Abbotsford News

Did you know Abbotsford in Waverley is an old Maternity Home which was started about 1907. A midwife, Janet Edwards, decided it would be better for pregnant women to come into town rather than her travel by horse to their homes.

She owned a two storied home which she felt very suitable to turn into a nursing home. The home was then a private one and patients had to pay to go there. Janet's Daughter Lizzie, who had spent most of her life raising her siblings, decided to run the home.

Lizzie ran the home by herslef with occasional help in the laundry and kitchen. In 1912 when the Home was being fumigated, Lizzie left one of the lamps on and the home burnt down.

The new home built on the corner of Suther and Smith Streets was more modern, spacious and less labour intensive.

When Lizzie retired the home was brought by the Waverley Citizens Committee in 1943 and continued to be run as a Nursing Home until it was closed in 1986.

We continue to run clinics and have events in this beautiful building which people love going through and reminiscing when they return.

Recently we ran another successful pink ribbon lunch held on Sunday 25th June. The sun was out as people enjoyed lunch catching up and some reminisced of their time at Abbotsford after giving birth and shared precious stories. Thanks to everyone who came along, we managed to raise just over $1400.00 for a wonderful cause. A special Thanks to Amie Ussher from Liquorland Fitzroy for her kind donation towards refreshments on the day. Keep an eye out for more events at Abbotsford in Waverley throughout the year.

We have been lucky enough last month to receive funding from McBroom Estate to put Lino down as you walk into our building and also in one of our rooms used for a number a clinics, thanks to McBroom we really appreciate the grant.

Did you know we have a podiatrist, district health Nurses, standby, sport massage, Plunket & Community Patrol working out of Abbotsford, check out our Facebook page for more details.

With the colder months approaching we are very grateful for our heat pump that heats our whole building. If you were wanting to rent a room for a meeting or a working space give us a call and we can book you in.

Abbotsford is still to this day COMMUNITY OWNED, is registered as a charitable trust and administered by a Committee of volunteers.

Our Annual AGM will be held on Monday 14th August at 5.30pm at Abbotsford in Waverley. Everyone is welcome to attend and we would love any new people wanting to join our committee to come along.

Delivering the mail

By Carl Bates
National Party candidate for the Whanganui Electorate

Throughout June and early July we delivered letters to people across the electorate - an introduction to who I am and why I am standing to become the next Member of Parliament for Whanganui. . Over the course of one rather cold day, we hand-delivered all those for people in Patea and Waverley.

I had a fantastic team supporting me, and on Wednesday 5th July, we headed west from Whanganui and were joined by some local members of our team. Unfortunately my wife Candice and younger son Logan were ill at home, so four-year-old Angus accompanied me as we walked the streets of Patea.

Patea and Waverley are towns many people just tend to drive through. So I love stepping off State Highway 3, walking into the side and back streets and really getting a feel for a place. This day gave me exactly that opportunity. People were generally welcoming and friendly and I had some good conversations with residents asking what we were up to..

Angus did really well, but eventually he was elevated to Dad's shoulders, from where he had a bird's eye view of Patea. The mail got through, and we were able to tick off another day of campaigning. What has made it worthwhile though is the couple from Patea who have attended our last two public meetings in Whanganui, as a result of receiving my letter!

We'll have events in Patea and Waverley over the next couple of months, but in the meantime I now have a standing invitation to call in to my new Patea friends when I am up that way. Building relationships like this makes the campaigning (and the sore shoulders) worthwhile!

Until next month,
Carl Bates

A Christian Word

I was concerned that our unique paper was to come to a sad end, a while back. Now its good news to hear that Janene Pope is willing to pick up the baton & keep what is a very unique paper for us all to continue to enjoy. I thought it was to be a final & sad finish of what has been an enjoyable paper, full of local news! I have endeavoured to bring the best news to all, that God gave His only begotten Son, that who so ever believes in Him shall never perish, but have everlasting life. Now that is good news! We, like this paper, have been around for quiet some time, full of memories. It has been a solid link for the community, keeping us all up to speed! So to speak. This particular column has had one purpose for me, to tell of the wonderful love of God Almighty to all His creation. For God so loved the world that He gave His only begotten Son, that who so ever should believe in Him (Jesus) will have life everlasting. The gospel message has never changed, it states: "Jesus was born of a virgin, that He was killed on a cross, buried & 3 days later He arose from the dead & has ascended into the realm of His Heavenly Father". The Old Testament is full of examples of animals being offered as a sacrifice for sins, God made His Son the final blood sacrifice for all your sins for all time! The door is always open for you to come into what has got to be the most important decision you will ever make in this life, everything will come to an end, life being the most obvious, but this gospel message proclaims powerfully the power over your life to cancel all your sin's & not only that, but to give you life everlasting in the mighty name of Jesus! We are a spirit being with a soul, living in a body for a limited time. Our spirit & soul will never die, they have to go somewhere when we die & there are only two options! I am astounded at times to realize that God Almighty, having placed everything about us so that we are without excuse, He, God, gives us this everlasting choice, to decide whether, first, that He exists & then this decision, where to spend the rest of eternity, like I said, our spirit & soul will never be destroyed!! This requires your Utmost attention. Take it very seriously, God's love empowers you to decide, make the right choice & repent of your sins & ask Jesus Christ to be your Lord & Saviour, the best life insurance policy you could ever have & you are the benefactor, the cost of the policy has already been paid in full by Jesus!! Thank you for taking a moment to read this, those of you who acknowledge Jesus as your Lord & Saviour will be eternally blessed, those of you who choose not too, are in a spot of bother, to put it mildly!! Remember, God gives you the freedom to choose, you do not have to belong to some religious organisation & work for your salvation, it is a free gift from God to you, accept it!!. Thank you, the Lord bless you & keep you.

Come Lord Jesus Ted Reeves Patea

Council's Antenno App Makes Communicating Easy

Reporting issues and receiving notifications from the Council have never been so easy says Kaponga resident and community board member Sonya Douds.

Sonya is one of more than 1,500 people who have downloaded the South Taranaki District's Antenno App and she's an advocate for its use.

"Antenno is a mobile app that sends you Council alerts and notifications, about places and topics you care about. It's free to download and use, and you can opt out of topics that aren't of interest to you. It doesn't ask for any personal information or login details, so it's a nice easy way to stay informed about Council news, events and activities," says Sonya.

"One of the best features of the app is that it lets residents report issues or give feedback directly to Council. For example, if you see a damaged a footpath or a pothole that needs repair, instead of waiting till you get home to ring it in, you can do it right there and then using the app. It also allows users to include extra details such as photos and GPS location," she says."

"It's also particularly useful as a means of staying informed during emergency events."

STDC Communications Manager, Gerard Langford says the Council wants to make it as easy as possible for people to give and receive information.

"The app doesn't replace our current communication methods and our residents can still report issues via our website, our toll-free phone or by visiting any one of our seven libraryplus centres or the Hāwera Administration Building on Albion Street."

Residents can download the Antenno App from App Store or Google Play or go to the Council website www.southtaranaki.com/antenno for tips and help.

Creative Communities Funding Applications Open 1 August

Do you have a community arts project that needs some funding support? The next application round for Creative Communities funding opens on Tuesday 1 August and closes at 5pm on Friday the 1st of September 2023.

The South Taranaki Creative Communities Scheme provides funding assistance for community-based arts activities in South Taranaki that take place between 27th of September 2023 and 27th of September 2024 and meet one or more of the following funding criteria:

- Broad community involvement - A project that will create opportunities for local communities to engage with and participate in arts activities.
- Diversity - A project that will support the diverse arts and cultural traditions of local communities, enriching and promoting their uniqueness and cultural diversity.
- Young people - A project that will enable and encourage young people (under 18 years) to engage with and actively participate in the arts.

Application forms are now available on the South Taranaki District Council website www.southtaranaki.com or at your local LibraryPlus. For further information, email funding@stdc.govt.nz or phone (06) 278 0555 or 0800 111 323.

Since I first wrote the Waverley books the internet has exploded giving much more access to research material than could ever be imagined in 1983 when I wrote my first Waverley book. For this reason I intend to write a series of articles called "Waverley's Forgotten" which will update the information I previously gathered and inform newcomers to the district of aspects of Waverley's past. Laraine Sole

Waverley's Forgotten - Herewini Whakarua and Iwiora Tamaiparea

Herewini Whakarua was the son of Iwiora Tamaiparea who was a minister, and Te Ata Whiro who died of typhoid fever in 1907. After her death Herewini was whangai'ed (fostered) by his mother's sister Kuki who was the wife of Rima Whakarua. The couple lived in a beautiful old homestead opposite Tauramga Ika pa at the end of the Nukumaru Straights, (3168 SH3) and after attending Collegiate in Wanganui where his leadership qualities were acknowledged, Herewini was farming on family land at Waitotara. When war was announced at the end of 1914 and he was one of a local group of young men eager to get to the front to aid the war effort.

Herewini's father was persistent in trying to dissuade him from enlisting. His argument was that his son had received a good education and had the rest of his life ahead of him. It seemed to make more sense for him to enlist as he had fewer years to live. Herewini could not be persuaded to change his mind so his father vowed that should his son be killed, he would go in his place. It was quite a promise.

World War I was the first time that Māori had officially fought for New Zealand although some had volunteered for the South African war. The men were put into a distinct unit known as the New Zealand Māori Contingent which trained in Auckland. Others from Waitotara who enlisted at this time were Hone Aperahama, Toi Kauika. John Morehu. Tame Potonga, Hoani Sullivan, Kimi Tamou, Kotoku Tieketahi and Turi Wharemate. Their war stories can be read in my book "Called to Colours."

Herewini sailed for Egypt in early 1915 and from there left for the horrors of Gallipoli. For those Waitotara boys, having someone to share memories of home must have been a great comfort. The men took part in the heavy fighting, coping with lice, a shortage of water, trench feet, atrocious living conditions and the continuing smell of rotting corpses. On August 10th 1915 Herewini came down with dysentery which was rife among the troops and he was put on a hospital ship to the No 3 General Hospital in Cairo. He left there for a convalescent camp in Zeitoun two days later. Just over a month later on September 21st 1915 he was admitted to the No 1 Australian Hospital in Heliopolis, Egypt for reasons unknown and was discharged for duty after nine days. He was then sent to the island of Mudros where the British had a base close to Gallipoli and on November 18th he rejoined his unit at Anzac. He remained there until troops were mercifully withdrawn to Egypt on December 27th 1915.

By early 1916 The Māori Contingent ceased to exist, and Māori troops were incorporated into the New Zealand Pioneer Battalion, sometimes referred to as the Māori Pioneer Battalion. The Māori Battalion was not meant to be front-line fighting units (although this wasn't always the case), but a military labour force trained and organised to work on engineering duties, digging trenches, building roads and railways, and taking on any other logistical tasks deemed necessary. This was essential and extremely dangerous work as it was often carried out under fire.

With the troops now being deployed Europe, Herewini left Port Said for France in April 1916. In July he was promoted to Company Bombardier and in August to Battalion Bombardier. Nothing more is known of his service until March 1917 when he was appointed Lance Sergeant in the field.

In April 1917 Herewini was again promoted – this time to Sergeant – and he also contracted mumps which from time to time swept through the troops. He was admitted first to the No 3 NZ Field Ambulance and then the No 4 General Hospital at St Omer, discharged to Base Details on April 23rd and rejoined his unit in the field on the 24th April. However two days later he was given leave (probably in Paris), then returned to his unit until September 14th when he again was given leave in Paris until September 22nd.

From 29th September until November 3rd 1917 Herewini was detached from his unit to attend the Army Central School and at the end of this training was promoted to Warrant Officer Class II - Company Sergeant Major. Herewini's star was certainly on the rise.

Unfortunately on January 1918 he received severe wounds to both thighs as well as his neck. He was admitted to the No 3 NZ Field Ambulance and then sent on to the No 2 Canadian Casualty Clearing Station. His condition deteriorated and he died there ten days later aged 25. He is buried at Lijssenthoek Military Cemetery (XXVI, CC.4) near Poperinge, Belgium.

When his father received the devastating news of his son's death, he made good his promise and enlisted. He was forty years old. (For some reason he put his occupation down as "gentleman at large" when he joined up.) By June 1918 Iwiora was heading for England via Jamaica as a private with the N.Z. Pioneer Reserve Battalion. A fortnight before disembarking at Liverpool he spent three days in hospital on Relief Ship 106 in August for reasons unknown. From there he marched into the New Zealand Engineers' Reserve Depot at Christchurch. Fortunately for him the war was soon over so he did not see action, and in November, Iwiora was detailed on command to work at Brockenhurst Hospital for two months.

On January 10th 1919, Iwiora joined his battalion at Larkhill Camp where he fell prey to influenza which was sweeping the country. He had it so badly that on 22nd of that month he was admitted to the Endell St Military Hospital with debility. He was transferred to the Hornchurch Convalescent Home on January 30th but was again admitted to Walton-on-Thames Hospital on February 2nd with Chronic Pulmonary Disease Indeterminate (CPDI), a legacy from his influenza. He was not discharged from there until April 12th with instructions to report back to the hospital on May 2nd. However while on furlough, Iwiora was admitted to Walton-on-

Te Iwiora Tamaiparea. Photo: Ancestry.com

Thames Hospital on April 22nd due to his ongoing issues with his lungs. Then in early June he was transferred to Codford Hospital with an infection and remained there until August 2nd. He returned to Sling camp but on August 14th was readmitted to hospital at Walton-on-Thames where he remained until September 5th when he transferred to the Military Hospital at Devonport 'slightly sick'. What a miserable time he'd had.

Iwiora left England for Auckland in early October 1919 and was discharged in December on account of his illness.

After the war, Herewini's aunt and uncle commissioned a Carrara marble statue in his likeness to be placed in the family urupā (graveyard). However, when approached they agreed to its being placed on a memorial that was being built to the memory of the seventeen Māori from the Whanganui district who had died in the war. The statue has a remarkable likeness to Herewini and is extraordinarily detailed, far more so than many other such statues around the country.

The memorial was unveiled in Moutoa Gardens on Anzac Day in 1925 when Sir Māui Pōmare spoke on behalf of the Government and elaborated on the fighting prowess of the Māori soldiers. The inscription on the main panel reads, "This memorial was erected by Māori people of the Whanganui district to commemorate the Great War during which Māori soldiers for the first time in history went overseas on active service as a complete military unit. On the battlefields of Gallipoli, France and Flanders, they added to the traditions of their race. Along the far flung battle line, they fought side by side with the Home and Overseas forces for God, King and Empire. With the immortal dead of all Allied forces, they made the supreme sacrifice that liberty, justice and goodwill might be preserved throughout the world."

Herewini's statue was removed from the top of the monument in Moutoa Gardens in March 2013 due to the deteriorating condition of the tall rock obelisk on which it stood. Extensive work undertaken over three years took place at a cost of more than half a million dollars. The statue was housed in the Serjeant Gallery where it was cleaned in the meantime.

The annual service which started in 1933 is the longest running Māori service in the country and was held in the War Memorial Hall while the memorial was being restored

The restored obelisk and statue was officially unveiled at an emotional ceremony on Anzac Day 2017 with hundreds in attendance.

Today Herewini stands across the world from the battlefields of Europe, gazing steadfastly across Wanganui towards the seas which brought his people to this country. The warrior's body may lie in fields abroad, but his mana and spirit live on in the memories of his people and in his eternal vigilance.

In the opening days of Gallery Patea, a pickup pulled up outside the door, and two people got out “He’s an artist’ says one, pointing to the driver, and that’s how the gallery met Bruce Adrian and being a community minded man, how he began his commitment to the gallery.

Bruce had recently returned to Patea having spent time in Australia. He pulled some canvases from the back of his truck showing some of the scenes he had painted while there. Scenes from the outback and images of birds were the first works he shared.

He is a man of many skills and deep sincerity with the soul of a poet, turning out paintings that are a heart-felt response to the world around him.

As an indication of his generous spirit, the first year the gallery opened, in the lead-up to ANZAC Day, Bruce donated one of his pieces featuring a lone soldier to a silent auction run by the gallery. The funds raised were presented to the local RSA.

He has an eye for detail, and an ability to transfer a scene that combines narrative with actual local landscape. Younger members of his whanau drop in from time to time to admire the work of ‘Uncle Bruce’. More recently his interest in creating tools sourced from the environment has led to the production of Patu Kohatu, Toki, and being an avid producer of kai, over the past twelve months he’s begun the making of Ko,- a digging tool, used to turn the earth for planting. The first Ko he made was shown in 2022 in Te Niho at Parihaka during that year’s Puanga Kai Rau celebrations. A more recent version is planned for a spring exhibition at Lysaght Watt Gallery in Hawera, organised by Michaela Stoneman.

Between fishing, gardening, and looking after whanau, Bruce continues to use his skills to make tools that acknowledge and honour an older technology, while also following his love of paint and imagery.

You can often find Bruce at Gallery Patea, and can talk to him about some of his work displayed there, but you need to be quick - as it is in high demand.

TE MAHANA

REST HOME IN PATEA

Residents from Te Mahana Rest Home recently decided to make the most of a beautiful Winters Day by roaming the countryside, visting the beach and eating yummy hot Fish'n'Chips for lunch.

They had a ball soaking up the sun, walking along the sandy shoreline, and one very brave lady decided if her great grand children can do the slide at the park then she should too.

We thank the staff who accompanied this group – they certainly went to the right places.

WAITOTARA SCHOOL
'Achieving Together'

Kia Ora Koutou,

Welcome to Term three 2023. I hope you are looking forward to another good term at Waitotara School! Staff all had a refreshing break, spending time with family and planning a fun filled ten weeks ahead for both classes.

Our first Puanga parakuihi (breakfast) was a success made possible by wonderful staff and volunteers who were at school by 7am to start cooking. Our only hitch was that the kitchen fuses kept blowing with the many toasters that were on the go. Next year the breakfast will be run and served by our school leaders. Thanks to all of the families who joined us, we served around 65 breakfasts which was a super effort and thanks to our school board for funding it.

Well done to staff for achieving their Level One Te Reo,One staff member will go on to complete Level Two in Terms 3 & 4.

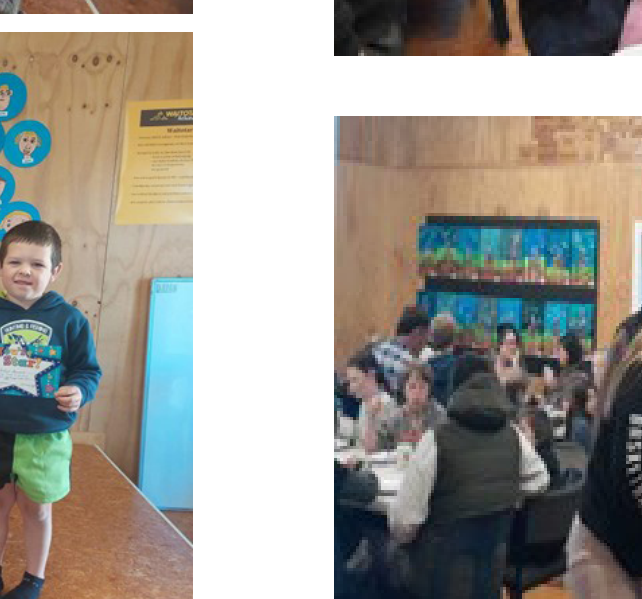
This term our overarching topic is ‘Let’s get Physical', with a focus on the Physical Education Curriculum. This is the term that students either love or loathe with daily cross-country training!

We will be running the ‘Keeping Ourselves Safe’ programme in conjunction with NZ police. Our local Education Officer, Ben Broughton will be working alongside us to run this programme

Both classes will be writing speeches and performing these to their peers. Seniors will be judged, and we will take the finalists to Faith City School to compete against our cluster schools.

Our Garden to Table and Enviroschools focus continue. Juniors have built their gardens and are ready to plant yummy herbs and vegetables.
Enjoy the term.

Polly Devane
Principal



Our last assembly for Term 2 and we celebrated lots of amazing children with certificates - class and principal awards. Well done to the following children.
Class Awards: Archie Barnard, Carter Schrader, Aeneas Thomson, Harrison Mooney and Charlie Murphy.
Principal Awards: Caine Newble, Harry Mooney and Beaudene Parkes.

Seniors shared their Atua pictures and Tom from the Junior Class shared what we did in the garden today...building 2 planter boxes. Great impromptu talk Tom.

Kaipo Marae Visit

Thank you to our local Marae for letting us visit for the day at the end of term two.
After being welcomed onto the Marae with a Powhiri the students enjoyed storytelling, Waiata and weaving.

WAITOTARA SCHOOL
'Achieving Together'

Waverley Primary School

Kia ora koutou,

I hope you all managed to have a bit of a break during the school holidays. Now having a school age child I can see the appeal of children going back to school after the two week break, unfortunately it also means that I have to go back to school also. We have had a really busy end to Term 2 and start of Term 3. Our Year 5 and 6 students had a wonderful camp to Mangatepopo in the last week of Term 2. It was really nice to join them on the first two days of camp. The Year 7 and 8 students will be going to their camp in Rotorua on the 24th-28th of July.

The first week back started with a hiss and a roar. We had 5 different members from the Taranaki Airs come and complete three training sessions with our school basketball team. This is the first year that we have competed in the Whanganui basketball competition. The training sessions proved to be very useful for the team. Hopefully we will get the opportunity to put the skills into use in our next game.

In August the school will be holding its annual student led conferences. This is an exciting opportunity for our students to share their learning with their whanau.

Now that it is Term 3 we have started our cross country training sessions. We are looking forward to holding our cross country running event later in the term. Fingers crossed that it is a nice sunny day this year.

Mangatepopo Camp

We had an absolutely amazing week at Mangatepopo Camp this year! Waverley Primary has been attending Mangatepopo for decades and it is a special tradition. This year, one of our teachers and two parent helpers had also attended the camp together when they were in Year 6 at Waverley Primary! We had a fantastic week away making memories to last a lifetime. HUGE thanks to our top notch team of parents who came and helped make the week run so smoothly. Biggest thanks of all go to our wonderful group of kids...you were an absolute pleasure to spend the week with.

BARTLEY REAL ESTATE LTD, BAYLEYS, LICENSED REAA 2008

Investors, downsizers or first home buyers

This recently refurbished home in Waverley is an excellent choice for downsizers, as a rental investment, or first home buyers. The extensive refurbishment, including a brand-new kitchen with dishwasher, waste disposal, carpet, curtains, heat pump and fresh paintwork throughout, ensures that the property is move-in ready.

Basketball

Our senior basketball team was lucky enough to train with players from the Taranaki Airs team. Students enjoyed learning and improving their basketball skills with the help of experienced basketball players. They won prizes and were each given a basketball of their own as well!

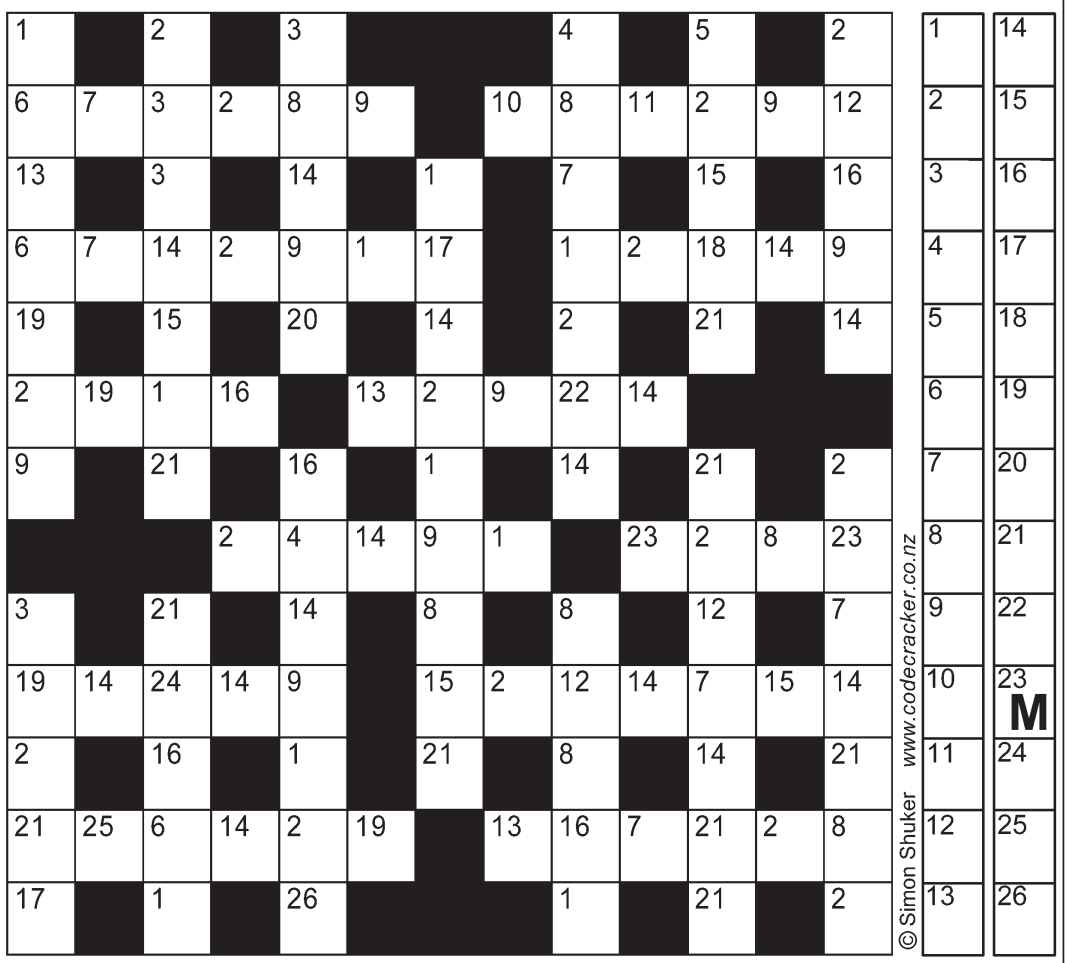
SIMON SHUKER'S CODE-CRACKER Extra

EACH number in our Code-Cracker grid represents a different letter of the alphabet. For example, today 23 represents M, so fill in M every time the figure 23 appears. You have one letter in the control grid to start you off. Enter it in the appropriate squares in the main grid, then use your knowledge of words to work out which letters should go in the missing squares. As you get the letters, fill in other squares with the same number in the main grid and control grid. Check off the list of alphabetical letters as you identify them. *Visit www.codecracker.co.nz*



Circle of Words

How many words of four letters or more can you make? There is at least one seven-letter word. Each letter may be used only once and all words must contain the centre letter. No words starting with a capital, no plurals ending in s unless the word is also a verb.

Why do Patea and Waverley choose us?

Steven and Jared are setting the bench mark - They bring together experience in over 500 property transactions. It is a "two for one" deal with two salespeople working together to find you the best buyer, and always make time to meet you and discuss matters in a timely fashion. Steven and Jared both believe in next level marketing and service, which is why they get repeat business in this lovely part of Property Brokers country.

Philosophy - As "brothers in real estate", Steven and Jared believe the industry should have a culture of caring, beyond just that of selling. They know events can happen unexpectedly during the sales process, so believe in being available during all 24 hours of a day and seven days a week to address them. Being firm but fair in all actions, they will put more resources into your marketing campaign, backed with industry leading suppliers, to provide a level of service which is tailor-made for you.

Steven Schwamm, AREINZ, National Diploma in Real Estate (Agent), National Certificate in Real Estate (Branch Manager) - With over ten years experience in the real estate industry, Steven joined Property Brokers in 2011 as the company's youngest sales consultant and immediately made his mark – winning the Young Professionals in Real Estate NZ Rising Star award and Property Brokers coveted Residential Rookie of the Year 2012. Well qualified with his real estate Diploma and Branch Manager's Certificate, he is also the youngest licensee in Property Brokers country to hold an Agency license and is also an Associate of the Real Estate Institute NZ (AREINZ).

Jared Smith, BA, GradDip - Known around the region for the rugby and racing coverage when he was Sports Editor of the Whanganui Chronicle, Jared is a dedicated professional who has met and worked with locals and stakeholders alike of all backgrounds. Astute with meeting deadlines and listening to what you need, Jared values accuracy and clear understanding of the process of selling real estate, and the need to reassure clients that their best interests are paramount. Raised in Nelson and getting university qualifications in Christchurch and Wellington, Jared became a seasoned worker through his journalism and editing roles. Always more comfortable in the rural towns without the traffic jams and having opportunities to make his own mark, Jared loves the appeal of provincial living and getting into the community.

Track record - Together, Steven and Jared achieve outstanding results for their clients because they cover all the angles and are determined to reassure people that their interests are safeguarded. This is reflected in their market commentary, strategies, attention to detail, and tailormade communication based on the needs of each client. Steven and Jared continue to get the top market dollar for your property by finding the right buyer from any corner of the country, matched with service that doesn't stop once the sold sign goes up.

Steven and Jared continue to get local properties sold!

KAKARAMEA SCHOOL

‘E tipu, e rea…grow and keep growing’

AUGUST ROUND UP

Greetings from us all here at Kakaramea School. We hope our readers out there in the community had the chance to enjoy some holiday adventures last month with the tamariki in your lives. Many of us went down with the winter flu at the end of Term 2, so it was good to have a rest and have the space needed to regain our health. Term 3 will be a busy time for us hosting the Cluster Cross Country, Pet Day, Grandparents and Whānau Day and Kak has Talent. We hope you enjoy this highlight reel of life at our kura.

SCHOOL DISCO

Our students had an excellent time at the Hunting and Fishing themed disco last term. The hall looked spectacular, the pizza was hot and the chips were YUMMY! Thank you to our kitchen helpers, decorators, costume makers and clean up crew. It was such a delight to see the children (and teachers) dance the night away. Pictured are brother and sister Jimmy and Zola from Rimu Room and little Leo from Koru.

NEW BOOKS

A massive thank you to children’s author Kate DeGoldi for helping select a range of sophisticated picture books and novels to freshen up our library collection. The good folk at the Children’s Bookshop in Wellington have been very helpful too in organising these precious resources. It is so pleasing to see these seniors engaging in their reading with such passion.

FAREWELLS

It is with great sadness that we farewell our friends Stoney and Nicola Quarrie. Stoney is a legendary bus driver whose bond with our kids, their families and staff will be greatly missed. Thank you for your service Stoney - we hope you and your loved ones enjoy the slower pace of life that a ‘for real’ retirement brings! And best of luck to our lovely Learning Assistant Nic Q who is joining the staff at Pātea Area School. They are so lucky to have you Nic! Thankfully we will still get to see you around at cluster events and some of our seniors here are looking forward to joining you there in the future. Go well.

‘Stoney’ with the bus kids.

Nic Q at her farewell assembly.

MATARIKI

Early in Term 2, with Puanga still hiding beyond the horizon, Kam (Heremaia's mother) approached Whaea Kate in the car park. She was the kaitiaki of a beautiful carving depicting 'Te Kahui o Matariki' (the family of Matariki) and offered to lend it to our kura as a taonga to help teach the story of Matariki, the waka Uruao (commonly referred to as the Milky Way) and Te Kakau (the stars that form the stern of the waka, often known as 'The Pot'). Also featured on the carving is a large spiral that symbolises our New Year cluster Puanga - the star that guided the Aotea waka to Aotearoa. With much excitement Whaea Kate invited Matua Jim Ngarewa to come and bless the carving in a ceremony to welcome the carving into our care. It was at this ceremony that Kam decided that rather than loaning us this beautiful work (by Kaikapo Rangihaeta) she felt moved to gift it to us. Ngā mihi to Kam for her generosity and thanks also to Matua for taking the time to help us follow tikanga and give this whakairo a welcoming home. How special to have a teaching tool to share with many, many generations yet to come through our doors. It will be treasured!

BALL BOYS

The Pātea Rugby Club Seniors were supported by some pretty awesome ball boys at the Grand Final last month. Good on you Kobi, Charlie and Taine for getting amongst it.

FULLY REGISTERED TEACHER

Congratulations to our very own Junior Class teacher Carissa Laracy-Talbot who recently achieved her full registration. She has had some brilliant mentors along the way and we are very proud of her and them. Her lovely tamariki in Koru were pretty chuffed for her too!

Everyone is welcome to watch!

Carlyle Women's Institute

Our July meeting was attended by 7 members, minutes were read financial report presented, apologies accepted.

Donations of frozen meals & knitting from Carlyle and Waverley Institutes were collected for Cyclone Gabrielle. A winter catchup for all institutes was held at the Kapuni Hall and the executive members of South Taranaki Federation presented prize winners with their certificates and trophies from the national competition entries, at the Timaru Conference – May 29th to 31st. Following this we were shown how to make a Protea from old books, members who attempted to make one for themselves had great fun folding and reading some lines from the pages. Those who did not finish theirs were asked to bring finished ones to the Fun and Friendship Day in October.

If you are interested in joining us come and see what we are all about, first Thursday of each month, 1.30pm at Patea Old Folk

Jenni Corbett Art

This month I have a seascape which will be on exhibition and sale at Michaela Stonemans "Kainga: Home" exhibition at Lysaght Watt Gallery in Hawera from the 26th July to 19 August.

As well as that I have 5 pieces for sale at Ewen Stafford's exhibition from the 4th to 14th August in Whanganui at 19 Taupo Quay .

It's fun to be focusing on a different subject for a few weeks as well. Have finished an acrylic landscape and working on a second one, as well as doing a pastel flower.

Artists Explore Concepts of Home

A new visual arts exhibition at Lysaght Watt Gallery in Hāwera will showcase the diversity of artists in South Taranaki, featuring artworks that reflect ideas and concepts of home.

Curated by South Taranaki District Council Arts Co-ordinator Michaela Stoneman, Kāinga : Home will feature works in a wide variety of mediums by 45 artists from Waverley to Pūniho, and everywhere in-between.

“We have a wealth of amazing artists in South Taranaki, each with a unique voice and approach, demonstrating remarkable skill and insight. This show will host a mix of established and emerging artists from our arts community and offers a platform for connection, future collaborations, and celebration of our collective creativity’ Stoneman says.

“I asked artists ‘What does ‘home’ mean to you? Artists could explore concepts of home in relation to any personal interpretation – eg. literal homes or shelter, local environment and spaces, history and storytelling. Aspects of culture, family, whakapapa, identity and beliefs reflect who we are and what is important to us.”

Submitted works include painting, printmaking, collage, ceramics, sculpture, carving, raranga, jewellery, textiles, photography, assemblage and weaving. The featured artists live throughout the South Taranaki district, including Ōeo, Pūniho, Wārea, Ōhawē, Pātea, Ōpunakē, Waverley, Hāwera, Eltham, Pungarehu and Manaia.

Artists featured in the exhibition include: Ashlee Robinson, Ashleigh Chambers, Barbara Clegg, Beck White, Bonita Bigham, Bonnie McIntee, Carl Fairweather, Caryl Murray, Cath Sheard, Chauncey Flay, Chris Fuller, Claire Jensen, Dale Copeland, Dimmie Danielewski, Elisabeth Harrison, Erryn Willcox, Eva Chen, Holly Smith, Jennifer Laracy, Jonny de Painter, Karen Dey, Jenni Corbett, Libby Hogg, Lisa Walsh, Liz Sinclair, Maree Liddington, Marianne Muggeridge, Mark Bellringer, Paul Hutchinson, Rachelle Hopkinson, Robert Tauira, Roger Morris, Roseanne Oaks, Ruby Fitzmaurice, Tabatha Forbes, Wendy-May Thompson, Viv Davy.

Pātea Community Board Meeting

Notes from the meeting on Monday 10 July, 4pm, provided by the Board Members.

The fifth meeting for 2023 was held at Hunter Shaw. Present were: Pātea Community Board members; Jacq, Cheryl, Bronwyn, Owen, Robert Northcott (Deputy Mayor), Phi Nixon (Mayor) Rob Haveswood (Group Manager of Community Services), Eileen Kolai-Tuala (Community Development Officer), Samantha Greenhill (PA), 5 members of the public. Apologies from Constable Ben Patterson. The meeting opened with a karakia.

Open forum:

Trish Edgecombe reported on the Pohutukawa trees at St Georges Church, Patea. They have branches overhanging the footpath which are a hazard to people using the footpath. Rob H will talk to the Church for permission for the Council to cut these trees back.

Laurie Mildenhall asked about the Pātea Town revitalisation plan and is wanted to know when things will start happening. Eileen replied that meetings are still in progress about this.

Cheryl Rook reported that over 3 years ago there was a request for the changing rooms at Dallison Park to be refurbished. To date nothing has been done. There are now more mixed and women’s teams using them and the toilets in particular, are in bad condition. Rob H is going to follow up on what can be done here with Phil Waite.

End of Open Forum.

Items for action:

Speed cushion/humps proposed for Egmont St for traffic heading toward the beach.

Condition of Beach Rd and footpath to Pātea Beach. Trees on Scotland Street. BMX track at Waverley. Accessibility of Waverley Swimming pool. Road to Pariroa Pa

Bronwyn Wattrus (Civil Defence Rep for Patea) gave an update on the Civil Defence situation in our area. Main issue is lack of actual locations for CD HQ and radio’s. The Pātea Library has been identified as the main point, and Pātea Old Folks Hall is still the best place for overflow.

Community Development Report from Ella Borrows:

National Volunteers Day was well marked with a Council run event at Lake Rotokare. Pātea Revitalisation Committee met on Tuesday 30 May at the old Central Hotel Patea, the next meeting is in September

Libraryplus report from Cath Sheard, with overview notes by Rob Haveswood:

This report covers library activities for the Month of May. At the time of writing the report the June stats were not available. Membership of the libraries stand at 57% of the population.

Across the district the issue statistics (the number of books being taken out of the library) is increasing. Pātea has seen an increase in issues, whereas Waverley has seen a decrease over the period compared to the year prior. The district has a lot of keen readers who continue to utilise the physical and digital collections. At the same time, the facilities continue to meet the residents need for safe inclusive spaces where they can pursure their interests, meet with others and access technology. This is demonstrated by the number of logons and the minutes of use for the library computers, which is up on the same period last year, as is the connection to the free wifi. As you will see in the report, that as per usual, there have been a number of activities across the libraries for all age groups, with a highlight for Pātea being the weekly craft group, weekly board games, monthly crosswords and a monthly quiz.

The build on the new library in Hawera, Te Ramanui o Ruaputahanga, is well underway and is now well visable above ground. The steel structures are up and the concrete has been poured. The library team across the district are busy preparing for when the library opens, this includes receiving, prepping and documenting new books as well as putting RFID (Radio Frequency Identification) tags in books for the self check-in machine.

Environmental Services report from Liam Dagg, with overview notes by Rob Haveswood:

This report covers activities relating to the Environmental Services Group for the Month of May and June. Starting with Building Control Services - The number of building consents lodged across the district (including 6 in Patea and 8 in Waverley) was fewer than that in the previous period. This has a knock on effect to the value of the building Works. Whilst the value of the work over the two months period across the district still totalled over $10M. This is approximatly 30% of the March/April period. The consents were largely Residential, with the majority being for log fires. To date the value of the work is over $102M.

Planning Services: Moving onto Regulatory Services - you will see in the report the breakdown of customer service requests received including abandoned vehicles, illegal dumping, wandering stock, and animal statistics broken down by area.

Finally, for strategic projects and programmes. A highlight is an update on the Regional Organics Materials Recovery Expression of interest process... So as a reminder, throughout the first half of 2022 the three district councils in Taranaki collaborated to conduct a feasibilty study into how the councils might collectively build, operate and/or manage an organic materials recovery facility. 19 Expressions of Interest were received and four companies have been shortlisted. The councils, along with industrial orgnaic waste producers are evaluating further involvement and next steps.

Full minutes of this and all Council meetings can be found on the South Taranaki District Council Website, under the heading ‘Our Council’ then go to ‘Mayor & Elected members’ then ‘Community Board - Pātea’. Or view them at Pātea or Waverley Library Plus

Your Community Board Members are: Jacq Dwyer (Chair) Cheryl Rook (Deputy Chair), Owen Savage, Bronwyn Wattrus, Robert Northcott (Pātea Councillor)

The meeting times & venues for this year are :
Monday 21 August, 4pm, Waitōtara Hall, 12 Kaipo Street, Waitōtara
Monday 13 November, 4pm, Hunter Shaw Building, Pātea

Patea Old Folks Association

Presidents Annual Report 2023.

I wish to present my Annual Report on the activities of the Patea Old Folks Association for the year ended 28 February 2023.

The committee members for the 2022/23 year were as follows: President: Robin Ansley, Vice-President: Robert Northcott, Secretary: Rose Cowley, Treasurer: Barb Martin, Committee: Karen Phillips, Ann Ansley, Laurie Mildenhall, Tom Matiaha, Trish Adams, Jacq Dwyer.

Legal ownership of our land and buildings. Huge achievement this past year on the legal title of our land and buildings. As you all know the Patea Old Folks Association did not hold legal title to this asset due to a historical problem with this being in the name of the chairman of the committee that raised the money to buy the land during the 1960's. We have now sorted this legally and the title is in the name of 'The Patea Old Folks Association'. This process did cost us in excess of $6200.00, but it could have cost a lot more if it was not for the efforts of lawyer: Carley Dwyer, who did a lot of research on our behalf and Ian Mathison from Connect Legal in New Plymouth who completed the process. Once again our thanks to Carley and also thanks to Jacq for leading this project on our behalf. On the plus side, if we had not sorted out the legal title, we would not have been able to apply for the grants that we have received.

COGs Grant: We continue to receive an annual grant from COGs. Our thanks to Jacq for completing the application process on our behalf and we look forward to her continuing support with this process. Thank you Jacq.

Toi Foundation Grants: Jacq successfully applied to Toi Foundation for grants during the past year. One was for an annual grant to help with operating costs and the other was a large grant to help with the cost of replacing the roof on our Hall.

Taranaki Lotteries: Jacq also successfully applied to Taranaki Lotteries for a large grant to also help with the cost of replacing the roof of our Hall. Many thanks to COGs and the Toi Foundation for granting us the funds on an annual basis to help us to continue to operate our association. Also many thanks to the Toi Foundation and also to Taranaki Lotteries for granting us the substantial fund to replace the roof on our Hall. Without any of these grants we would not have been able to continue to operate our association nor be able to effect the major repairs that our Hall requires.

Finance: Our Financial situation looks really healthy at the present time. This will change quite dramatically when we have the new roof fitted and pay for it. The latest estimate for this came in at in excess of $31,000.00 and the roof has been ordered on the basis of this estimate. The expected time for installation of this is July/August 2023. We will have some funds left over from the grants we have received so we will request their permission to use the balance to replace the carpet in the front meeting room of the Hall. We have had quotes for this project and have made a decision on whom we will employ to complete this project for us based on us being allowed to use any excess funds from the grants to pay for this, but we will not proceed until after the roof is on and paid for.

Maintenance: during the past year Laurie has repainted the exterior of the windows along the side of the Hall. Thank you Laurie.

The kitchen zip water heater has had its cut off switch broken and to date we have been unable to source a replacement part to repair it (probably obsolete). To this end we have purchased a 20 litre benchtop urn to use instead of the zip.

Thank you's: Thanks to our entire committee for your continuing support and efforts during another challenging year. Besides attendance at monthly meetings and making the difficult decisions you have all contributed in other ways. Tom, another year of mowing the lawns. Laurie, our maintenance man. Rose, our treasurer. Ann our supper lady. Jacq for co-ordinating applications for funding and leading our legal title process. Karen, Trish & Jacq our gardeners. Thank you all. Also Thank you to Shirley Maher for auditing our books. Hall Bookings: Hall bookings seem to be on the increase and this helps give us some income to assist with the running costs of the Hall.

Membership: we have some very loyal members who continue to support us with their subs and I thank you all for this and your continuing support. Subs are now due for the 2023/24 year. As always we need more members, not only for their subs but more importantly for new ideas and new blood. If you or anyone you know would like to suggest and / or be part of new ideas for our association, come along to our monthly meetings on the last Thursday of each month at 4.30pm. And more importantly, if you wish to support us financially, you too can become a member of The Patea Old Folks Association for a mere sum of $20.00 per year per member.

Thank you from Robin Ansley,
President of Patea Old Folks Association.

Mighty Mix Taranaki Indoor Sheep Dog Trials 2023

The annual Taranaki Indoor Mighty Mix Showring event took place in the TSB Stadium at the Egmont A&P Showgrounds Hawera over the weekend of the 7th, 8th & 9th of July with record entries.

This year the club raised money for St John Hawera, donating $3000 to that vital community service.

Judge Leo Jecentho from the Waikato and also previous winner of the event, with his scribes Janeen Riley on the Friday and Sharon Wright Saturday and Sunday put in long hours, virtually twelve hour days.

225 actual dog entries came from all over the North Island and it was great to see new competitors competing in the event for the first time.

The sheep were supplied by the Brewer Farms and while proving a challenge on Friday came good on Saturday providing spectators with some top class runs to watch. Eighty eight maiden dogs competed in the qualifying rounds, the Judge was very impressed with the standard and the way these young dogs performed, particularly in the hands of the Maiden men and women.

The fifteen finalists in the Sunday runoff all completed the course. Taranaki had two men in the final Steve Murphy and Edge from Whangamomona 8th, and Bernie Gower with Jack from New Plymouth 10th.

The Wanganui Centre was well represented by Don White and Roy from Mataroa who were 4th and Ian Burling with Jay from Turakina who was 6th.

Masterton man Vaughan Marfell and Shine took out the top prize and the Bruce Harvey Memorial Trophy with a score of 98.25.Jim Wilson from Hawkes Bay and his Intermediate dog Cap were second with 97.7points. Laurie Horsfall also from Hawkes Bay with Thor was 4rd on 97.5pts very little separated the top dogs it could have gone any way.

Club President Ian Smith from Waverley was very pleased with the trial and is very appreciative of the small team of workers who helped and the outsiders who very willing lent a hand. A huge amount of work goes on behind the scenes leading into,during and after the event. Big THANK YOU TO ALL OUR SPONSORS your input is what keeps the event going and keeps everyone coming back,and enables us as a club to support our two community services each alternate year, Hato Hone St John Hawera, and the Taranaki Rescue Helicopter.
