles.

Contact the club on 063450914 or email info@wanganuiaeroclub.co.nz if you would like to book a flight or learn more about Young Eagles.

Mural Enhances New Public Toilets at Event Centre

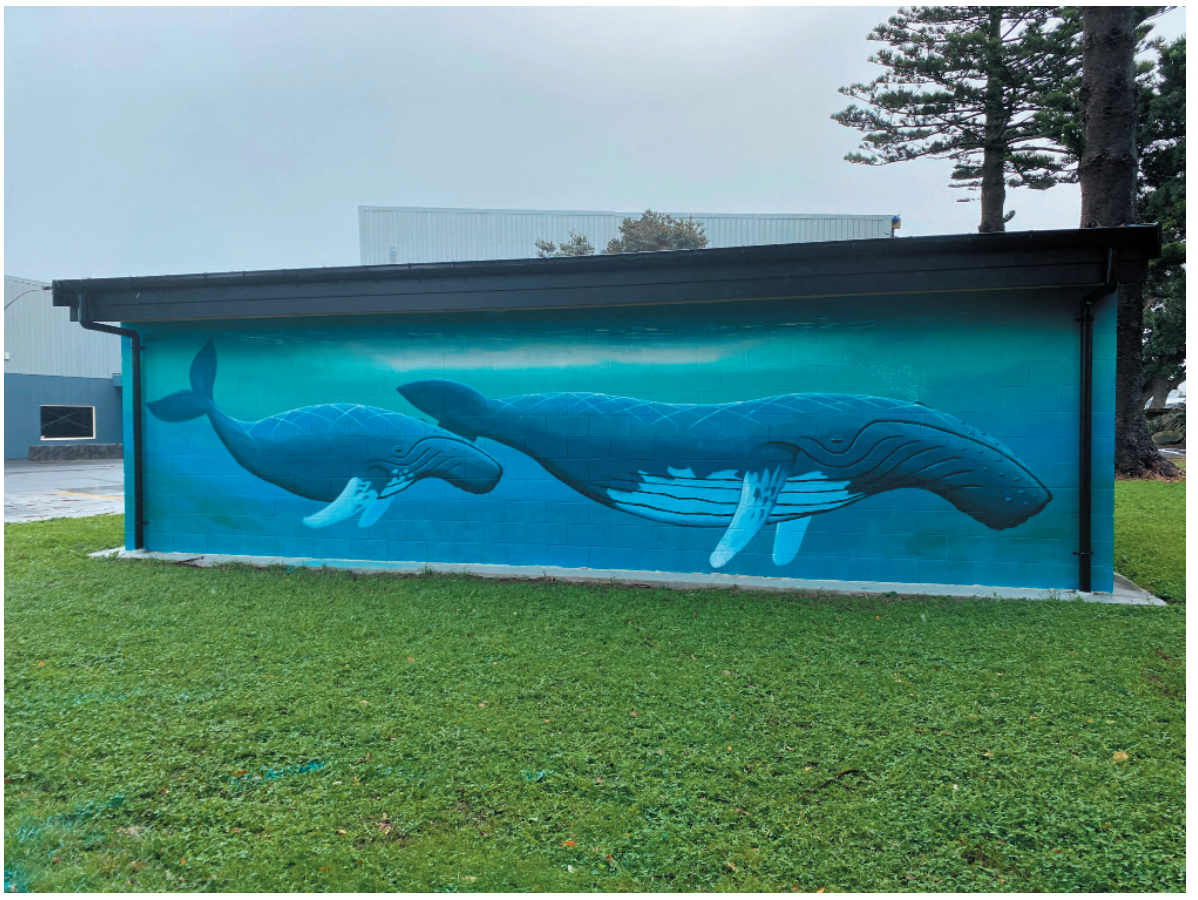
A whale-themed mural is the latest project to have been completed in the area outside the front of the Sinclair Electrical and Refrigeration Events Centre says South Taranaki District Council community development advisor Fran Levings.

Local artist Chris Fuller was engaged by the Council to design and paint the mural on the new $270,000 public toilet and carparking which was completed in late 2022.

Fran says the mural will enhance the building and area while also hopefully deterring vandalism.

Last year the Council, in collaboration with students from Ōpunakē High School, rejuvenated the space around the Ōpunakē Skate Park by installing and painting new boards along the back wall adjacent to the Event Centre. The Taranaki Coastal Community Board also contributed $3,000 to the project. There remains one concrete wall left to paint and arrangements for a local artist have been sought to do a mural there, which will complete the project.

Fran says that apart from the Ōpunakē town centre revitalisation upgrade, building a pump track at Hurst Park is one of the Council's next projects for Ōpunakē.



Maxwell & Districts Kindergarten

Maxwell & District
KINDERGARTEN

This month the tamariki at Maxwell and Districts Kindergarten have been enjoying our new swings on our new swing frame. The swings support tamariki with their physical and social development all while having fun.

They have also been busy outside playing on the see saw, which supports balance and social interactions with it requiring two children to make it work. There has also been exploration of the height of the see-saw with the tamariki stacking up the blocks to make it higher.

Relax and enjoy The June Puzzle Page....

Why do Patea and Waverley choose us?

Steven and Jared are setting the bench mark - They bring together experience in over 500 property transactions. It is a "two for one" deal with two salespeople working together to find you the best buyer, and always make time to meet you and discuss matters in a timely fashion. Steven and Jared both believe in next level marketing and service, which is why they get repeat business in this lovely part of Property Brokers country.

Philosophy - As "brothers in real estate", Steven and Jared believe the industry should have a culture of caring, beyond just that of selling. They know events can happen unexpectedly during the sales process, so believe in being available during all 24 hours of a day and seven days a week to address them. Being firm but fair in all actions, they will put more resources into your marketing campaign, backed with industry leading suppliers, to provide a level of service which is tailor-made for you.

Steven Schwamm, AREINZ, National Diploma in Real Estate (Agent), National Certificate in Real Estate (Branch Manager) - With over ten years experience in the real estate industry, Steven joined Property Brokers in 2011 as the company's youngest sales consultant and immediately made his mark – winning the Young Professionals in Real Estate NZ Rising Star award and Property Brokers coveted Residential Rookie of the Year 2012. Well qualified with his real estate Diploma and Branch Manager's Certificate, he is also the youngest licensee in Property Brokers country to hold an Agency license and is also an Associate of the Real Estate Institute NZ (AREINZ).

Jared Smith, BA, GradDip - Known around the region for the rugby and racing coverage when he was Sports Editor of the Whanganui Chronicle, Jared is a dedicated professional who has met and worked with locals and stakeholders alike of all backgrounds. Astute with meeting deadlines and listening to what you need, Jared values accuracy and clear understanding of the process of selling real estate, and the need to reassure clients that their best interests are paramount. Raised in Nelson and getting university qualifications in Christchurch and Wellington, Jared became a seasoned worker through his journalism and editing roles. Always more comfortable in the rural towns without the traffic jams and having opportunities to make his own mark, Jared loves the appeal of provincial living and getting into the community.

Track record - Together, Steven and Jared achieve outstanding results for their clients because they cover all the angles and are determined to reassure people that their interests are safeguarded. This is reflected in their market commentary, strategies, attention to detail, and tailormade communication based on the needs of each client. Steven and Jared continue to get the top market dollar for your property by finding the right buyer from any corner of the country, matched with service that doesn't stop once the sold sign goes up.

Steven and Jared continue to get local properties sold!

KAKARAMEA SCHOOL

‘E tipu, e rea…grow and keep growing’

APRIL & MAY ROUND UP

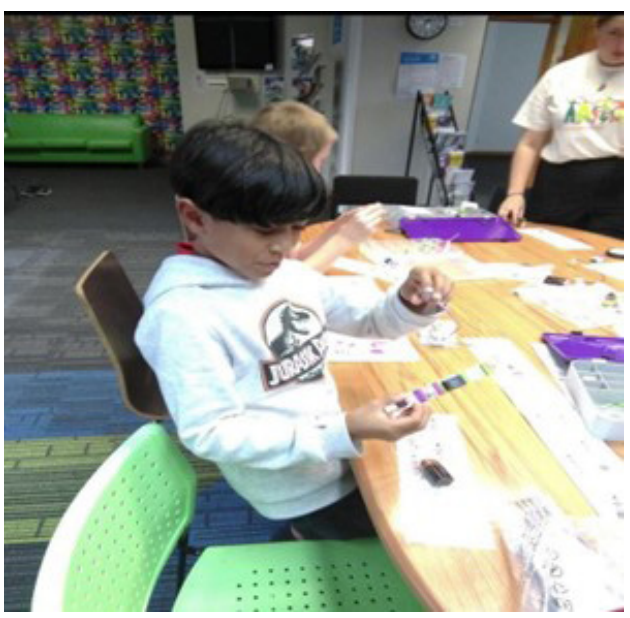
Our Kakaramea School students enjoyed a busy end to Term One. Alongside all the usual business of learning they also enjoyed an Easter Egg Hunt, a Weetbix Triathlon event, Wheels Day, end of term Celebration Auctions in class, Rippa Rugby wins, eLearning at the Pātea Library, a trip to Waitara for the Howie Tamati League Tournament and a visit from the Kiwi Kids Charity Roadshow. In class we extended our knowledge of the ANZAC’s with the seniors sharing their learning in a special Memorial Assembly and the juniors showing off some of their spectacular art works. We’re so lucky to have had our local historian, and ex-student, Jacq Dwyer generously share her time and expertise to help bring history alive for our children. A big thank you to everyone who supported our Easter Raffle - check out the grins on those winners! Ngā Mihi to our awesome parents who give up their precious time to attend sporting events, coach, transport and care for our Kakaramea School Whānau, we all appreciate you so very much. A special mention to Mike Cole who was a guest instructor at our last Forest School session - the seniors are looking forward to spending more time in our outdoor classroom next term, learning about bush craft and appreciating nature so that we are better able to protect it.

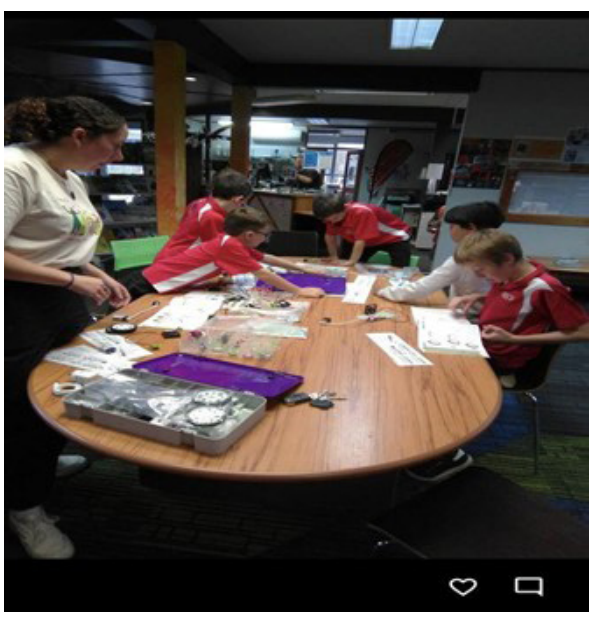
Easter Raffle Winners

Congratulations to the First Place winner Eddie Wineera, and Second Place equal winners Hayden Rowe and Lucy Walker. Ngā Mihi to all who bought a ticket and to the Events Committee for organising.

E Learning at the Pātea Library

Every week our e-learning leaders head into the library for specialised training in technology. They come back bursting with new ideas and skills that they are then encouraged to share with others. Term 2 will see them running a lunchtime ‘coding club’ to awhi an emerging group of e-learning enthusiasts.





Weetbix Kids Triathlon

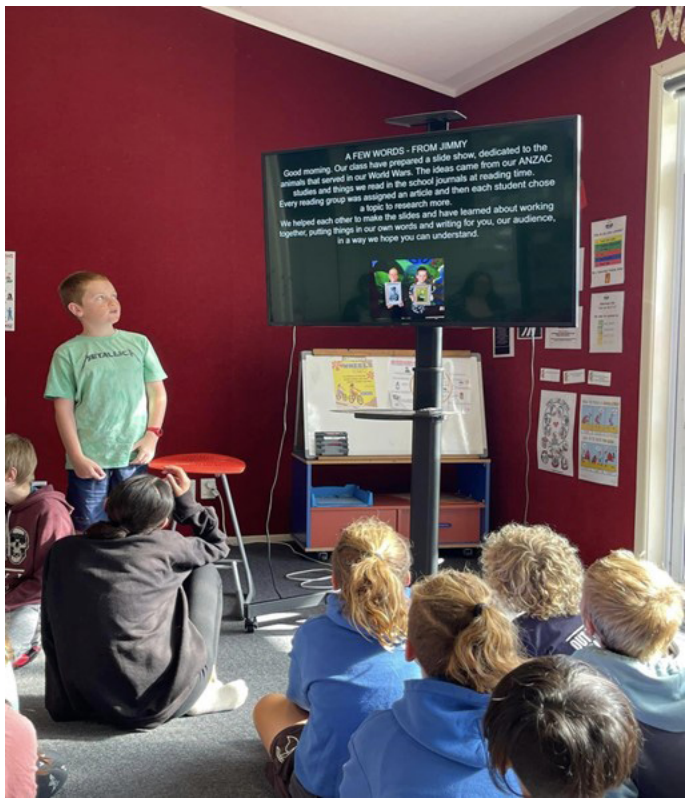
Some Kakaramea superstars ran, swam and cycled their way to medal glory at the Weetbix Kids Triathlon in New Plymouth on the 30th of March. They all had a great time and hopefully inspired their peers to get amongst it next year. Pictured below are Charlotte, Frankie, Cooper, Taine, Charlie, Mason, Wills and Libby. Good on you all for keeping fit and healthy while having fun in the sun!

Howie Tamati Rugby League Tournament

On the 3rd of April we sent a determined team of young league players up to Waitara to participate in the annual Howie Tamati Rugby League Tournament. Pictured with their awesome coaches Jay Knight and Jamie Napflin are Whenuakura students Eric, Quentin and Rhenyk with our boys Cooper, Boston, Charlie, Mason, Caleal, Eli, Kobi and Taine. It was a big day for our boys and we thank everyone for their support. Bring on the Graeme West early in Term Two.

ANZAC Memorial Assembly

Jimmy introduces a slide show to the whole school during a special assembly we had to commemorate the ANZAC soldiers. The senior students in Rimu wanted to learn more about the animals who served in the wars and described the many ways that mascots, horses, dogs, pigeons and donkeys contributed to the war effort.



The junior classes created poppy art – a patch work mural from the students in Manuka and supersized poppy artwork from the little ones in Koru. They are photographed here with the crosses that bear the names of our local boys who went to war.

The Kiwi Kids Charity Roadshow

We had the opportunity to host the ‘Kiwi Kids Roadshow’ at school on the 31st of March. The Roadshow tours Aotearoa in an eclectic collection of vehicles and is made up of volunteers who get together once a year to spread joy, hope and help to tamariki. We were delighted to receive a kind donation of sports gear and novelty gifts and enjoyed the entertainment. The children impressed the manuhiri by busting out a pretty mean haka that they have been working on with Matua Louie.

Forest School

Kakaramea School is blessed to have an enchanted forest just over our back fence, a forest that the Croot whānau have generously allowed us to utilise as an outdoor classroom. We were lucky to have a session on tool safety with our neighbour Mike Cole who is a valued bushcraft expert and Nature Fan. We are hoping to get the students into the forest more next term to deepen their connection to the outdoors and expand scientific knowledge of tree and plant species, common creepy crawlies and to learn more about preserving habitats and wild spaces for the benefit of future generations.

Hoops in Schools

The Hoops in schools promotion (funded by the NZ Community Trust) has enabled our lucky students to receive a new, super flash, basketball hoop. This was christened on Friday the 19th of May by some pretty special guests. Players from the Taranaki Airs and Thunders and NZ Breakers player Tom Abercrombie came to entertain the children with tricks and tips and gave out prizes.

Pink Shirt Day

As part of our Pink Shirt Day learning students were nominated for acts of kindness noted around the school and our community. Here are our Pinky Bar winners. Standing up together to stop bullying has never been so yummy!

Graeme West Tournament Win

A huge congratulations to our league players from Kakaramea, Pātea Area and Whenuakura who were the winners of the Graeme West Rugby League Tournament 2023. They defended their title playing well in tough conditions at Hāwera Primary last month. It must have felt good to make your awesome coaches Jay and Jamie so proud. **Well done team.**

Carlyle Women's Institute

Our May meeting was attended by 8 members, minutes were read financial report presented. Business discussed; 4 members attended the ANZAC Dawn Parade. Rose Cowley and Jaime Millar laid a wreath at the cenotaph, and then went to help Carole Dalziel and Bridget Dwyer at the Old Folks Hall pour tea, coffee and hot toddies.

Remits that will be presented at the AGM/ Conference in Timaru were voted on, and the delegates going to conference will vote on behalf of our institute.

If you are interested in joining us, come and see what we are all about, first Thursday of each month, 1.30pm at Patea Old Folk**Competitions for March, April & May 2023 following:**

New Library, Art and Information Centre Takes Shape

Te Ramanui o Ruapūtahanga, South Taranaki's new library, art and information centre, has started to take shape with key elements of the structure having sprung up over the last four weeks.

South Taranaki District Council (STDC) project coordinator Phil Waite, says progress is noticeable with eighteen pre-cast tilt-slab concrete panels having been erected along the eastern boundary wall, and 10 of the structural steel frames made by Hāwera engineering firm Croucher and Crowder, erected on the western side.

“The focus over the next month will be the delivery and assembly of more structural steel elements, such as roof trusses, as well as installation of the remaining concrete tilt slab walls,” says Waite.

Once the building is finished around 80,000 kg of steelwork and reinforcing steel will have gone into the project and approximately 380 cubic metres of concrete.

South Taranaki Mayor Phil Nixon says the long-awaited project is a key part of the council’s post-COVID economic growth and Hāwera town centre revitalisation strategy.

“The new facility will transform the town centre. The modern, multi-functional, community facility will provide residents and visitors to the district with a wide range of services, information, cultural and educational resources. These include a library, art gallery, i-SITE visitor centre, café, and public toilets. Te Ramanui o Ruapūtahanga, will not only be a community and visitor hub, but it will also be a catalyst for driving change, creating economic stimulus and increasing investment in the town centre.”

To date almost $7 million in external funding has been secured for the project with major contributions from the TOI Foundation ($2.8 million) and $4 million from the Government’s Kānoa – Regional Economic Development and Infrastructure Investment Fund.

The Tourist Bird Adventures

I am Jenni Corbett, an artist resident in Waverley. Over the last couple of years I have been focused on after school kids classes in Patea and Waverley, as well as the mural project for the Waverley Swimming Pool.

This year I have decided to focus on my own art and am doing an exhibition in Whanganui.

The exhibition features my characters called The Tourist Birds. The Birds love to travel and explore new destinations. In this exhibition they start in Sydney and their travels include the Philippines, China, Turkey, Peru and Route 66 to name a few.

I am excited to share this exhibition with Bob Wilson, an abstract Whanganui artist.

The exhibition is been held at Whanganui Arts - at the Centre, 19 Taupo Quay from the 1st to 10th June.

The official opening is a luncheon at 12.30pm on Friday 2nd June.

To keep up to date you can follow me on FB: Jennicorbettart

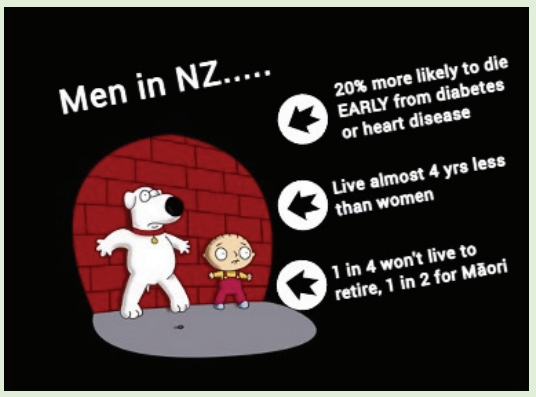
men's health week

TE WIKI HAUORA TĀNE 2023 • **JUNE 12-18**

Why do we need Men's Health Week?

Men are on the back foot from the start.

- A boy born today will live nearly four years less than a girl born in the room next door.
- He will be over 20% more likely to die of a heart attack than the girl, and almost 30% more likely to get diabetes.



- Worse, he is three times more likely to die by suicide or in a motor car crash.
- 8 Kiwi families every day lose a loved partner, father or tupuna to a ***PREVENTABLE*** illness, one they didn't need to die from.
- Māori and Pasifika men live significantly shorter lives on average than other ethnicities in NZ. That seems all wrong.
- Almost one Kiwi man in four will die before they reach retirement age. One in four of us won't live to retire, and if you are Māori, you have a pretty good chance of not making pension age!

The numbers are terrible for guys. But here's the thing.....we can actually do something about them, and that's by doing something ourselves.

Small changes can make big differences

Men's Health Week is a chance to have a personal health stocktake.

We do it for our cars every year without batting an eye, but do we honestly get ourselves checked out in the same way? Sadly too many of us don't.

Are we eating as well as we should, drinking sensibly, getting in the exercise our bodies need? Not enough men can say yes to all three.

Men's Health Week is all about encouraging men to have that honest look and if needed, to start with the small steps that can enable them to turn their health issues around.

Small changes can be simple. We start small, walking a little, cutting back on some eating or drinking, switching one negative thought for a positive one……then bank that gain and tomorrow take one step further. Each day you get a little bit better from where you were, and over time the differences can be enormous.

Small changes can - and will - make big differences. We just have to start.

Top Tips for Men's Health Week

1. **Check in with your doctor.**
   Building and keeping a positive relationship with your doctor is the single best health move men can make. Honest, open talking with someone you trust is vital and means you will get the age-related tests, checks and action you need.

2. **Check in with your mates**
   It's been an awful year so far and the strain is all around us. Check in with your mates, ask them if they're doing ok. It's good to be up front when you're shoulder to shoulder. For both of you.

3. **Be active**
   Try for at least **150 minutes** of physical activity each week like walking, gardening, as part of your work…..it doesn't matter how as long as you're doing it.
   As we get on, we should be trying to do **30 minutes** each week of strength-based exercise, not body-builder stuff but more like using resistance bands or small weights.
   Here's the good news – research is starting to show that it's not the intensity but the duration that counts, and the 150 and 30 mins can easily be done in small blocks, eg five 30-minute walks a week, or three 10-minute strength sessions.

4. **Do What's Your Score?**
   Want a snapshot of just how your health routine might be looking? Check out What's Your Score? on the Men's Health Week website

Take the test and get your score at
menshealthweek.co.nz
Mens Health Week 12-18 June, 2023

This quick checklist shows you at a glance the various health checks guys should be getting as they go along and suggests where changes could lead to your better health.

Challenge your mates to do it too

"What's Your Score? then….. (you may be saving their life)

Men's Health Week is not a fundraiser and nor is it a week of doom and gloom.

Instead it is a reminder to Kiwi men that our health is our most important asset, and we owe it to our loved ones and mates to keep it as good as we can.

Guys – let's celebrate the health we have, and improve it if we can.

menshealthweek.co.nz

Men's Health Week has been sponsored in New Zealand from the beginning by the Registered Master Builders Association.

June 12 – 18, 2023

Patea Masters Rugby League

A classic display of Masters Rugby League was shown over the weekend of the 20th May 2023 at The Wellington Masters Rugby League Competition which was held in Otaki, where the Patea Masters travelled down to perform in an intriguing game of Masters Rugby League

Sam Broughton, the Patea Masters Coordinator, Captain and Coach said that the Patea game was played with such passion and drive.

"Although Patea performed very well, but unfortunately couldn't get the win, you could sense the determination from the Patea players who never gave up and showed a lot of mana on the field throughout the game".

A standout of ex- Patea personal patrons and past players who had travelled from afar turned up to be part of this event.

"To see past players come out of the wood work representing the town giving their all and enjoying themselves was an awesome experience to witness" Broughton stated.

The Patea Management Team would like to acknowledge the Community of Patea. The amount of people that showed up to watch and support the games was exhilarating.

"Yeah, having to play in front of a big crowd was a highlight of the games, cheering on the Patea team on the field, sensed a sensational vibe from the locals".

No non-sense Masters Manager Renee Kepa and Communication Coordinator Neville Hinga have gone to great lengths with their commitment and engagement towards the Masters team.

A special mention also to Marcia Broughton for donating some taonga (gifts) to the club and to Andy Maruera for donating one of the team flags to the Otaki team.

The support the Masters team has been receiving has been phenomenal, and all the Wellington Clubs were aware that we had made our presence felt and have invited us to more events in the coming future.

Now they look forward to the next lot of up fixtures coming up.

June 18th
Sunday Masters match:
 # Patea Masters vs Western Suburbs Masters

#Coastal Cobras Masters vs Castle-cliff Seagulls Masters
Yet-TBC.

Location: Ngamotu Domain

Golf News - Patea Golf Club

Matchplay Championships

The club matchplay finals were played on Saturday 13th May and the weather was good after a wet few days.

The men's senior finalists were Darcy Faiers and Clayton Hori. Darcy was one under par for the first nine holes and had a three up lead. He continued to play very good golf in the back nine scoring six pars and 3 birdies for a four under par round of 69 and after eighteen holes he had increased his lead to six up. Clayton was only 3 over par at the lunch break and playing to his handicap. After lunch Darcy continued to play par golf and he proved to good to be too good on the day for Clayton winning the senior title by a 9/8 margin.

The ladies senior finalists were Kath Honeyfield and Kathy Faiers. Kathy Faiers made a good start and played to her handicap for the first eighteen holes and had a two up lead at the lunch break. After lunch Kath Honey field played much better golf and won five holes and after twenty seven holes she had a three up lead. She continued her good form in the last nine and Kathy failed to win a hole so the senior ladies title went to Kath Honeyfield the winning margin being 6/4.

The intermediate men's finalists were David Cole and Kevin Cameron. David made a good start winning the first four holes but after nine holes Kevin had reduced the margin to three down. Play was very even in the back nine and after eighteen holes Kevin was only two down. After lunch David played steady golf and slowly ground away to increase his lead, and David went on to win the intermediate title the winning margin being 5/4

The intermediate ladies finalists were Ev Gibbs and Barbara Hill. Play was very even for the first nine holes and Ev had a one up lead. Towards the end of the second nine Barbara lost two holes and at the lunch break Ev had a three up lead. After lunch Ev dominated the match winning six of the nine holes and won the Intermediate ladies title the wining margin being 9/8.

The men's junior finalists were Mike Rio and Mike Taikato. Mike Rio made a good start wining the first three holes but Mike Taikato fought back and after nine holes the margin was only one up to Mike Rio. He dominated the back nine and after 18 holes Mike Rio had a five up lead . After lunch Mike Rio continued to play good golf scoring many pars and went on to win the junior championship the winning margin being 8/7.

The junior ladies finalists were Win Finlay and Ciara Pullen and they played over 18 holes only. After nine holes Win was three up and with good chipping and putting Win carried on to win the junior ladies championship the winning margin being 5/4.

The best game or the day was the men's limit final between Brett Rutten and Alec Pullen. This final was also over 18 holes. After nine holes Alec was one up. Brett fought back and managed to get a two up lead but Alec then won three holes and went on to win the limit championship the winning margin being 1up.

Congratulations to all championship winners.

Black & White Cup

This was a nett competition played over 18 holes on a wet golf course after recent rain.

Gerald Rutten with a nett 73 won by one shot from Mike Taikato and Steve Honeyfield who both had nett 74s. Cyril Faiers scored the only two but did not win the jackpot.

The main competition played over the winter months will be the Moody Mugs. This is a two ball best ball competition with a two life system. Good luck to all players

Four way interclub at Weedons Christchurch.

A large group of players will represent Patea at the four way interclub in Christchurch Queens birthday weekend. Twenty nine golfers and three non golfers will head to Christchurch for a week of golf. Hopefully the weather will be kind to us and we can play some good golf. It will be good to catch up with our golfing friends from the other clubs.

Golf Club Dinner

Red Rock will be catering at the golf club on Friday 16th June so come along and have a night off cooking.

Junior club Golf coaching

Junior golf coaching will restart on Thursday 1st June. Coaching time is 3.45pm to 4.45pm. Please be at the golf club before 3.40pm so we can all start on time

Coming Events

10th June 1st round of Moody Mugs

17th June 2nd round of Moody Mugs and Patea Cup Qualifier

24th June 3rd round of Moody Mugs and Shootout Day one

Waverley Croquet Club

We have been enjoying the last of the Autumn sun, making Croquet a really enjoyable game to play. The grounds have been great, nice and green and lush therefore low in maintenance although a bit of winter boosting is now required before it gets to cold. Our closing day and Prize Giving is set for Wednesday 31st May. This will be a fun day to finish off with for the season.

During May there have been 7 Jumpshots and 14 Hole in Ones achieved. These are greatly contested and gives much delight when one flukes one, I mean well executes one.

All competitions have now been completed and hopefully there will still be some warm sunshine to finish off with. Anyone wishing to know more about the Club can make contact with one of the below.
